EVENING NEWS.

Saturday, - - - May 28, 1881.

TALK OF THE TOWN.

Haverly's Mastodons are coming. Look out, boys, for the Big 40.

Quite a number of school children are picnicing at Fuller's Hill to-day.

There were ten emigrants in Ogden bound for the north last evening.

Runaways are in order. No less than three took place yesterday. Next.

Last night's passenger train from the East had 86 first-class passengers on board.

Copies of the revised edition of the New Testament arrived in the city yesterday.

The calico ball in the Twelfth Ward School-house last night passed off very pleasantly.

This morning's western emigrants numbered 75, the same number as from the east this morning.

Cricket match on the Eighth Ward Square, on Monday. The game is set to commence at 9 a.m.

The eclipse last night attracted but little attention. It isn't the first eclipse of the kind that has taken place anyway.

Market day again. The streets have had a busy appearance all day, and doubtless considerable business has been transacted.

The advance agent of the celebrated Gus Williams Company is in town, making arrangements for the side-splitting drama.

Robson and Crane and troupe performed "Flats and Sharps" at the matinee this afternoon. Their engagement concludes with the same piece this evening. It is huge.

Decoration Day on Monday. The day will be observed as a general holiday. In this the NEWS will follow suit. Our next edition will therefore appear on Tuesday evening.

How is this for heat? The question can be best answered by those whose occupation compels them to work in the sun—in the Hooper & Eldredge cellar, for instance, and in other buildings of a similar kind.

Black Rock and Lake Shore will doubtless have their quota of visitors on Monday. Attractions are offered at both places, and the healthful sport of bathing will be freely indulged in. Bathing suits will be in demand.

One of the new attractions at the Theatre will be Willie Edouin's "Sparks" Company. They are billed to play here on the 6th, 7th and 8th of June, giving "Dreams, or Fun in a Photograph Gallery" and "Robinson Crusoe."

LOCAL AND OTHER MATTERS.

Z. M. S.—The meeting of Zion's Musical Society will be postponed till Monday, June 6th.

D. M. MCALLISTER, Sec'y.

Provo Conference. — President Joseph F. Smith and Apostle John Henry Smith left for Provo this morning, to attend the Utah Stake Quarterly Conference. President George Q. Cannon will join them in the morning.

Sunday Services.—The Sunday services of the Church of Jesus Christ of Latter-day Saints will be as follows: Sunday Schools at 10 a.m.; general meeting in the Tabernacle at 2 p.m., and Ward meetings in the evening. Home missionaries will visit the outer Wards.

Accident at Manti.—By telegram from Manti to-day we are informed that an accident occurred yesterday evening to Jedediah Dean, of Beaver, one of the laborers at the Manti Temple. While lifting a rock to the platform, he stumbled, the rock falling upon his side. Fortunately no bones were broken. This morning he is considerably easier, and it is anticipated he will soon recover.

Seventies' Meeting.—The Seventies' will please take notice, that their next general meeting takes place on Wednesday next, June 1st., at 7.30 o'clock p. m. at the Council House.

ROBT. CAMPBELL, Clerk.

In behalf of the First Council of Seventies.

Salt Lake City, May 28, 1881.

The Building Trade.—The building trade in the city seems very lively all around. So me very large structures are now fairly under way with the prospect of some others being started soon. But speaking of buildings, what of the new Deseret University?. *Tempus fugit.* As the old housewife said, "Here is the month of June and not a dish washed." Hurry up.

"Under One Flag." — By reference to an advertisement in another column, it will be seen that Mr. John S Lindsay, the well known Salt Lake actor, will produce at the Theatre on Monday evening next, Decoration Day, his patriotic drama in five acts; entitled "Under One Flag; or, Love and War." The piece treats of the late "onpleasantness," and—as will be remembered by those who witnessed its production here by Mr. Lindsay some time ago—is possessed of considerable literary merit. Mr. Lindsay and Miss Nellie Colebrook will represent the leading characters of the drama, and doubtless, as the play is a fitting one for the day, it will be patronized by a large audience.

Fighting.—At the police court this morning, before Mayor Little, Fred. Crowton and John A. Tupper appeared to answer a charge of fighting in the neighborhood of the Electric Light works, last night. Both parties pled guilty to the charge and were each fined $10. Crowton and Tupper, it appears, are employed at the Electric Light works, the former being engineer and the latter electrician to the Electric Light Company. Some disagreement had arisen as to the respective authority of the individuals, and the matter culminated in a fight Crowton's son, who occupies the position of fireman in the above establishment, also, it is said, had a hand in the melee, and probably he will have to put in an appearance before the Mayor to settle any charge that may be found against him.

Diabolical Outrage.—By courtesy of the recipient we have been permitted to peruse a letter dated Sylvester, Mewcosta County, Mich., May 11th, 1881, and written by Elder Samuel B. Warner. We quote from the letter:

"I in connection with a family of Saints lately met with a severe loss. Bro. Zundell and I came from Talmage on Monday, May 2d, and reached Westville that morning by rail, and on the 3d we walked to this place. We left our valises in care of Bro. Enos Root and family. On the night of the 4th, about half-past 12, their house took fire and burned up. The family only escaped with their lives. All my clothes and books, two valises and one overcoat were burned. The loss to me was $45; to Bro. Bunnell, $50; to another Elder, (name not given) $45. Bro. Root's loss was $1,000; his family barely escaped with their night clothes. The fire was the work of an incendiary; the person who started it escaped. Brothers Jonson, Zundell and Bunnell are assisting in putting up another house for the family.

This diabolical outrage upon innocent people, for no other cause than that they are believers in an unpopular religion, is but one more added to the long list of outrages which the Saints have suffered for the gospel's sake. We sympathize with the Elders and Saints who have thus suffered, and hope the latter may soon be able to make their way to Utah, where they can worship God in peace.—*Logan Leader.*

The Ogden Fire.—At a casual visit to the scene of yesterday's conflagration a busy view presented itself to us. Numbers of railroad men were engaged in setting things right, sorting the remnants of the burned cars, removing the debris and incumbrances from the tracks, taking away the empty car gears, picking up all the bolts, screws and other small irons that may yet be utilized. Carpenters are nailing and sawing away at a temporary platform of Truckee lumber. Boys and girls are going about the heaps of ruins and scraps, searching and scraping for any trifle that might be of value. Tin cans, large and small, are being strewed about in profusion and some enterprising commercial geniuses are turning them upside down to find any that may still may be useful.

The agents of the U. P. and C. P. companies are installed as conveniently as possible in their improvised quarters, and are exerting themselves to the best of their ability to dispose of all the multitudinous business.—*Ogden Herald.*

"Our German Senator." — Mr. Gus Williams opens at the Theatre on Friday next, for a two night's engagement. He will appear in "Our German Senator." The Pittsburg *Chronicle* thus refers to the play:

"The more we see of Gus Williams in "Our German Senator," the more we are disposed to congratulate him upon the possession of the best play written for any dialect actor, that has been produced upon the American stage; and Mr. Williams is very easy, quiet and natural in it. There is nothing in the entire performance to which any sensible person would object. It is very diverting—funny to the last degree."

A Theatre For Logan.—The inhabitants of Logan are thinking about erecting a Theatre. Good. A meeting to take the subject into consideration is called for Monday evening, 30th inst. The site fixed upon for the edifice—should the necessary capital be subscribed—adjoins Logan Hall on the north and fronts on Main Street, and is a most excellent location. A lease of the ground for a long term can be secured on very reasonable terms. So we gather from the *Logan Leader.*

First Class.—The Robson-Crane company drew a fair house last night, and "Our Bachelors" went off as lively as on the previous evening. The company is really excellent and it is very rare that such a treat is offered to the public as the acting of such genuine artistes as the Messrs. Robson and Crane. They are really first class. "Sharps and Flats," to be played this evening, is vastly funnier than the other play, and should draw a crowded house.

New Music.—Daynes & Coalter, music dealers of this city, have received a lot of new and popular music, among which are, "I'm Getting a Big Boy now," one of a series of English ballads that have caught the popular taste, "Billie Taylor," a grand pot pourri for the piano, music of the comic nautical opera, and "Charity" a fine hymn for alto or baritone voices with piano accompaniment. All the new pieces can be had of Daynes & Coalter.

Complimentary.—Thomas McIntyre, leader of the 21st Ward choir, a well known musician of this city, and a thorough good fellow, is to have a complimentary benefit in the 21st Ward School House, on Thursday evening, June 2d. A fine programme is prepared; tickets only 25 cents.

MISERABLENESS.

The most wonderful and marvelous success, in cases where persons are sick or pining away from a condition of miserableness, that no one knows what ails them, (profitable patients for doctors,) is obtained by the use of Hop Bitters. They begin to cure from the first dose and keep it up until perfect health and strength is restored. Whoever is afflicted in this way need not suffer, when they can get Hop Bitters. IT SEEMS IMPOSSIBLE.

That a remedy made of such common, simple plants as Hops, Buchu, Mandrake, Dandelion, &c., should make so many and such marvelous and wonderful cures as Hop Bitters do, but when old and young, rich and poor, Pastor and Doctor, Lawyer and Editor, all testify to having been cured by them, you must believe and try them yourself, and doubt no longer.
