BUTTE CAPTURES FIRST OF SERIES

Salt Lake Ties Score at Critical Time And Then Goes Up in The Air.

HOW THEY STAND.

Yesterday's ball game between Butte and Salt Lake was the kind to bring siternate spasms of joy and disgust. It was good and bad, fair and indifferent. splendid pitching on both sides and miserable support or none at all at critical times, and some bad decisions by the umpire, decisions that hurt both teams but principally the home nine. McKibbon, the indicator holder, perhaps did the best he could, but it was bad at that. In the first inning Butte scored a run that should not have ben scored, at least according to the opinion of nine-

tenths of those present. The first man up was Turk and he drew free transportation to first. Campbell fanned, and Elsey smashed out a two-bagger sending Turk to third, Roberts knocked one to Head who quickly fielded the ball home to Whaling, who nailed Turk by at least four feet. Whether the umpire was not looking, was taken by surprise or became rattled deponent sayeth not but he called Turk safe and thereby made himself a mark for jeers galore, Elsey scored on Nehring's hit to Head who put out Roserts at second.

Pender, in the box for Butte, pitched a masterly game and for six innings Salt Lake could not find him. Finally, in the seventh, Richmeyer almost lost the ball in deep right and made the hit good for three bases. This was after one man was down. Hunt hit safe scoring Richmeyer and Sturgeon put Hunt on third but made a bad play of trying to stretch a single to a double, Hammond flew out to left. Corbin drew a walk in the ninth and scored on Richmeyer's double, tieing the score.

Bute took the game in the tenth when there in the work of the score. Pender sent an easy one to Richmeyer, which the latter misjudged. Turk sent one to Hunt who fielded to Head, the umpire calling it safe, Campbell sacrificed and Elsey sent one that passed Head and Richmeyer threw the ball away over first, and with Roberts' hit following three runs were scored. Head who put out Roperts at second.

Great Crowds Continue to Aftend Junction City Race Meeting

Although the weather was quite raw yesterday it did not have the effect of keeping Ogden race fans away from the track, and it is estimated that more than 2,000 enthusiastic lovers of the sport of kings witnessed the program arranged by Manager Murray. Umpire M'Kibbon Roundly Abused by Gang of Angry Fans at Ball Park

gave the Salt Lake team the worst of it in yesterday's game between the Skyscrapers and the Butte nine, a gung of angry rooters roundly abused Umpire McKibbon as the latter was leaving Walker's field yesterday afternoon. Not until he was nearly to the gate was he given the protection he should receive and then Sergeant Roberts and Patrolman Moore dispersed the crowd.

man Moore dispersed the crowd.

The moment the game was over a hundred or 80 yelling, cursing youths, and even men who should have known better, surrounded McKibbon, called him all sorts of vile names and accused him of every crime from petit larceny to lighway robbery. One bewhiskered individual who should have been taught a lesson with a well seasoned club, walked along the outskirts of the snarling crowd and poured forth vitriolic abuse, indifferent to the fact that ladies were within hearing. While this was going on the police did nothing. One or two courageous spirits stood by the umpire and volunteered stood by the umpire and volunteered assistance. To his credit he it said that

McKibbon paid no attention to the cowardly attacks, even when one of the
gang yelled:

"Remember what happened to Jones,"
thus trying to incite violence. It is true
that some of the decisions given by the
umpire were bad and no doubt had
much to do with Salt Lake losing the
game, but an umpire is as liable to
make mistakes as is a player, and because he gives a bad decision it does
not necessarily follow that he is crooked, bet on the game or threw it to the
opposing team because of prejudice. If
an umpire shows a disposition to be unfair there is a way to remedy the evil
without resorting to violence, using vile
language or making threats. An appeal
to the league officials, coming from the
proper source, will suffice and the umpire may be removed.

The disgraceful scenes of yesterday
afternoon de no groof. They are restricted.

The disgraceful scenes of yesterday afternoon do no good. They only serve to bring the great game into disrepute. For a gang of angry men and boys to surround an unprotected man and make him the object of vile epithets and threats is neither manly, fair or sportsmanlike, and should be discouraged at every opportunity. every opportunity.

Efforts are being made to match Pete Sullivan and Packy McFarland for July 4. Pete has written to the effect that he will soon be here.

Burton Downing, brother to Hardy, a crack amateur blke rider, is in the city and proposes to remain here for the balance of the season. The Salt Lake High school and the U. of U. teams are playing a practise game on Cummings field this afternoon. On Friday the U. plays the B. Y. C. and on Saturday the Aggles at Logan.

Manager Farnsworth of the Salt Lake team has announced that on Thursdays hereafter not only ladles will be admitted to the ball grounds free but that day is to be "Kid" day also and youngsters under 15 years of age may enter free of charge and have seats on the bleachers.

A New York dispatch says: Hugo Kelly, who is scheduled for a 45-round fight with Billy Papke at Colma Saturday afternoon, was last night made favorite among the sporting men along Broadway, who are taking considerable interest in the match. Several bets of large proportions were recorded, making Kelly a 10 to 7 favorite.

make a tour of this country this summer, and Tom Vardon, the English player, who is to be at the Onwentsia club for four months, are expected to compete in the western open championship to be played over the Skokle course in September.

Manager Frank Chance is in a quandary as to what to do with Zimmerman now that Evers has returned to Chicago. Heine has shown such remarkably good form in the games thus far that it is really like a waste of good material to have him sitting on the bench.

Fans often complain because of the lack of hitting, and yet it is marvelous that there is so much of it in baseball. When it is taken into conusideration that the bat and ball are both round and that the latter is hurled toward the batter with great speed, not to speak of curves and shoots, the point of contact must be rather slight, and it is really to be wondered at that the ball is driven into far territory as often as it is. Fans growl about errors, but when one stops to think of it, it is remarkable that many of the hard-hit balls which hug the ground are fielded at all.

The Country club golf grounds are being put in better shape than ever this spring, several thousand dollars being expended in this direction. The management of the club proposes that the Salt Lake Country club shall have as fine golf links as there are in the west. The extension of the street rallway to the grounds is proving a marked convenience to members of the club and visiting friends.

The High school track team is hard at work nearly every afterboon preparing for the state high school track meet. The team this years is expected to be one of the best that has ever represented the High school. Under the direction of Coach McNiece a number of the boys are showing great form. The board of control has decided that the baseball game between All Hallows and the High school by the decision of the umpire, will have to be played over at the Granite High school grounds.

JACK ATKIN MAY NOT START IN BIG HANDICAP

Total 819 910 955 867

New York, May 12.-According hrosemen, Jack Atkin, the top-weight horse in the Metropolitan handicap, which is to open the racing season in the east at Belmont park tomorrow afternoon may not be a starter. It was commonly believed that he would be re-

commonly believed that he would be reserved for the Toboggan handican on Saturday. Jack Atkin, with the other three horses, carrying heaviest weights for the Metropolitan, nad been doling fine work on the Pacific coast during the last winter.

Racers at the principal tracks about New York have been working hard for the Metropolitan. James R. Keene's 3-year-old Turn Coat, galloped the Metropolitan distance of one nile easily in 1.33 yesterday. S. Emery's Arasee and Mary Davis in company, went the distance in 1.442-5. The fact that Jack Atkin in a trial went three-quarters of a mile in 1.193-5, led turfmen to believe that he would be reserved for the Toboggan.

Tobo E. Madden's much-talked of 3-

that he would be reserved for the Loboggan.

John E. Madden's much-talked of 3year-old Fayette, which last season was
rated next to Sir Martin, now a derby
choice in England, galloped a mile in
1.43, and as he has had the benefit of
a long early preparation at Washingten,
he is looked on as thoroughly fit. McIntyre will probably ride him. Haif Sovercign had an easy gallop of a half-mile
ansi is said to be ready. High Private
was given only a canter yesterday and
unless an improvement is shown today,
will be considered a doubtful starter.

JOHNSON SEEMS AFRAID.

Takes Particular Pains to Avoid Jim Jeffries.

Chicago, May 12.-Jack Johnson will leave for Philadelphia today to meet Jack O'Brien in a six-round bout before the National Sporting club next Wednesday night, without having met Jeffries for a fight talk. The negro has not seen Jeffries and according to Sam Berger, who is looking after the Californian's affairs, he has made it his business to stay away from the Jeffries headquarters.

"Jeffries and I would be perfectly will-ing to talk with Johnson if he came around," said Berger.

BROWNE FOR WASHINGTONS.

Chicago, May 12.—George Browne may play with the Washington American league club. The former Glant outlieder, who is slated for release by the Chicago National league team, has been in close conference with Manager Cantillon of Washington. Browne's home ig in Washington, and it is only natural that he would like to battle for the glory of his town folks.

Furthermore, Cantillon could use another hard hitting outfielder. Developments are expected in a day or so, Before Browne could go to Washington all the National league clubs would have to waive claim to him.

PRESIDENT PLAYS GOLF. Engages in Foursome Match Today

With Travis as Partner.

With Travis as Partner.

Washington, May 11.—President Taft tomorrow will play the most notable game of golf in his career up to this time, when, paired with Walter J. Travis, the former national champion, he will engage in a foursome against General Clarence Edwards, chief of the insular bureau of the war department, and F. Oden Horstmann, one of the cracks of the Chevy Chase club in this city.

Travis is here to take part in the open tournament of the Chevy Chase club. Last winter he called upon Mr. Taft in New York and spent almost an entire afternoon with him, giving his distinguished host a long dissertation on the ancient and honorable game, and how it should be played. It was on the occasion of this visit that Mr. Taft made his famous remark that he had imbibled as much golf from Travis as a "bumble puppy" might be expected to absorb from an expert.

The game tomorrow will be for "blood," and the itnimation sometimes heard that General Edwards has not yet put his best game forward against the president will vanish when the distinguished quartet tee off tomorrow afternoon. The president has not played for more than two weeks, however, and may be a little stale. The net score of the Taft-Travis team is likely to be a low one.

TURF AND FIELD CLUB A-BOOMING.

The Turf and Field ctub is going to be a popular institution this summer judged by the number of applications received for membership by the board of governors. The club will have the exclusive use of the colubhouse for its members during the period of the summer racing. The clubhouse is being built in the bungalow style and when completed it will be found to answer its purposes. Wide viewing balconies, buffet luncheons, good attendance, and pretty promenade lawn are some of the features being embodied in the layout. Salt Lakers have long felt the want of a turf and field for the reason that the organization will in time branch out and take up polo, chasing and other country club sports in which me noble horse plays an important role.

OGDEN RACE TRAIN SERVICE.

Treasurer W. H. Gleason of the Utah Jockey club and Passenger Manager Patton of the Bamberger route have agreed on a schedule for a special race train service from Ogden to Salt Lake during the forthcoming meeting at the fair grounds. A fast special train for the accommodation of racegoers will leave Ogden daily at 12:10 noon. On Saturdays and holidays extra train service will be arranged if needed. Ogden has gotten to be a crackerjack racing town and no doubt the Junction City sports will flock over to Salt Lake when the scene of racing shifts. General Manager W. W. Pinn announces the retention of Capt. Forse of the National Pinkerton Detectice agency to aid the Salt Lake police authorities in policing the fair grounds' course. Forse is one of the best known officers in the country. He has been employed by the new California Jockey club at Oakland for a number of years. In a letter to Mr. Pinn, the captain pays the local police department a high tribute. He says: "Salt Lake is one of the cleanest and best policed cities in this whole country."
