

POISON FOR RATS REACHED THE PIE

Sheriff Tells of Version of Mrs.
Bruce in Noted Mur-
der Trial.

ENOUGH TO KILL SIXTEEN.

State Chemist Says Amount of Strych-
nine Found in the Fruit
Was Excessive.

(Special to the "News.")
Evanston, Wyo., April 10.—That the
pie eaten by James Bruce contained
sufficient strychnine to have caused
the death of 16 men, was a statement
made by State Chemist Knight today
while testifying for the prosecution in
the Bruce murder trial. Part of the
liver, the kidneys and the stomach of
the dead man were exhibited in court.
Other witnesses of the day for the
state were Mrs. Charles H. Peterson,
sister of the deceased; W. C. Delaney,
deputy sheriff; D. G. Thomas and
Sheriff Jones. Mrs. Peterson said that
she had been told by Mrs. Annie Bruce
that there was no poison at the ranch,
but there was some at the Bruce store.
It was on a top shelf, and prints in the
dust upon the shelf indicated that the
person who removed it had a small
hand. Mr. Delaney swore that no in-
fluence had been exercised to induce
Miss Annie Bruce to make a confession.
The defense was criticized for an al-
leged talk that Atty. Bagley had with
Mr. Delaney outside the courtroom.

ANOTHER VERSION.
Sheriff Jones narrated the version of
the death of Mrs. Bruce as told to the
officer by Mrs. Bruce. It was substan-
tially to the effect that her husband
asked for some cheese to use for bait
for rats, but as she had no cheese, he
went to the store and mixed strychnine
with some fruit. This he took to the
ranch. She had previously told him
to bring all the pie tins at the ranch
back with him, which he did, bringing
also the poisoned fruit. Five pies were
made by her that evening, she said,
and not having enough fruit for the
fifth one she by mistake got hold of
the poisoned strychnine. The pie made
from it happened to be the one taken
for lunch by her husband.

High School Organization, 250 Strong,

If present plans are carried out there
will be a meeting of several prominent
citizens tomorrow afternoon to consider
the proposition of sending the High
School cadets 250 strong to San Fran-
cisco to take part in the ceremonies
incident to the arrival of the fleet of
battleships in the bay next month.
It is argued that the splendid mili-
tary appearance of the youngsters will
be a good boost for Salt Lake City and
furthermore the boys will receive an

HOSPITAL TO REOPEN.

Session of City Council—Choir Mem-
ber Surprised.

Murray, April 11.—Much regret was
expressed in closing of the Murray
hospital about the first of the year, oc-
casioned by the shut down of the smel-
ters, but it is evident that it is to be
re-opened with better accommodations
and equipment than heretofore. Miss
Nena Williamson and Miss Janet Gray,
two practical and capable nurses, have
made the announcement that the Mur-
ray hospital will resume operation
April 15, under their direction. Miss
Gray has been superintendent of that
institution for the past two years, and
is acquainted with every detail of its
work. Both nurses are graduates of
the Keogh hospital.

Some improvements and repairs are
being made, and a new feature is now
being provided—a special department
for maternity.

The hospital staff will consist of Dr.
Rothwell, Dr. Odell, Dr. Bird, Dr. Hos-
mer, Dr. Ferrebee, Dr. Rauecher, and
the institution is open to all others
of the profession who may desire to
have patients treated there.

CITY COUNCIL.

The residents of Murray street in
a petition call the council's attention
to the many pools of stagnant water
on that street, and ask that improve-
ments be made so that this unwhole-
some condition may be abated.

The committee on city laws submit-
ted a revision of ordinance Sec. 209,
pertaining to the fire limits. An ordinance
relating to the catching of dogs was
considered and passed.

Bids for the sprinkling of streets
were accepted as follows: Dist. No.

outing, and education which will re-

It is estimated that the cost of trans-
portation and entertainment of the
cadet corps will reach the neighbor-
hood of \$6,000 and as a number of par-
ents of the boys are not in a position
to stand the expense there is every
probability that public spirited citizens
will assist in giving this well drilled
organization a chance of recognition
among the numerous military organiza-
tions which will take part in the pa-

the subject was broached at once said,

said, went into a store at 24 West Third

and while an opportunity afforded, took
a suit of clothes, two suits of under-
wear, several neckties and a pair of
suspenders. He took the plunder into a
room in Commercial street, called a
messenger, and had it sent to the sa-
loon, where he was caught. The de-
tectives were waiting for him and got
him when he appeared to claim the ap-
parel and furnishings.

DEATH OF MISSIONARY.

Body of John A. Southwick Arrives
From New Zealand Tonight.

The remains of John A. Southwick,
who died in New Zealand while per-
forming missionary work, will arrive in
Salt Lake tonight at 7 o'clock, coming
over the Oregon Short Line from Port-
land. Accompanying the body is
George B. Andrus, of Mill Creek. Fun-
eral services will be held Monday, com-
mencing at 1 o'clock in the Lehi tab-
ernacle. A large number of people will
go from this city to attend the obse-
quies, and from a list of late associ-
ates of the deceased in the mission
field, the pallbearers will be chosen,
as follows: Louis G. Hoagland and
James King of Salt Lake; George W.
Talmage of Provo; Ray Gudmundsen of
Iona, Idaho; Wilford M. Knudsen and
John S. Evans of Lehi.

Elder Southwick was about to be re-
leased to return home when he was
stricken with typhoid fever, which ter-
minated his life on March 12. For some
time he had been president of the
Thames and Tauranga conferences, had
been in the field nearly three and a half
years, and had performed an excellent
work. The deceased was born at Lehi,
Feb. 20, 1853, but was a member of the
Springville First ward when called to
go on a mission. At that time he was
a student at the Brigham Young uni-
versity in Provo. The names of his
parents are Edward and Ann Maria
Taylor Southwick.

Elder Andrus and his charge arrived
in Portland Wednesday morning, the
remains being one day ahead of time.
Had it not been for the courtesy extended
by the officials of the Union Steamship
company the body would have had to
remain over in Auckland at least a
month. The bookings were all closed
before application was made for the
return of Elder Andrus and the ship-
ment of the remains, but the company
made extra provisions to permit the
transportation. The body is encased in
a solid oak casket, with lead lining.

\$500 REWARD FOR GARCIA.

Gov. Cutler Issues a Proclamation as
Inducement for Capture.

Gov. Cutler this morning issued a
proclamation offering a reward of \$500
for information leading to the capture
and conviction of one Joe Garcia, alias
Joe Cordova, alias "Chink," suspected
of complicity in the murdering of Po-
lice Officer Charles S. Ford on the
morning of Dec. 14, 1907.

Garcia, according to several com-
munications alleged to have been re-
ceived from him by the attorneys for
Joe Sullivan, was recently at Park City.
This is not credited, however, and his
whereabouts still remain a mystery to
the state and county officers.

C. F. HALL ARRESTED.

Makes Dash for a Coal Shed for the
Second Time.

Charles F. Hall, the man who slashed
his throat with a razor rather than be
placed under arrest for petit larceny,
was captured last night by Detectives
Chase and Hurt. Hall was charged
with stealing from Mrs. Mary Le Pro-
hon and when he left St. Mark's hos-
pital was arraigned before Judge Diehl
on the charge of petit larceny. He was
permitted to go on his own recogni-
zance pending a settlement of the case.
When the time arrived for Hall to ap-
pear in court he did not show up and
Judge Diehl promptly issued a bench
warrant for the man's arrest. He
evaded the police until last night when
the detectives learned that he was in
a house at 103 West First South
street. When the officers arrived Hall
dashed out a side door and tried to
escape. He was followed to Third
South and First West where he was
found hiding in a coal shed.

One of the Important Duties of Physicians and the Well-Informed of the World

is to learn as to the relative standing and reliability of the leading manu-
facturers of medicinal agents, as the most eminent physicians are the most careful as to
the uniform quality and perfect purity of remedies prescribed by them, and it is well
known to physicians and the Well-Informed generally that the California Fig Syrup
Co., by reason of its correct methods and perfect equipment and the ethical character of
its product has attained to the high standing in scientific and commercial circles which
is accorded to successful and reliable houses only, and, therefore, that the name of the
Company has become a guarantee of the excellence of its remedy.

TRUTH AND QUALITY

appeal to the Well-Informed in every walk of life and are essential to permanent suc-
cess and creditable standing, therefore we wish to call the attention of all who would
enjoy good health, with its blessings, to the fact that it involves the question of right
living with all the term implies. With proper knowledge of what is best each hour
of recreation, of enjoyment, of contemplation and of effort may be made to contribute
to that end and the use of medicines dispensed with generally to great advantage, but
as in many instances a simple, wholesome remedy may be invaluable if taken at the
proper time, the California Fig Syrup Co. feels that it is alike important to present
truthfully the subject and to supply the one perfect laxative remedy which has won
the approval of physicians and the world-wide acceptance of the Well-Informed because
of the excellence of the combination, known to all, and the original method of manu-
facture, which is known to the California Fig Syrup Co. only.

This valuable remedy has been long and favorably known under the name of—
Syrup of Figs—and has attained to world-wide acceptance as the most excellent of
family laxatives, and as its pure laxative principles, obtained from Senna, are well
known to physicians and the Well-Informed of the world to be the best of natural
laxatives, we have adopted the more elaborate name of—Syrup of Figs and Elixir of
Senna—as more fully descriptive of the remedy, but doubtless it will always be
called for by the shorter name of Syrup of Figs—and to get its beneficial effects always
note, when purchasing, the full name of the Company—California Fig Syrup Co.—
plainly printed on the front of every package, whether you simply call for—Syrup of
Figs—or by the full name—Syrup of Figs and Elixir of Senna—as—Syrup of Figs and
Elixir of Senna—is the one laxative remedy manufactured by the California Fig Syrup
Co. and the same heretofore known by the name—Syrup of Figs—which has given
satisfaction to millions. The genuine is for sale by all leading druggists throughout
the United States in original packages of one size only, the regular price of which
is fifty cents per bottle.

Every bottle is sold under the general guarantee of the Company, filed with the
Secretary of Agriculture, at Washington, D. C., that the remedy is not adulterated or
misbranded within the meaning of the Food and Drugs Act, June 30th, 1906.
