urday night to inspect the work of in

addation, Owen A. Balley, manager of the Pio-che Demijohn property will leave to night to look over the property. Mr Balley declares that indications ar that some good things will be hear-from this property shortly.

#### MORE INTEREST IN STOCKS.

#### Market Reflects Better Conditions-Ohio Copper Goes Higher.

Ohio Copper was the star perform er on the stock exchange list today ar er on the stock exchange list today and its gains were 20 points during the norming session. Although the slock opened at \$8.30, it closed strong at \$8.60. There was not a moment dur-ing the entire session that it showed a tendency of going lower. The first sale opened at \$8.50. From that it jumped to \$8.40 and on up to the new high mark for this security. Physical conditions at the property are such that the stock has been on the gain for screal months. Addie, which has been one of the un-noticed stocks for some time, took a

Addie, which has been one of the un-noticed stocks, for some time, took a little jump this morning. For the past week or more this stock has showed activity. This morning the stock opened at  $0_{24}^{4}$  cents and closed at  $40_{25}^{4}$ . Beak Tunnel was lower again today. East Tintic Gold King, which is one of the you, est members on the board sold at  $10_{24}^{4}$  cents. From Blossom was slightly lower. King William showed consid-erable life and went up from 26 cents to  $40_{25}^{4}$  cents. Sloux Consolidated seemed more at home today and sold stronger. The stock reached \$1.025 and stood firm.

stronger. The stock reached \$1.020 sud atood firm. During the morning session 74.01 shares of stock changed hands at \$56, 795.25.

195.25. But n few stocks made their appear nice on the curb market Binghan Central Standard was sold to the tun of 1.500 shares at 32 cents. Of Binghas Copper, 1,000 shares were sold at cents.

sum to be distributed is \$54.060. As is designated by the secretary as arterly dividend, it is probable that rate will be maintained throughout year. The company has paid in lends \$5,757,000. The last dividend paid on Dec. 16, 1907, and was 20 annual report of the company

we that during 1998 the company ducest 12,760 tons of crude ore and 4 tons of concentrate. The crude contained 343,376 pounds of copper, 35,309 pounds of lead, 441.86 ounces 1 and \$454,149 ounces silver, all ch sold for \$225,786.69. The concea-es produced 116.346 counces I and stort to ounces surver, and ch solid for \$225,786.69. The conten-es produced 116,346 pounds of sop-2.305,472 pounds of lead, 150-52 ces gold and 211,376 ounces surver, which solid for \$180,621.25. bringing total receipts for ores to \$176,40.35 crude ors contained an average of 0 ounces silver, 0.0347 ounce gold. I per cent lead and 1.25 per cent ser, selling for \$17,69 per ton. The contrates contained an average of 0 ounces silver, 0.0355 ounce gold. I per cent lead and 1.32 per cent ser, selling for \$17,69 per ton. The beginning its production era, Daly West company has produced following up to the class of 19,8; 57,54 pounds of copper, \$1,387 tens ead, 16,706,39 ounces gold, 20,257,447 ees silver, all which sold for \$12,-301,60.

### OOSTNIG OLD BLUE VALLEY.

a letter from Lois Fugate of Giles, ne county, he takes occusion to t the old Bine Valley district and f some of the things that are hap-

of some of the things that are hap-ing those. In part he says: dis valley will no longer be known "Old falge valley" but one of the est oil fields of the United States; one of the greatest agricultural ricks in this inter-mountain country, a shretch of 160 miles of this great when the established as me of will soon be established as one of next fruit sections in the State th About 25,000 acres of oil lands recently been located, and thou-more will be within the next

weeks. le of the greatest reclamation mess over thought of is now un-consideration, that of bringing all viast amount of arid hand under cul-tion. This schame will of course g a ratirvaid to this section of this to the people of the eastern Wayne ity have come to a full realization he value of their property and ex-good wishes to all those wishing conte near them.

of 9,000,000 pounds as compared with November and Excember and 6,000,009 pounds as compared with January. This is believed to be due to the low prices of the metal but more probably to the month containing but 23 work-ling days. The output for the month from the United States, Mexico and Canada, is placed at 96,204,000 pounds. WESTERN MARKET LETTER.

### Special Correspondence

Special Correspondence. Kansas City Stock Yards, March 15-There was some increase in cattle re-cepts last week, due to two weeks of aninterrupted sharply higher prices, but the run was not sufficient to break the market very bad, and net as heavy as might have been expected. Steers declined 20 to 30 conts during the week, cows lost 10 to 15 cents, and stockers and feeders closed steady to 10 lower The run coday is 11,000 head, market steady to a shade lower on steers, steady on cows and beifers, strong on country grades. Prospects favor a con-fident and there will not likely be any excessive runs to break prices. Paok-ers are operating closely, but easiern demand is strong, and local kilters are kept well in the. There is a good run from Colorado here today, com-posed mostly of stock and feeding grades, a string of Means Brothers are worth \$550 to \$2.0, Killing steers are worth \$550 to \$2.0, Kulling steers are worth \$550 to \$2.5, calves \$450 to \$7.50, pointer briday at \$4.60, weetern eavy worth \$550 to \$5.5, calves \$450 to \$7.50, pointer friday at \$4.60, weetern eavy worth \$550 to \$5.5, calves \$450 to \$7.50, pointer as been very good during tha lat week.

Quality of the fed stuff from Hange country has been very good during the last week. Sheep and lambs run along without much change in prices, although soles today are at about the top notch on nearly all kinds. Some \$2 pound lambs from Provers brought the from Provers brought the top today, \$7.50, yearlings from the AYkansas val-loy brought \$8.75 to \$7.90, wethers \$5.50 to 56, even \$4.90 to \$5.30. Quite a num-ber of lamber today were only medium grade and sold at \$8.90 to \$7.20. A arade and sold at \$6,90 to \$7.20. A similar percentage of the arrivals is first class than heretofore, due to the approaching end of the neason for fed steek. The supply hast work was \$1,000 bend, and run today is 11,000 hond Movement of stockers and forders grades has been maderate, prices shoul ateady with a week are, feeding work-ers around \$5.25, heading owes \$4 to \$5.25, lambs \$6 to \$7.10. ers around \$5.25, breading owner \$4 to
