

CLIPPINGS.

—The assets of Omaha city, Nebraska, are reported to be 1 engineer's level; 1 engineer, transit; 100 feet of chain; 1 steel tape line; 1 measuring rod twelve feet long; 18 feet of railing; 1 desk, 2 benches 16 feet long; 6 chairs and some city lots.

—One of the New York Fernando Wood Delegates to the Charleston Convention, as reported has gone over to England to witness the fight between Heenan and Sayers instead of attending the convention.

—On St. Patrick's Day, in the Saint's Church, Washington city, Father Garvey, of Pennsylvania, preached from the gospel found in the 6th chapter of John from the 1st to the 15th verses. The choir sang the 12th mass of Mozart.

—The birthday of the Hon. S. A. Douglas is the 23d of April, the day for the meeting of the Charleston Convention. The birthday of the Hon. Wm. H. Seward is the 16th of May, the day for the meeting of the Chicago Convention.

—There was but one death reported from gout in Massachusetts, during the year 1858. In seventeen years and eight months, ending in 1858, only 41 persons died of this disorder, while 652 died of rheumatism.

—If the Republicans go SE-WARD, in the approaching canvass, they will probably have to fish without *Bates*, says some punster, who ought to be Ketch-ed.

Gen. Barrios has been elected President of San Salvador.

—The Boston Aldermen have referred to the Committee on the Fourth of July Celebration, the proposition of John La Mountain to start from that city with a balloon on the Fourth, for a trans-Atlantic voyage to Europe.

—New England covers an area of 65,000 square miles, has 1,400 towns, and a population of 3,000,000.

—Three hundred women of the town of Aylesbury, England, have forwarded a petition to the House of Lords against the legalization of marriage with a deceased wife's sister, on the ground that such marriages are calculated to destroy the freedom of family intercourse. On the other hand four hundred and twenty-eight have signed a petition in favor of the measure.

—The German Catholics of Cincinnati, have contributed \$182,000 to replace in the Pope's treasury "the funds sequestered by the machinations of the usurpers of the rights and patrimony of the Holy See."

—The impression prevails at Washington that the President will appoint Charles Mason, of Iowa, late Commissioner of Patents, to be Superintendent of the Census.

—The old project of forming a new state out of Northern Mississippi, Western Tennessee, and the extreme western point of Kentucky has been revived, and the Tennessee legislature has given it its sanction. The proposed state would be bounded by the Tennessee river on the east, through the States of Kentucky and Tennessee, and by the Mississippi on the west, and would contain a population of about 700,000.

—They are trying two kinds of iron pavements in St. Louis.

—The Grand Jury of Jefferson county, N. Y., presents as a nuisance the army of vagrants and petty criminals that crowd the poor house and jail. The jury recommend that measures be taken to set them at work, and thus lessen the public burdens.

—An affray at Jefferson city, Mo., between two prison employees, resulted in the almost immediate death of both on the 17th.

—It is said that a new Roman Catholic diocese is to be formed in the northern part of New York, the bishop to reside at Watertown.

—The Alabama Legislature has passed a law compelling Northern insurance companies to pay \$500 to each town in the States in which they effect insurance. It amounts to a prohibition.

—The town of Schiedam, in Holland, has a population of about twelve thousand five hundred, a large portion of whom are engaged in the herring fishery. The manufacture of gin, for which it is particularly noted, gives employment to over two hundred distilleries.

—There were two shocks of an earthquake experienced in various places in Massachusetts about the 20th of March.

—In the English agricultural papers are advertisements of a great company in London, who manufacture manure from blood. They state that the number of beasts, sheep, horses, calves and pigs slaughtered in 1856, was 821,705; that the yield of blood from these was 802,000 gallons, of which Adams' Blood Manure Company received 771,000.

—The artificial breeding of fish has recently been successfully attempted in Canada. The Legislature of Canada passed a fishery act two years ago, and appointed two superintendents of fisheries.

—The Dallas (Texas) Herald mentions the death of Mrs. Elizabeth Crockett, widow of the celebrated Davy Crockett, in the 74th year of her age.

—Some of the identical lot of tea which was thrown overboard in Boston Harbor in 1770 is in possession of Mr. Charles Hosmer, of Hartford, Conn. This specimen was gathered up on the beach of Dorchester the succeeding day.

—The Pennsylvania delegation to Charleston have contracted for the steamer Keystone State to take one hundred passengers from Philadelphia and back, between the 18th of April and the 1st of May, and furnish them on board, during that period, for \$80 each.

—A merchant who lived at Baton Rouge, Louisiana, and who was once worth \$150,000, was arrested for vagrancy lately, having in five years, gambled away his entire fortune.

—The Canadian Postmaster General has issued an order to all Postmasters in Canada West, relieving them from any further obligation to open their offices on Sunday.

—The New York Legislature have passed a law prohibiting Sunday exhibitions in New York city. The Germans protest.

—Captain C. P. Kingsbury, U. S. A., is announced to deliver a lecture in Richmond, Va., on the "Military strength and weakness of the United States."

—It is stated that the Messrs. Conrad have concluded to make Portland the terminus of their line of steamers, instead of Boston, as at present.

Hall's Sarsaparilla Yellow Dock and Iodide of Potass is prepared from the finest red Jamaica Sarsaparilla and English Iodide of Potass—admirable as a restorative and purifier of the blood, it cleanses the system of all morbid and impure matter—removes pimples, boils and eruptions from the skin—cures rheumatism and pains of all kinds—All who can afford should use it, as it tends to give them strength and prolong life. Sold by Druggists generally, at \$1.00 per bottle.

R. HALL & CO.,
Proprietors, Wholesale Druggists, 143 and 145
S-6m. Clay street San Francisco.

Great Salt Lake City Ordinances.

[No. 23.]

An Ordinance in relation to Trespass, and Animals running at large.

SEC. 1. Be it ordained by the City Council of Great Salt Lake City, that any person who shall take down a fence and expose any enclosure, or ride, drive or walk across the premises of another, without permission of the owner or occupant thereof, shall be liable to pay all damages, and a fine in any sum not less than one, nor more than one hundred dollars for each offence.

SEC. 2. No cattle, horses, mules, sheep, goats or hogs shall be allowed to run at large within the limits of this city, all such animals so found shall be liable to be taken up by any person and driven to the city pound, and the owner to pay all damages done by said animals; which damages shall be appraised by three competent persons.

SEC. 3. Nothing in the preceding section shall be so construed as to prevent any of the citizens from herding milch cows, work cattle, horses, mules, or other animals on the unenclosed lands within said city, north and east of the city wall.

Passed April 20, 1860.
A. O. SMOOT, Mayor.
ROBERT CAMPBELL, Recorder.

[No. 40.]

An Ordinance regulating the Measurement of Mason Work, Plastering, Paving and Cut Stone.

SEC. 1. Be it ordained by the City Council of Great Salt Lake City, that all walls of mason work, whether of stone or adobe, shall be measured as solid; also all flues, fire places, ovens, boilers, cooking ranges, grate settings, furnaces, copper settings and other like works.

SEC. 2. That a perch of mason work shall be sixteen and a half square feet, including openings; and that adobe, each twelve inches long, five inches and three quarters wide, and four inches thick, shall be when laid in a wall, one foot.

SEC. 3. That all paving, flagging, plain plastering hard finish, and rough casting including openings, be measured by superficial measurement; also, all cut stone, plain toolled, such as door steps, door sills, coping and hearth stone, those parts only which show when set; and that all window sills, caps and water table be measured by running measurement.

Passed March 27, 1860.
A. O. SMOOT, Mayor.
ROBERT CAMPBELL, Recorder.

[No. 41.]

An Ordinance relating to Animals running over the Jordan Bridge.

SEC. 1. Be it ordained by the City Council of Great Salt Lake City, that no persons shall be allowed to ride or drive any animal faster than a walk across the bridge over Jordan river, on North Temple street.

SEC. 2. And be it further ordained that no person or persons shall be allowed to drive upon said bridge, more

than twenty head of cattle or horses, or one hundred head of sheep, or more than one loaded wagon at the same time. Any person not observing this ordinance shall be liable to a fine of five dollars for every such offence, and pay all damages.

Passed March 27, 1860.

A. O. SMOOT, Mayor.
ROBERT CAMPBELL, Recorder.

Died:

In this city, of inflammation in stomach, April 21st, 1860, LOUISA EMILY, daughter of Thomas R. G. and Harriet Welch, aged 1 year, 6 months, 21 hours.

J. D. ARTHUR & SON,
Corner Washington and Davis Streets, San Francisco,
S-3m California.

NOTICE TO BRIDGE BUILDERS.

SEALED PROPOSALS will be received until the fifth day of May next, for BUILDING A BRIDGE across the Weber River, in the county of Weber, Territory of Utah. The bridge is to be 104ft. in length and 14ft. wide in the clear, supported by two abutments of wood and a pier, the abutments to be 96ft. apart, 20ft. long, with wings properly dovetailed and tied, and sunk 4 1-2 ft. below the bed of the river, and to be filled in next to the same with rock. The pier to be constructed with a sill 14 X 20 in., 30 ft. long, 10 posts 20 X 20 in., 15 ft. long, a cap 18 X 20 in., 22 ft. long, with braces 20 X 20 in., 15 ft. long, to be braced properly, and the sill sunk also 4 1-2 ft. below the bed of the river.

The bridge is to be divided in two sections, 52ft. in length, each supported by a truss, the string pieces to be 13 X 16 in., 52ft. long, two to each section, which are to be connected together with bolsters (6 X 13 in., 6ft. long) and screw bolts.

The timber required for each section not already specified will be 4 queen posts, 13 X 16 in., 12ft. long, to be 11 ft. apart, with two ties between them, 12 X 16 in., 12 ft. long, 2ft. from the top; also, 4 diagonal braces, 8 X 12 in., 14ft. long; 4 principal braces from the queen posts to the string pieces, 13 X 16 in., 20 1-2 ft. long; 4 braces 8 X 12 in., 8 ft. long, extending from the queen posts to them; 4 posts 8 X 12 in., 6ft. long, to be between the string pieces and main braces, and a rod or screw bolt (1 3-4 in.) to go through the main braces, post, string piece and cross beam; 2 cross ties or beams for the road timbers 10 X 14 in., 24 ft. long; 2 do., 10 X 14 in., 17ft. long under the string pieces, which are to be supported by straps and screw bolts through the queen posts and uprights; 6 road timbers, 8 X 10 in., with diagonal braces across the same, 2 in. thick; two of the road timbers of each section to be connected together with screw bolts—all of the principal braces to be properly strapped and bolted. Planking, 3 in. thick, to be properly secured; balustrade, 4 ft. high, consisting of horizontal rails, the top rail to be 6 X 6 in., and the others 4 X 6 in., stayed by uprights and braces on the outside.

The queen posts are to be capped with 4 braces to a cap. The timber of the whole structure to be the best quality, STRAIGHT-GRAINED RED PINE. The whole to be completed, including the filling in of the abutments, so that wagons may cross the same by the 1st of October next.

Persons desiring to see a sketch of the plan can do so by calling upon Judge Farr, at Oaden City, or the subscriber. Address, THEODORE MCKEAN, Territorial Road Commissioner.
G. S. L. City, April 23, 1860.—S-2

A CARD FOR THE Spring & Summer Clothing Trade OF SAN FRANCISCO.

BADGER & LINDENBERGER

No. 105 and 105, Battery St., San Francisco, Importers and Wholesale Dealers ENTIRE NEW AND FRESH STOCK.

WE would call the attention of Country Merchants to our unusually large stock of goods. Our stock comprises every article in the Clothing and Furnishing Line. We have constantly on hand the largest stock and greatest variety of Cassimere, Wool and Straw Hats of any house in the city, and our prices for these goods are less than those of any other house, as we receive them direct from the Manufacturer on Consignment. Our stock of Spring and Summer Goods is particularly attractive, and the great feature to the Country Merchant is the unusually low price—less than the cost of importation. We also keep the Staple Articles in the Dry Goods Line, which goods we have purchased in this market under the hammer and are offering them at New York cost and less.

We publish this Card in order that we may make acquaintances, and induce those who have not heretofore purchased of us, to call and inspect our stock. All that we ask is an opportunity to show the goods and name the prices, and we have no fear of the result. Good articles and low prices are the great inducement to all who purchase to sell again. Merchants who buy of us can make a good profit and sell to their customers at a low figure.

Respectfully, your ob't servants,

BADGER & LINDENBERGER,
Wholesale Clothing and Hat Warehouse,
S-3. 105 & 105 Battery st., San Francisco.

TREADWELL & CO'S

LIST OF MACHINES, for the Harvest of 1860.

REAPERS.

Manny's celebrated REAPER and MOWER combined. Made by Woods, of Hoosic Falls; made in 1859 stronger and better than ever before; cuts six feet; snugly packed for shipping to remote districts. Made expressly for Treadwell & Co., San Francisco.

McCORMICK'S REAPER, with new improvements, made in 1859, being the latest and best machines ever turned out by him. Six feet cut. Made expressly for Treadwell & Co., San Francisco.

HUSSEY'S REAPER, substantial and effective machine.

BURRALL'S REAPER, a good and enduring reaper.

SEYMOUR & MORGAN'S or N. Y. REAPER. A fair machine. Cuts six feet.

KETCHUM'S MOWER, does not reap. Cuts five feet.

EAGLE REAPER and MOWER—can motion. Cuts five feet.

WOOD'S MOWING MACHINE—a splendid two horse machine.

WOOD'S SWATH—A new machine, worked by two horses from behind, can be raised and lowered to suit.

HARVESTERS:

HAINES' ILLINOIS HARVESTER—a most desirable machine. Cuts ten feet, and is twice as effective as reapers, at same expense of running.

THRESHERS:

TREADWELL'S 10 HORSE, made after the Russell pattern, by Spencer. A very superior machine. SPENCER'S 10 HORSE Celebrated THRESHER, with Perigo power—better made than ever. RUSSELL'S 10 HORSE Celebrated THRESHER, made at Massillon, Ohio.

PITT'S Pattern 10 HORSE and 8 HORSE THRESHERS, made by Nourse, Mason & Co. HALL'S 8 and 10 HORSE THRESHER, Smith's power.

WHITMAN'S 5, 6 and 8 HORSE THRESHERS, far superior to any other machines of the sizes.

EMERY'S 2 and 4 HORSE THRESHERS, a very simple and durable machine.

HORSE POWERS:

PERIGO'S 8 and 10 Horse Powers. PITT'S 8 and 10 do. do. SMITH'S 8 and 10 do. do. WHITMAN'S 2, 4 and 6 do. do.

Together with the best stock of Hardware, Agricultural Implements, Mills, Belting, etc., in the country. The machinery comprises the very best kinds in use, and greatly improved in make and adaptability to the California market.

For Sale Low, by
