

## COUNTING OF THE VOTES.

The County Court and the Recent Bond Election.

## THE RESULT NOW SHOWS.

Jed F. Allen Appointed Interim Superintendent—A Land Conveyance.

At yesterday afternoon's session of the County court, subsequent to the proceedings reported to the News, Christian Fox asked relief from a decree made in 1880, and the most strict was made to sell the same, so that he may repossess.

The application of Allen, Hall no longer lies at Brigham Junction was granted and land approved.

The petition of W. H. Falkenburg and 111 others, asking that school district No. 49 be subdivided, was deferred until April 10th and the clerk instructed to notify the county superintendent to present.

Ella Shaffer petitioned that certain land be reconveyed to her. It appears that petitioner needed to the county a strip of land four rods wide between Salt Lake City and the lake for the express purpose of boulevard or driveway between the two places. Subsequently she signed a petition to the county court requesting that the county might grant a right of way along the proposed boulevard to the Salt Lake & Los Angeles railway company. This was done and the conveyance of the land on the ground that the promises have not been carried out as made to her at the time she deeded the land to the county, and further that neither the county nor the railway company have given any assurances of any of the promises mentioned up to the present time. Referred to the county attorney.

As supervisor West was instructed to put in a thirty-foot road west of the Salt Lake-Kenosha road and highway No. 40, and the work was authorized to give an order on Selectman Cason for the necessary lumber.

A resolution establishing and defining the boundaries of the proposed school district and named site selected in Salt Lake County was read and adopted.

The application of Mrs. Mary A. Shaffer for liquor license was granted and the bond approved.
