LABORING IN GEORGIA.

Interesting Missionary Experience in the South.

AUGUSTA, Georgia, May 4, 1887.

Editor Deseret News:

For the benefit of those who may wish to know of missionary labors in the "sunny south," I take the liberty of giving you a brief synopsis of my journey in a "new field."

On the 5th day of April, 1887, I was joined by Elder David Bennion, of Vernon, Utah; while Elder John M. Browning, of Ogden, joined Elder Ballantyne of the same city, who had been my co-laborer for the preceding six months. On the 13th we bid Lumpkin County adieu, and started for this place, (Augusta) intending to preach in the city, but when we arrived at Blair, (a station ten miles west of Augusta,) the Spirit said unto us, "Stop here." This seemed to be contrary to what we had prearranged. We had bought our tickets through to Augusta, but we felt positive that it was the Spirit that had spoken and we quickly obeyed.

Next morning we were on our way and, by enquiry, found that there was a

METHODIST CHAPEL

in the vicinity which belonged to the "Methodists North," and had not been occupied to any extent since the war. We were further informed that a Mr. Lewis Reid could give us permission to preach there. We called upon Mr. Reid, where he was teaching school, and calling him to the door, requested a moments conversation. He dismissed school, and upon learning our request, said there be no objection to our preaching in the chapel, as no one had a right to object. He told us to go home to his house and inform his folks who we were, and they would get us dinner. We thanked him and gave out notice for a meeting for Sunday, April 17th. The children were to tell their parents.

And they did "tell their parents," too, and their parents

TOLD THE PREACHERS;

and they commenced to howl in every corner. Our meeting was well attended on Sunday, and we gave out another appointment for Tuesday night. After meeting we accompanied Lewis Reid to dinner, and it was no sooner eaten than in came a Methodist preacher on a run, exclaiming: "I have a bone to pick with you" Just then he entered the door, and noticing us, excitedly gave vent to: "Oh!—I suppose you are the gentlemen who preached at Goodwin's chapel this morning."

"We are the gentleman," I answered. "Don't you know that your doctrines won't take in this country?" he yelled.

"It will take the honest-in-heart out of this country, sir," I replied.

"This abominable doctrine you teach of a man having several wives—"

"Well, sir, we do not preach that principle any more than Jesus did: 'And he said unto them, verily I say unto you, there is no man that hath left house, or parents, or brethren, or wife, or children, for the kingdom of God's sake, who shall not receive manifold more in this present time, and in world to come life everlasting.'"—Luke 18, 29, 30.

"Well, I see there is no use trying to show you your error, but I would advise you to quit preaching such doctrine and go home. You had better be careful or the people will not stand to have you around." And uttering those words he popped out of the house as if he had been shot out.

He found that it was no use to argue, as he stated, so he determined to try another plan—violence. He went around and informed the ruffians of the vicinity that he would be responsible if they would

BREAK UP OUR MEETING,

and run us off. When one dog barks, all the rest in hearing follow, not knowing what they are barking at. So the Augusta *Evening News* takes up the cry of "break up their meetings."

I send you a clipping from that paper:

The good (?) men of this place did come and break up our meeting on Sunday night, (April 24) as the NEWS suggested. A mob came and ordered us to not "preach any more in that branch, neither in the county." We asked them if we had preached anything "unscriptural?" "No," they replied, "but we just don't want you to preach, that's all." We tried to reason with them but to no avail.

Every man left the building but us, and we had

NO PLACE TO GO TO,

and as we were meditating upon the Savior's words: "I send you forth as lambs among wolves," etc., a Mr. Columbus Anderson stepped to the door and asked if we had any place to stay, and when he found that we had none, he kindly invited us to go home with him.

Since then we have been very kindly entertained by a number, and a Mr. Fraser kindly proffered that we should preach in his house. We have held one meeting there already with a large attendance. He arose after our services and testified to the truth of what we had preached, and told the people they ought to give us a chance, and hear what we had to say, and then if we proved to be impostors, turn us off, not before. These remarks seemed to have a very good effect, and our friends increased.

Rev. Robert Maddox, a Baptist preacher, after he had read our pamphlet and heard us preach, would not fill his appointment to preach, and acknowledged that the reason why the blessings ceased was because the church was corrupted. And thus you see our prospects bid fair for the Gospel in its purity to be proclaimed in this vicinity in spite of the adversary's exertions to hinder us.

Our health is good, and we feel well in our labors, learning day by day more of the glories and grandeur of the plan of salvation. S.

Much interest has been manifest of late years in yacht racing and the distance covered in those nautical contests has gradually extended until it hardly excites comment when a race is commenced across the Atlantic. Now comes a dispatch from New York stating that two clipper ships left that port on the 11th for a race of over 15,000 miles, that is from the city of New York, round Cape Horn to San Francisco. The vessels are the clipper ships *Seminole*, Captain Hatch, and *Charmer*, Captain Holmes (late of the *Seminole*. They left their respective piers in East River on a long race around Cape Horn to San Francisco. The *Seminole* was the first to slip her moorings. She was towed down the river shortly before noon. There was a big crowd of old "salts" and South Street loungers on hand to see her off, and there were many warm expressions of admiration as the handsome craft moved down the river. The *Charmer*, which was lying at the foot of Wall Street, did not cast off till the middle of the afternoon. The hand some clipper was not without partisans who believe she will enter the Golden Gate first. As a rule the authorities along South Street were inclined to pin their faith to the *Seminole*.

The gross yield of California mines in 1886 was $14,600,275 and of all mines west of the Missouri river for the same year, $103,011,761.

Ladies soliciting subscriptions to Queen Victoria's jubilee fund have actually been arrested in London for begging.

Editor Dana, of the Muskegon *Chronicle*, speaks of the farewell address of the retiring executive of Muskegon as the "Mayor's Exaugural!"

"Is there an opening here for a bright young man who is not afraid to rustle?" he asked, as he drifted into the editorial rooms of a suburban paper. The managing editor eyed him, observed the air of fresh verdancy clinging about him with all the ardor of a new born lawyer. "Is there an opening for you?" asked the editor. "Well, yes. Your visit was anticipated seven years ago, when the building was put up and an opening was very considerately left for you. There it is. Please shut it when you go out."

One application of St. Jacobs Oil has cured neuralgia. Druggists and Dealers have it.

How's Your Liver?

Is the Oriental salutation, knowing that good health cannot exist without a healthy Liver. When the Liver is torpid the Bowels are sluggish and constipated, the food lies in the stomach undigested, poisoning the blood; frequent headache ensues; a feeling of lassitude, despondency and nervousness indicate how the whole system is deranged. Simmons Liver Regulator has been the means of restoring more people to health and happiness by giving them a healthy Liver than any agency known on earth. It acts with extraordinary power and efficacy.

NEVER BEEN DISAPPOINTED.

As a general family remedy for Dyspepsia, Torpid Liver, Constipation, etc., I hardly ever use anything else, and have never been disappointed in the effect produced; it seems to be almost a perfect cure for all diseases of the Stomach and Bowels.

A MAN

WHO IS UNACQUAINTED WITH THE GEOGRAPHY OF THIS COUNTRY, WILL SEE BY EXAMINING THIS MAP, THAT THE

CHICAGO, ROCK ISLAND & PACIFIC R'Y

By reason of its central position, close relation to principal lines East of Chicago and continuous lines at terminal points West, Northwest and Southwest—is the only true middle-link in that transcontinental system which invites and facilitates travel and traffic in either direction between the Atlantic and Pacific.

The Rock Island main line and branches include Chicago, Joliet, Ottawa, La Salle, Peoria, Geneseo, Moline and Rock Island, in Illinois; Davenport, Muscatine, Washington, Fairfield, Ottumwa, Oskaloosa, West Liberty, Iowa City, Des Moines, Indianola, Winterset, Atlantic, Knoxville, Audubon, Harlan, Guthrie Centre and Council Bluffs, in Iowa; Gallatin, Trenton, St. Joseph, Cameron and Kansas City, in Missouri; Leavenworth and Atchison, in Kansas; Albert Lea, Minneapolis and St. Paul, in Minnesota; Watertown in Dakota, and hundreds of intermediate cities, towns and villages.

THE GREAT ROCK ISLAND ROUTE

Guarantees Speed, Comfort and Safety to those who travel over it. Its roadbed is thoroughly ballasted. Its track is of heavy steel. Its bridges are solid structures of stone and iron. Its rolling stock is perfect as human skill can make it. It has all the safety appliances that mechanical genius has invented and experience proved valuable. Its conservative and methodical—its discipline strict and exacting. The luxury of its passenger accommodations is unequaled in the West—unsurpassed in the world.

ALL EXPRESS TRAINS between Chicago and the Missouri River consist of comfortable DAY COACHES, magnificent PULLMAN PALACE PARLOR and SLEEPING CARS, elegant DINING CARS providing excellent meals, and —between Chicago, St. Joseph, Atchison and Kansas City—restful RECLINING CHAIR CARS.

THE FAMOUS ALBERT LEA ROUTE

Is the direct, favorite line between Chicago and Minneapolis and St. Paul. Over this route solid Fast Express Trains run daily to the summer resorts, picturesque localities and hunting and fishing grounds of Iowa and Minnesota. The rich wheat fields and grazing lands of interior Dakota are reached via Watertown.

A short desirable route, via Seneca and Kankakee, offers superior inducements to travelers between Cincinnati, Indianapolis, Lafayette and Council Bluffs, St. Joseph, Atchison, Leavenworth, Kansas City, Minneapolis, St. Paul and intermediate points.

All classes of patrons, especially families, ladies and children, receive from officials and employees of Rock Island trains protection, respectful courtesy and kindly attention.
