Tod Cain, starter; Dr. Fred W. Alquist, announcer; Geo. H. Brownfield, Dr. L. W. White, surgeons.

Here they are. The officials who will preside at the bicycle races at the Salt Palace this season, and if Manager Harry Heagren had scraped the town with a fine tooth comb he could not have secured a more capable corps of officials. Every one of them has had considerable experience in the bike racing game; they are all familiar with the N. C. A. and other rules, they are acquainted with all the crack riders of the country, they know what clean racing is, and they have the courage to enforce the rules to the letter.

FAST HORSES REACH OGDEN FOR MEET

Manager Murray Lands Big String of Speedy Ponies for Fifteen Days Racing Next Month.

Manager W. M. Murray of the Ogden 15 days race meet which starts at the Junction City on May 5, is enthusiastic for the outlook. Nothing but bad weather will interfere with the success of the meet. He has a big string of fast horses on the grounds and lovers of the sport will see some good racing. Here is a list of the horses and their owners.

FRANK GOTCH AND DR. ROLLER WHO ARE TO WRESTLE TONIGHT

Both Frank Gotch, the world's champion wrestler, and Dr. Roller, his next opponent, are in splendid condition for their contest to be held in Kansas City, Mo., Tuesday, April 27. Gotch recently defended his title against Yusuf Mahmoud, the Bulgarian, in Chicago. Dr. Roller of Seattle, Wash., is one of the most picturesque figures in American athletics today. Not only is he a great wrestler, but as a football star he shone brilliantly a few years ago, and then, he can go home with the padded mitts. The doctor recently beat "Denver Ed" Martin. Roller is built along the same lines as Gotch, but is one inch taller and probably five pounds heavier. He has defeated every American wrestler barring the Iowan, and even Gotch admits that the Seattle physician gave him the hardest tussle of his career when they met in Seattle two years ago. At that time Roller weighed 190 pounds. Today he tips the beam at 212 pounds. The doctor says he has improved since then and is confident he will defeat the title holder. Large picture shows wonderful build of Roller.

Famous Equine Speedster Arrives This Afternoon and More Are On The Road

If the big meet scheduled at the state fair grounds track does not eclipse anything of the kind ever attempted in Utah it will be strange indeed. Certainly the fault will not be a lack of high class horses, because some of the most famous animals in the western country are here and will perform at the meet. The grand collection now staged at the track, Crestonia is the animal that once trailed in the dust the colors of the famous Roanoke at Belmont park, and the performance was at a time when Roanoke was in his best form. Crestonia, and 11 other speedy horses, come from the stables of E. J. Ramsey & Co. of San Francisco.

MADDOCK'S PET SCHEME IS ANNUAL RELAY CARNIVAL

For the last year Coach Maddock has been trying to make his relay carnival an annual event among the colleges of the state. The first trial at his pet scheme will be given Saturday in connection with the baseball game with the B. Y. U. of Provo. There will be four teams to run four relays, the half-mile, mile, two mile, and four mile. Only the 1/2 and the B. Y. U. will enter this contest. The relay team used to the other schools in the state league but on that particular date the B. Y. U. and the B. Y. U. will be unable to enter the carnival this season. The baseball game of the day is the second and last game of the season with the B. Y. U.

ATKINS TAKES TWO OUT OF THREE TRACK EVENTS

The High school class meet which started Saturday night was yesterday afternoon, and again Atkins distinguished himself and brought honor to his class by taking two out of the three post-race events. He has won six out of twelve events in the meet and scored for his class thirty points. He captured first place in the shot put, hammer throw, 100 yard dash, 220 yard dash, high and broad jump. Guess that's going some! Yesterday afternoon he took the broad and high jump so that the seniors won the meet with a good margin. The final score now stands: Seniors, 52; sophomores, 41; juniors, 14. The results of yesterday's contests are as follows: Broad jump—Atkins, sophomores; first, Warthman, juniors, second; Koenfeld, juniors, third. Distance, 13 feet 6 inches. High jump—Atkins, sophomores; first, Warthman and Carmichael, juniors, second; Wetzel, juniors, third. Height, 1 foot 1 inch. Pole vault—H. Romney and Duncan, seniors; first, Wetzel, juniors, second; Koenfeld, juniors, third. Height, 9 feet 6 inches.

AUTO GOSSIP OF LOCAL INTEREST

Transcontinental Run Begins in June but Utah Will be Missed.

GO AFTER FORMER RECORD.

Distance Between San Francisco and New York Made in 15 Days, 2 Hours and 12 Minutes.

It was just after the California earthquake that L. L. Whitman and C. R. Curtis three years ago in a six-cylinder Franklin touring car made the record for a transcontinental automobile run. The start being made at the \$500,000 wreck that had once been the San Francisco city hall. In 46 days, two hours and 12 minutes they drove into New York, which city they drove to in 15 days, two hours and 12 minutes.

The early morning start was set for early in June, and the entrants will go over the Franklin trail for the greater part of the way to the Pacific, branching off to the north at Brainerd, Wyoming, and going thence through Idaho, Oregon and Washington. The road from New York to the Pacific is up the Hudson and Mohawk valleys and thence through the Allegheny and Potomac rivers. After Buffalo, the larger cities to be passed through are Erie, Cleveland, Toledo, Chicago, Omaha and Cheyenne.

In turning to the north in Wyoming the contestants avoid three states, Utah, Nevada and Arizona, which the Franklin crew made its way through. The route is through the mountains and across the deserts, but they will find at least some new difficulties in the way of mountain climbing. The trails separate near the Rockies.

The early morning start and sale of motor cars is taken as proof indicating that the touring season of 1930 will be longer and will show more automobiles put in service than ever before in the history of motoring.

Charles Clough of this city is contemplating a long trip in his Chalmers-Detroit this summer. With a party of friends he will make the trip from this city to Seattle.

Today the Tom Hottel company received two more high class Pierce-Arrows and more are coming. The company is doing a big business for cars and they will be taken care of as fast as the roadways slip them in.

Clem Schram, ex-Gov. Walls, C. B. Burton and others made a successful trip to the coast in a Buick car. The car had plied his trade for years and they had done a good job of it.

A party of enthusiastic motorists headed by Jack Shaffer made a trip to Provo and back in a Buick car. The car was on the trip which was made without accident. The car is a Buick car and is in the best of condition.

In the past month 20 freight cars loaded with Franklin automobiles have been sent out from the factory of the H. J. Franklin Motor Car Company at Syracuse. This is an average of five for each working day.

Word has been received at the office of the Consolidated Wagon & Machine Company that the car of George and Odell and party, now touring Europe in a big Franklin, are having a splendid time. The car is a Franklin car and is in the best of condition.

The Sherman company reports the sale of several Maxwell runabouts already in the hands of the public. The car is a Maxwell car and is in the best of condition.

While manufacturers of motor cars have been contending over the merits of the magnets in the makers of the Franklin car, the use of single high-tension magnets in their automobiles, being the pioneers in America, they are now turning their attention to the use of the Franklin car.

The trend of sentiment among designers is seen in the fact that a particular kind of magnet is used in the Franklin car. The Franklin car is a Franklin car and is in the best of condition.

INTERNATIONAL MARATHON RACE FOR \$10,000

New York, April 27.—A \$10,000 grand international marathon race is announced for May 4 at the Polo grounds in this city. The promoters are H. G. Archibald, 107; E. Shriver, 107; R. G. 106; W. Manders, 102; Pharris, 109; C. Kirschbaum, 98; Kent, 95; Andrews, 95; W. Menden, 92; Piper, 85.

The preliminary, having taken up so much time, the principals agreed to wrestle one fall to a finish for the title. Luttwig took the fall in 2:15 after an exciting tussle with a half-Nelson and bar-arn hold.

Wasson was awarded second money. Ernest Lindberg of Chicago won third money by winning from Arthur Jones in a fall in 2:59 with a collar and body hold.

WRESTLING CHAMPIONSHIP Lightweight Title of America Won By Max Luttwig

Chicago, April 27.—Max Luttwig of Kansas City, won the light-weight wrestling championship of America by defeating Albert Wasson of St. Louis in the final match of the lightweight tournament at the Illinois Athletic club last night.

The preliminaries, having taken up so much time, the principals agreed to wrestle one fall to a finish for the title. Luttwig took the fall in 2:15 after an exciting tussle with a half-Nelson and bar-arn hold.

Wasson was awarded second money. Ernest Lindberg of Chicago won third money by winning from Arthur Jones in a fall in 2:59 with a collar and body hold.

ANOTHER ARREST MADE In Connection With the Mayday Gang of Swindlers

Denver, April 27.—Another arrest was made in this city last night in connection with the investigation of the records of J. C. Mayberry and his alleged swindling band. R. B. Jacobs, who has lived in this city for several years and has a beautiful home, was taken into custody on a warrant charging him with being an accomplice of Ernest Powers, a foot runner, in swindling J. C. Bennett of Silverton, Colo., out of \$13,700. Powers was arrested and released on bond pending investigation. The alleged swindle was accomplished by means of a foot race in which Bennett was defeated by Powers, who was arrested and upon which Bennett was insured to bet heavily. According to the po-

SHORTSTOP HUMMELL OF BROOKLYN, WHO IS PLAYING STAR GAME

Playing the heady and consistent game he has been putting up since the opening game with New York, he will be classed as one of the greatest short field players in the game today. For the two past seasons Hummell has been utility man of the Dodgers. He is a heady, fast fielder, a good batter and a clever base runner. Hummell began his career as a member of the State Normal team in Bloomersburg, Pa., in 1902, and when the college season closed he joined the Wilmington team of the Tri-State league, with which he finished the season. He remained with Wilmington throughout 1904. In 1905 he started with Holyoke, Mass., of the Connecticut State league, and his work attracted the attention of the Brooklyn management, and that fall he was traded for McCormick of the Dodgers. Since joining the Brooklyn team he has played every position on the team, except pitcher and catcher, and always in a most acceptable manner.

passed through. A dozen trophy cups have been secured and every effort will be made to have at least 200 dogs in the show. It was decided to secure a judge of the show, as he will be on his way to the coast at the event.

Milo Yobel, wrestling instructor of the Y. M. C. A., has returned from the northwest with his string of amateur sports writers. The boys found conditions unfavorable to say the least, at some of the clubs where contests were held. It is claimed that weather was gathered from various parts of the country and registered amateurs. For this reason the local boys did not bring home as many prizes as they otherwise would have done. When it came to wrestling with the instructor there was a different story. O'Connell, the Multnomah wrestler, craved out of his match with Milo, but the latter made short work of Yobel, the Seattle man, and Yobel who was brought up against him in Spokane.

ANSON'S TEAM RETURNS.

Chicago, April 27.—Capt. Anson and his ball team have returned from the first tour of the east ever made by a local semi-professional team. While the team lost a majority of the games played, it paved the way for future visits and other local semi-professional teams are expected to follow the captain's example.

"PENNY" GOSSIP.

Saturday, May 3, is the date set for the final track meet between the U. of U. and the B. Y. U. The meet will be held at Provo.

The U. baseball team will play a practice game with the Salt Lake Inter-mountain league team, Thursday afternoon and a lively contest is looked for.

Manager Harry Heagren of the Salt Palace bike track has signed up Held's music to furnish the music at the bike meets this summer. The contract was signed yesterday.

Champion Frank Gotch wrestles in Portland on the 14th, at Spokane on the 15th and will be here for his handicap match on the 17th. Orders for standing seats have already been received and there is great interest in the match.

A track meet between the Salt Lake and Ogden High school teams is being arranged and will take place in the near future, probably Saturday, but the time and place have not been definitely decided upon. Manager Cameron of the ball team is anxious for a baseball game between the two schools on the date of the meet.

The postponed ball game between the U. of U. and the B. Y. U. which was scheduled for last Saturday, will take place Monday, May 6. The game goes to Logan on the 17th, for a couple of games, one with the Aggies and the other with the B. Y. U. Track work is progressing nicely and five classes will be in the meet.

By a score of 14 to 3 the Homagers basketball team swalloped the Fort Douglas nine yesterday on the Fort Douglas grounds. The game was an interesting one throughout. The score by innings follows:

Homagers ..... 14  
Fort Douglas ..... 3  
Batteries—Tomney and Peacock; Haines and Bishop.

This morning Harry Heagren received a letter from Benny Munroe now at Holy Springs, Mass., stating he will be here on the 15th. Benny says he is doing road work and is already in splendid shape. Heagren also got a letter this morning from Saxon Williams, from Boston, who sends the season news. Iver Lawson is training hard and is in the form. McCarty, the Canadian champion is doing some hard road work and will make the amateur travel pretty fast.

In all probability the coming bench show of the Utah Rental club will be a three-point affair. It will be such if those having the show in charge can make it one and they think they can. There was a meeting of the club last evening at which the matter was dis-
