THE INAUGURAL BALL LAST NIGHT

Unanimous Opinion That it Was the Most Brilliant Social Function in the History of Salt Lake—A Scene of Dazzling Beauty.

The ball given at the Theater last night in celebration of the inauguration of the Governor and other State officers, was the most brilliant affair ever witnessed in Salt Lake. The interior of the building under the hands of the decorators was transformed into a scene of dazzling radiance and it was the opinion of all present that the affair in its entirety exceeded any other event of the kind that has been known in Salt Lake. The national colors prevailed in the scheme and the balconies, columns and proscenium were draped in red, white and blue flags, bunting and electric lights making a blaze of color. The stage was set with a Louis XIV interior and at the rear through the arches of the balcony could be seen the gleam of camp-fires and stacked arms surmounted with flags, with tents and swiveling kettles completing the realistic camp scene. The three stalls on the right were canopied with flags and transformed into a charming nook for Governor Wells and his staff and party. On the proscenium arch the letters of the word Utah were formed with electric globes. On each side of the house parallel with the balconies was a big flag done in electric lights, and at the end facing the stage was an electric beehive in the red, white and blue. Streamers of electric lights were strung from the first balcony to the center of the ceiling, and were caught there with a great electric star.

The superb effect was the work of the International Electric company and was the subject of praise from all present. The floor was made of polished wood, and the orchestra, which banked the musicians' stand in the south end of the hall and literally lined the walls of the ball room. The music furnished by the orchestra was of the highest quality. Preceding the dancing a program of choice music was rendered, and the selections throughout were inspiring enough to have made the strains of America were played and Governor Wells and his sister, Mrs. Edna Wells Sloan, appeared, followed by the State officers and members of his staff. They were seated in the center of the stage and seated themselves. A few moments later the grand march was formed, Gov-

ernor Wells leading with Mrs. Sloan and followed by Chief Justice and Mrs. James A. Miner, with members of the staff and national guard with their ladies. With the waltz, which finished the first number, the dancing commenced and from then until long after midnight the scene was one of ceaseless festivity. The parquet and first balcony were filled with spectators and in the space behind the chairs little groups of spectators and numerous politicians formed and discussed anything but the coming senatorial contest. The program of dances comprised the following list and many others were interpolated at the request of the dancers:
