ABE ATTELL AND TOMMY SULLIVAN

The Little Fellows Meet for the Third Time To-

night.

HEBREW A STRONG FAVORITE

Through An Agreement Weight Is Raised to 126 Pounds at 5. O'clock-Preliminary Bout.

San Francisco April 30.—Abe Attell and "Brooklyn Tommy" Sullivan will meet for the third time in the ring tonight at the Collseum. They fought a draw last September in Alton, Ill., while four years are Sullivan in while four years ago Sullivan is credited with having knocked out Attell at St. Louis

The Attell-Sullivan match, as originally made, was at 128 pounds at 5 o'clock. This weight Sullivan later found that he could not make and do justice to himself. He made this known, and through an agreement with Abe Attel, the weight limit was raised to 126 pounds at 5 o'clock,

The weighing in will be a mere for-mality, for Attell. He will be two and mality, for Attell. He will be two and possibly more points underweight, so he has nothing eyer which to worry.

There was no change in the betting last night, Attel still holding a two to one favorite, with some money offered at evens that Attell will knock out Sullivan inside of 15 rounds.

The preliminary will be botween Fred Landers and Johnny Frayne, two California lightweights, and is scheduled to go 15 rounds. Both lightweights have a large following and it is said there has been more money waged on this that on the meeting of the featherweights.
