Postponed.

NEW YORK, 2.—The sale, under an order of the U. S. Court, of the franchise and property of the Northern Pacific R. R. Co., which was to have taken place to-day, has been postponed until August 12; the reason for the adjournment is the incompleteness of the preliminary details of the conditions for the sale, and the desire of the commissioners to have everything so arranged as to avoid future embarrassment to the purchasers.

Respect to Johnson.

The board of aldermen to-day unanimously adopted the following—

"Whereas, this common council has learned with the most profound sorrow, of the death of ex-President Johnson, and as the sad event is one that should call forth a proper expression of the sentiments and feeling of the common council, the representatives of the people of this city, in view of the exalted character and public services of the deceased patriot and statesman, therefore

"*Be it Resolved*, that a special committee of three members of this board be appointed to prepare and present resolutions expressive of the regret of the people of this city for the death of the illustrious deceased, and to take such other and appropriate action as to them may appear best calculated to manifest our sorrow for the death and respect for the memory of the deceased ex-President of the U. S."

A New Trial in the Beecher-Tilton Case.

Judge Morris, counsel for Tilton this afternoon served a notice on Shearman and Sterling, attorneys of record for Henry Ward Beecher, to be prepared to answer in a new trial on the first Monday in September.

The O'Connell Centenary.

The *Herald's* London cable special says that the Earl of Desart, of Kilkenny, a liberal, denounces the O'Connell celebration as sectarian. The Fenian Amnesty Association of Dublin will parade on the occasion in mourning, because their countrymen remain in British dungeons. Trouble is feared if Lord O'Hagan delivers an oration. The Irish Conservatives shun the movement, and the indications are that Thursday will not pass without disturbance.

Public Debt Statement.

WASHINGTON, 2.—The total debt is $2,237,813,048; the total interest $27,110,460; cash in the Treasury, coin, $68,942,700; currency, $4,316,989; special deposits held for the redemption of certificates of deposit $64,270,000; total in the Treasury $137,529,670; debt, less the cash in the Treasury, $2,127,398,838; decrease of the debt during July $1,294 887; bonds issued to the Pacific Railway Companies, interest payable in lawful money, principal outstanding, $64,623,512; interest accrued and not yet paid $323,117; interest paid by the U. S. $28,202,807; interest repaid by transportation of mails, etc., $6,214,159; balance of interest paid by the U. S. $21,988,647.

Deaths From Yellow Fever.

The number of deaths from yellow fever at Barrancas is 25 out of 72 cases; there have been three new cases and one death since Saturday.

Terrible Damage by Flood.

TERRE HAUTE, Ind., 2.—A disastrous flood is raging in the vicinity of this city and various other localities throughout the State. The river opposite the city is fully three miles wide, and is still rising. Several small houses have floated down, and some live stock, and millions of bushels of wheat in stocks and shocks have floated past; a large quantity of hay has also gone down. There is little drift wood afloat, or the bridges could not possibly remain. The Clinton wagon bridge, fourteen miles above, is floating down on us, so is a saw mill. Over six million bushels of corn are reported drowned out between Terre Haute and Hutsonville, below Sugar Creek, and the township is wholly devastated, not a thousand rails, very little corn and no wheat being left in the township. Every house in Bloomtown is inundated. Markel's mill dam, five miles west, has broken away; seven houses in Reelsville, on the Vandalia road, together with three miles of embankment, have been washed away. Not a train on any of the railroads left this city, except the passenger train to Vincennes, and it returns with no communication from below. We shall have no communication in any direction, and no mails for four days at least, there being no less than thirty bridges, besides trestles and embankments, completely gone on the E. & C. Every trestle between Oaktown and Hazleton is either badly injured or swept away. An engine was overturned by a bank giving way, but no one was hurt. On the Vandalia road the iron bridge at Carterburg, the Craz Creek bridge, the Big Sugar Creek trestle, the Eagle Creek bridge and a large bridge at Reelsville are all gone; seven bridges are gone on the E. J. H. & C., between this city and Newport. There are several very serious breaks on the Logansport road, and the I. and St. Louis road is in a bad condition. The bridge at Fern is nearly all gone. The Edgaris bridge is gone, and the Wabash trestle is injured and the river is still rising.

CANADA.

Eulogies of Johnson—An Official Thief.

TORONTO, 2.—The morning papers contain eulogistic obituary notices of ex-President Johnson. The *Mail* says that in intellectual capacity he was not to be placed beside Jefferson, Adams and other fathers of the republic, but he had much of their spirit of personal patriotic virtue, and we may say that he was the last American President of the old school. The *Globe* says that he must now be numbered with other great men whose lives were shortened as the result, directly or indirectly, of the fierce and terrible struggle through which the nation passed.

MONTREAL, 2.—It is reported that the Hon. L. H. Dessaules, joint clerk of the crown, absconded on Saturday, leaving unprotected paper to the amount of $100,000, of which $75,000 is said to be forgeries of a well known name; Dessaules has been engaged heavily in patent rights, and is said to have lost a large amount of money on them.

$40,000 Fire.

ORILLIA, Ont., 2.—Several million feet of lumber were destroyed by fire this afternoon, at the Georgian Bay Lumber Co.'s mills, Port Severn, caused by sparks from a passing steamer; loss $40,000.

WESTERN.

Seized by Mexican Rebels.

SAN FRANCISCO, 2.—The schooner *Lucifer*, belonging to J. P. Hall, of this city, was seized in Magdalena Bay, July 7th, by Mexican rebels, to escape the federal troops; they put the crew in irons and set sail, and nothing has been heard of them since. Some U. S. troops were on a vessel in the Bay at the time, but the commander declined to interfere, the schooner being under the Mexican flag.

Australasian News.

Australasian news by the *Mikado*, to July 3d.

VICTORIA.—The steamer *St. Osyth* had arrived at Melbourn, forty-five days from England. Railway construction had been impeded by heavy rains and floods. The O'Connel Centenary was to be celebrated by a banquet and procession. The gold yield is less than last year, though the average earnings of the miners is greater than for many years past.

QUEENSLAND.—The Chinese difficulty is assuming formidable proportions; there was great opposition amongst the miners to their presence in the colony. A petition to the Queen for the annexation of New Guinea has been passed by the Assembly and Council.

SOUTH AUSTRALIA.—The policy of the government has been declared in favor of inter-colonial free trade.

NEW ZEALAND.—Fearful gales have prevailed on the coast, and many disasters are reported. The schooner *success*, of Auckland, was lost in Cook's Straights, with all on board. Dunedin has decided to offer an engagement to Moody and Sankey. General agricultural news from all parts of Australia is favorable on the whole, though much damage has been occasioned by snow in the mountains and heavy rains on the coast.

FOREIGN.

GREAT BRITAIN.

A Gentleman Scoundrel Splendidly Served.

CROYDON, 2.—The trial of Col. Baker, was concluded this p.m.; he was found not guilty of attempting to ravish the complainant, but guilty of an indecent assault and was sentenced to imprisonment for twelve months and to pay a fine of 500 pounds and the costs of the prosecution.

Fears of War Dispelled.

LONDON, 2.—Advices from Rio de Janeiro report that the Argentine government has made a moderate and pacific reply to the Brazilian note in regard to the Paraguayan treaties, and the fears of war have been dispelled.

AUSTRIA.

Movements of the Insurgents.

VIENNA, 2.—According to intelligence received from the camp of the Herzegovinian insurgents, a number of engagements with the Turkish troops have taken place during the last three days, the first along the left bank of the river Narenta, and subsequently at Kaba, Stalatz, Nevelgne and Drenovace. The Turks are reported to have lost three cannon and eighty rifles. Poprobije has also risen. Seven hundred insurgents intend occupying the road to Toebigne. The insurgents expect the inhabitants of Suma and of the frontier of Montenegro to arm themselves and thus be enabled to besiege Trebigle. The object of Prince Milan of Servia in coming to this city was to see his mother, and to consult with a physician about a throat disease. The absence of the court and of the foreign office officials negatives the conjectures that the Prince's visit has a political motive.

FRANCE.

Bills Passed.

VERSAILLES, 2.—The Assembly, to-day, passed a bill constituting the Senate, and the Channel Tunnel bill.

PRUSSIA.

International Rifle Match.

BERLIN, 2.—The German federal rifle meeting opened at Munich, yesterday; marksmen from the United States, Russia, Austria, and Switzerland will take part in the contests.

SPAIN.

Cannonading Continued, &c.

MADRID, 2.—Official dispatches report that General Martines Campos continues the cannonade of Sen de Urgel. The Carlist General Sebalis and Dorregary have attempted to descend on to the plain before Barcelona, but were met by Alfonsist forces under General Weiler, and retreated to the mountains.
