18 INFESTED with them. For months they have been flocking hitner from pastures like Wit-

chits and Los Angeles, where a reac-tionary, anti-boom blizzard has killed the gress upon which they feed.

A horde of adventurers have come

among our citizens, who started out to get a living by their wits, but failing from a lack of capital, have failen back

upon the cheek with which nature has iavishly supplied them. One of this

point out to me the actual indefatig-

able workers in the Church of Christ.

Who are the ones who are gen-erally found plodding around the blocks visiting the Saints and exhort-

ing them to be faithful, true and vir-tuous? Who are the persons who as-semble in quorums to teach each other the laws of the Lord? Who are the

Seventies and Elders who are traveling

without purse and scrip, footsore and

weary, bearing the contumely of the world and its buffetings, carrying their lives in their hands? Don't all speak at once and say the rich and powerful in a worldly sense! I will answer by asking another question—is it not the poor and the meek of the Church as a

rule? Is it not those who in a werdly

sense are the least able to do it, but

who in a Gospel sense are the most able because of their wealth of faith?

SALT LAKE CITY, March 24. UNPARALLELED PRESUMP-TION.

Editor Deseret News: Everbody says we are having "boom." I presume that what every body says must be true; but it looks to Editor Deseret News: We have heard wonderful things o me like a great deal of fizzing among real estate agents. Such a "boom" late among them, "Let us alone while paupers. means a temporary excitement in the we gobble up Arsenal Hill and the

transfer of property, money for speculative agents, and then a collapse. Some claim that it will be a great penefit to our Territory. In what? Placing fictitious values on real estate, or in making people outside believe can have more corner lots to speculate

present hubbub. A "boom" is of no value to any com-

unyielding faith, against the corrupting influences which are sapping the foundations of so-called Christian society, and which, if allowed to pre vall among those who are in covenant

to," and never getting there. "We will have the blocks cut up and opened for business." Yes, and do as we have done, sit still, waiting for the business to walk around and fill up the THE interviews given in Wednesday's

cific put a few surveyors in the field,

and the other seemed to have got out

so fast that it left not a trace behind.

There are two occurrences of re-cent date that indicate the shallowness

of the foundation on which the "boom" is permitted to rest, and go

to show the necessity for the adoption

of means to increase home production

and give employment to many idle

persons. Une of these is the case of a

young man now in the penitentiary, Charles Sayler. Last October he came

to Utah, hearing of the "good times.

He brought with him his young wife and hoped to make a start in life. H

sought employment, but in vain. At

every point he was turned aside with the information that all places

were filled. Month after month he

met with this discouragement, and

grown desperate at last, he forged a check to obtain means of subsistence

class will enter the house of a citizen, aod inquire if the premises are for sale. On being answered "No," he will reply: "Never mind, I'll just hang on the fence a notice that it is for sale, at my office, and I'll get a satisfactory price for you," adding men-tally that a fellow wao lives by mak-ing sales of real estate must make corner lots. "We are to have a big Chamber of Commerce building." Oh, yes-"Boom!-Bang!-Fizz!" It's on pasales somehow. The land-jumping scheme
