[S. F. Monitor Aug. 25 1881.] [S. F. Monitor Aug. 25 1881.]

The vital importance of having pure Altar wine for the celebration of the Holy Sacrines of the Mass is a matter which always gives the greatest concern to the Rev. Clergy, who are also aware of the difficulty experienced in procuring really pure wine by those living in remote regions from grape-producing localities. This difficulty, however, has now been entirely overcome, and every priest throughout the Union can rely upon procuring really pure wine for altar use through the lour-established and thoroughly reliable house of Arpad Haraszthy & Co., 530 Washing really pure wine for altar use through the long-established and thoroughly reliable house of Arpad Haraszthy & Co., 500 Washington street, in this city, who have made arrangements with Rev P. J. Kaiser to be the sole agent in this city for the sale of all the wines made at the extensive vineyards at the Old Rission, San Jose, as well as the altar wine made by Col. Hopper at Sociona. The firm of Arpad Haraszthy & Co. guarantos the perfect purity of these altar wines and are prepared to able them in portable package, in any quantity desired, and so put up that they will retain all their freshoes during consumption. We think the enterprise of the house of Arpad Haraszthy & Co. is worthy of being encouraged, and we hope the fier Olsegythroughout the Union will avail themselves of this excellent medium in order to secure for Divine service one of the most essential auxiliaries to its proper celebration.

desions of procuring a genutic article of pure wins.

To all such I would say, that the wines made directoy by himself or under his direction, are pure and genutic.

For some years he has had under his charge for me the Dioescan Vineyeras of the Old Mission, San Jass, Cal. And these Vineyards he has quite renovated and brought in a state of considerable perfection; therefore I know the wines to be pure end genuins. I have given other letters to wine procers more or less commendatory, but none so strong as I would desire to make THES, as in no other case did I have so good mêms of knowing.—And what I say for Father Kaiser's wines, I would say for his filter OR produced at the same piece.

Very respectfully,

JOSEPH S. ALRMANY.
