#### EDITORIAL NOTES.

The result of the census of St. Petersburg, taken on December 27 last, gives the total population at \$61,900. The previous census was taken in 1869, and in the twelve affidavit that the animal was imyears the population increased 29 ported for breeding purposes and so per cent.

The number of students at the University of Vienna during the past term was 4,828. This is the follows: largest attendance known there for two centuries, and places Vienna at the head of all the universities of Austria-Germany.

The Cincinnati Times-Star says: Some of the enthusiastic friends of Governor Eli Murray, of Utab, are giving him credit for the suppression of polygamy. But polygamy has as a devoted Prime Minister, guided not been suppressed, and it is diffi-cult-to understand what honor is due Ell for the legislation which

## contemplates its suppression.

Two men were mending a tank in a Louisville oil refinery. A red-hot bolt was dropped int, some tur-pentine which had been carelessly left in the bottom. The interior of the vessel was instantly affame. The workmen squeezed into the exit hole together. Neither would give way to the other, and toth could not pass through at the same time. The consequence was that they were The consequence was that they were fatally burned.
