BECOMING CHRISTIANIZED. -- OUT neighbors, up in Montana, are becoming Christianized. The Helena Herald says that it speaks well to see the very considerable number of regenerated souls gathered to the membership of the several church denominations at various places throughout Montana Territory. During the past few months scores of sinful mortals, repentant of unchristian lives, have hastened to join the various religious sects, the Methodist Episcopalians and the Presbyterians having gained largely in membership, eleven persons by profession and seven by letter uniting themselves in one day with the Presbyterian society in Helena. The Herald takes comfort and thus rejoices "The good work still goes on, and at the present rate we shall become at no distant day, a Christian people in the literal acceptation of that

charged.

right, the sovereign right, to legis late for the Territories, on occasion The dwelling of Mr. Pennington to legislate absolutely for them, al-though it has accorded to them and daughter perished in the con-

assumed that the constitution does not apply to the Territories, and consequently that neither does the Declaration of Independence.

If Congress must not be guided by the Constitution and the Declaration of Independence, in Its legislation for the Territories, by

what fundamental rules must its action be determined? By the constitution of England, or by other monarchial or imperial precedents? Or must Congress legislate for the Territories at random, auto-

citizens be legislated for by Congress constitutionally, and Territo- disappeared some time ago, con-

and in violation and defiance of victim; it is believed that Waltz has murdered three other men. cannot be accorded on any account. We must conclude that Congress

bound to legislate in accordance with constitutional prin-

ciples for the Territories as for the States, and if so the wishes of the people of a Territory ought to be considerately regarded by Congress in its legislation for such Territory. If this were invariably the case there never would be any special presented a beautiful dis-play of flowers. Senator Schurz, orator of the day, was introduced by Wendell Phillips. in its legislation for such Territory. prescriptive legislation by Congress respecting Utah or any other Territory, and it would be useless for partizan demagogues, such as those who are working against the interests of Utah, to urge any such legislation upon Congress, as that body would consider such urging a

wanton insult." The Constitution requires Congress to guarantee to every State in the Union a republican form of government, and empowers that body to make all needful rules and regulations respecting the Terand regulations respecting the Ter-ritory or other property of the United States. If a republican form of government is so desirable for a State, that it is imperative upon Congress to guarantee such a and attractive to your husbands and
