

1882!

VICTORIOUS!

OSBORNE

SELF-BINDER,

Master of the Harvest.

IT HAS NO EQUAL!

READ THE VERDICTS:

July 26th, 1882.

We, the undersigned, farmers of Alpine, Utah Co., having this day witnessed the operation of the Osborne Twine Binder, in Wheat and Oats, do affirm that it did the most perfect work we ever saw done by any Self-Binder. The cutting was absolutely clean and the grain was tightly bound.

We do not see that any imperfection exists in this machine.

ALPINE, Utah, July 26, 1882.

We proposed to D. M. Osborne & Co., that if they could, by actual field trial, demonstrate to our entire satisfaction that their Twine Binder would do better work and tighter binding than the Wood or McCormick Binders are doing, then we would purchase an Osborne.

This proposition was readily accepted by D. M. Osborne & Co., and we are pleased to state that their Machine has demonstrated its superiority to our fullest satisfaction and we have purchased an Osborne through T. P. Lund, Agent at Pleasant Grove.

- C. M. BECK, W. T. BROWN, HYRUM HEALY, J. S. BECK.

At the trial above mentioned three Osborne Binders were sold on the field, two of which were purchased by parties who had taken McCormick Binders on their merits, and condemned them on account of the very bad work performed.

SALT LAKE CITY, UTAH, July 24th, 1882.

We started our Osborne Twine Binder to-day in heavy oats on the farm of Fredk. Reich, and after testing it thoroughly we find it without a single defect. The cutting is clean, binding tight, and the knot perfect. It does the best work we ever saw.

- B. ADAMS, DANL. ADAMS.

We witnessed the working of the Osborne Binder above referred to, and freely bear testimony that we never saw its equal. The bundles are tightly bound and every knot perfect.

LAURIN, Montana, July 25, 1882.

I have twenty-eight positive orders for Osborne Binders, and prospect for more. The whole troop of other binders set on fire, and don't you forget it. Do not fail to supply my orders.

LEE GOETSCHINS.

The following telegram was received by Farr Bros., agents of Osborne Machines at Ogden:

COLLINGTON, Ut., July 26, 1882.

Osborne Twine Binder grand success. Twelve acres cut and no bundles missed.

C. W. ORTH.

COLLINGTON, Utah, July 26, 1882.

We have cut and bound about twelve acres of heavy rye with our Osborne Twine Binder, and during all this time it did not miss a bundle. The cutting, elevating and binding are without defect. Our neighbors who have seen it work say they would have no other machine.

WM. TWITCHELL, HARRY G. JEMMETT.

WILLARD, Box Elder Co, Utah, July 28th, 1882.

My Osborne Twine Binder started to-day in heavy green wheat. It works to my entire satisfaction and more that fills the warranty.

PETER A. NEBEKER.

"We have seen Mr. Nebeker's binder work and fully indorse his statement, we could not ask for anything better.

CHERRY CREEK, Oneida Co., Idaho, July 27th, 1882.

I am well pleased with the work done by my Osborne Twine Binder and can honestly recommend it to the farmers of Idaho.

BISHOP J. D. JONES.

After thoroughly examining the work done by Twitchell & Jemmett's Osborne Binder, we cannot

speak of it in too high terms. It does not miss a bundle and is a complete success.

Our Osborne Binder works to perfection. We never saw its equal.

Mr. Robert Gould, book-keeper for Walker & Maxcy, who are lumber dealers, recently said to our representative: "About one year ago I was taken with the genuine sciatica. I employed the best physicians, but they could only relieve me for the moment. Finally I used St. Jacobs Oil and it effected a complete cure." Kennebec Reporter, Gardiner, Me.
