THE ILLIBERAL LIBERALITY OF CHRISTIANCY'S BILL. ANOMALOUS as it may seem, there is a great deal of both liberality and liliberality in Senator Christiancy's bill to "regulate" elections and the suffrage in Utah. But, unfortu-nately for the public good, the illiberality is in opposition to a illiberality is in opposition to a constitutional right, a healthful, wholesome institution, and a deserving people, while the liberality is nearly akin to license, if indeed there is any essential difference between them. Hence we talk of the illiberal liberality of the bill. The bill is liberal to all kinds of real criminals, except they are under sentence or conviction. It does not matter what crime they have committed. They may have perpetrated every crime named in the Decalogue, and many others. They may have committed every sort of crime malum in'se, as well as every sort of crime malum pro- whether the issues of fact are mahibitum. Still, if they are not un- terial, and whether the matters in der conviction or sentence, and support of jurisdiction alleged by even if they pay no taxes, and have not the misfortune to belong to the "better sex." they are at liberty to vote and to hold office in Utah. They may have been common jailbirds, they may have escaped the well deserved extreme benalty of the law they may be respondent; that three counsel and Embi penalty of the law, they may be three managers may be heard, in such order as may be agreed on well known seducers of the innocent, they may be notorious corbetween themselves, and that such time shall be allowed for the argurupters of the marriage estate, ment as said managers and counse they may be confessed thieves, they may desire." may be reckless perjurers, they may be upprincipled and unmitigated of business, the court adjourned till 12:30 on Monday. scoundrels, but no matter, Senator Christiancy is extremely liberal to them and his bill allows them to business was then resumed. vote or hold office without let or hindrance on any of these serious on Monday. accounts. This is his liberality. It is extreme, it ombraces all, good, bad, and indifferent. No matter how bad, they are welcome to the suffrage and eligible to hold office. They are amply good enough, in gration. He could show to the Benator Christiancy's opinion, to vote or to hold office in Utah. This Francisco was being converted into certainly is exceedingly liberal. It an Asiatic city. Our young men is liberal far within the confines of and women were out of employ-menton account of the competition license On the other hand, the bill is just as extremely illiberal to one class adjourn over one day, and said that of citizens. While it is so blindly every senator should have one day indiscrimate in favor of all sorts of in a week to study the questions real criminals, it is invidiously and them. persecutively proscriptive towards | Bargent said he begged the paran excellent body of citizens who busy this week, he thought to-day was Thursday instead of Friday can not be charged with only (laughter). crime, essential crime, but only (laughter).
