#### LEAGUES OPEN BASEBALL SEASON

Americans and Nationals Commence Run for Championship Pennant Today.

WELLKNOWN MEN APPEAR.

Lineup of Giants and Yankees Undergoes Considerable Change Compared to Last Season.

New York, April 14.-The American and National leagues will open the base-ball championship season today and from now on there will be no intermission until the long schedule of 154 games has been completed. The personnel of the sixteen clubs which will engage in the struggle today is not unfamiliar to the followers of baseball, for while there has been considerable shifting about of players since the season closed, in 1907, the majority of players who will don eniforms again today are well known to the fans, either as successful players for the clubs which they now represent or other organizations of equal rank None of the clubs of either league has undergone greater changes than those of the Glants and Yankees yet when the two clubs get into their stride there will be few, if any, players in the regular line up who have not already established reputations on the

The Yankees will meet the Philadelphia athelics in the first of a four game series, and there will be all the pomp and ceremony that accompany the opening of the season—flags, a band and the usual parade of the players across the field. President B. B. Johnson of the American league, will throw out the ball and the season will be officially started, Manager Griffith has decided upon clade to pitch the first game with Kleinow behind the bat. Manager Connie Mack, of the visiting team, will rely upon the big Indian. Bender, while scheck, Waddell's old partner, will wear the mask and pad.

Many a Salt Lake City Citizen Knows How Sure They Are.

Nothing uncertain about the work of Doan's Kidney Pills' in Salt Lake City. There is plenty of positive proof of this in the testimony of citizens. Such evidence should convince the most skeptical sufferer. Read the following statement:

A. Reynolds, living at 379 west First North street Salt Lake City. Utah, says: "Before I procured Doan's Kidney Pills at the F. J. Hill Drug Co., I had been troubled for a long time from kidney complaint and backache. I was restless at night and as a consequence would arise in the morning feeling tired and worn out. Doan's Kidney Pills helped me in every way and I have not had any trouble since."

louger to be a betting ring though the same enclosure would be open for general purposes at the coming meeting, without the equipment of stools or places for the bookmakers or any of the organization which last season governed the betting ring.

Concerning the field stand, there was only rumor and that made no specifications beyond the general report that it was likely that the field stand would have to do the best it could without betting of any kind. This supposedly means that the race tracks will refuse to regulate or recognize field stand betting and that new restrictions will be placed on whatever speculation may go on in the field. The objection made to the field stand betting was chiefly to the opportunity which the small wagers usually gave for betting by persons to whom any sort of loss would be a serious thing.

ON THE RACE TRACK.

Hartford. Conn., April 13.—The announcement of the entries for the early closing events at Charter Oak park, for the Grand circuit races in September, shows that fifty-five horses are named for the Charter Oak stake of \$10,000 for trotters eligible to the 2:09 trot, which will consist of three races. The winner of each will get \$1,500, with \$500 to second, \$200 to third and \$200 to fourth. There will be \$2,500 for the horse winning the greatest number of races and this horse will be declared the winner of the Charter Oak.

JOHN LE ROY TRIPP DEAD.

A cablegram received at the president's office this morning from President Sylvester Q. Cannon announced the death of Elder John Le Roy Tripp,

the death of Elder John Le Roy Tripp, who was laboring as a missionary in the Netherlands-Belgium mission. The message was very brief, merely stating, "John Tripp dead appendicitis."

The parents of the deceased are John and Emeline Shoell Tripp of Murray. Elder Tripp was born Jan. 24, 1888. Six days after his twentieth birthday he was called to his mission and left soon afterwards for his field of labor.

All Sorts and Conditions of Men Have Apparently Been Subpoenaed To Appear.

Policemen, jewelers, coal men and men in varied walks of life are among the witnesses being summoned before the grand jury today. "Uncle John" Hempel, first sergeant of the police, and Patrolman Carlson were among the first named: these officers have taken a hand in the apprehension of persons wanted by the government for various alleged offenses several times recently and doubtless will contribute no little information for the grand jury's consideration. J. F. Boes, manufacturing jeweler, is another witness. The case of the two Greeks, charged with obtaining a key to the Bamberger company's mall box and using it to extract mail, is to be taken up as soon as cases now under consideration have been cleaned up. To testify in this matter a big portion of Bamberger's force has been subpoenaed to appear. The witnesses to be examined comprise at least five members of the Bamberger office family, namely, J. B. Bean, Mr. Jones, Tony J. Midgley, cashier of the coal company; Mr. Fiser and R. Siddoway. Another witness awaiting his turn to testify this morning was Samuel Weitz of Kahn Bros.

W. McCrea, assistant district attorand doubtless will contribute no little

fore Judge Marshall and a petit jury this morning.

At 10 o'clock the witness room, adjoining the grand jury chamber was fairly well filled with witnesses, who have information which the government desires laid before the grand jury. None of those present have, so far as known, any information having any connection with the bank affair, around which public interest centers. The Gregory case will not be taken up for some time yet, as there is a big batch of minor cases to be investigated. By many it is expected the grand jury batch of minor cases to be investigated. By many it is expected the grand jury will make a partial report before going into the bank affair so as to tackle what has proved too big a mystery for the Pinkertons with nothing else on hand. The Gregory case will not consume much time as the government secret service men, Harry B. Richardson and W. W. Fraser, will come over from Denver to tell about tracking Gregory for three weeks, and the results. Various other witnesses, whom the government did not bring forward in the preliminary hearing of Gregory, will contribute information so with everything shaped up, all evidence can be submitted in rapid style.
