Concert .- A grand concert will be given in the 21st Ward meeting-house to-morrow evening, commencing at 7.30, for the benefit of the Sunday school of that Ward. An excellent programme has been arranged for the occasion, and this fact, coupled with the worthy object of the affair, ought to draw a full house. One of the proces to be rendered on the occasion, by a chorus of about 75 voices, is a beautiful song composed by Apostle Moses Thatcher and set to music by James S. Hancey. It is entitled "The children are praying for me." It was arranged to be sung at the jubilee in the Tabernacle on the 24th of July, which was given up on account of General Grant's death, and this, so far as we are aware, will be its dist public rendition.

A Damaging Runaway .- About noon to-day a young man named Smedley was in the Titning yard loading his wagon, when a box slipped from the spring seat in the wagon and struck one of his norses. The animals immediately started, and the hub of one of the wheels struck Smedley on the hip and knocked him down, another wheel passing over his arm. The trightened team ran out of the yard and down East Temple Street. When near Walker Brothers' corner the wagon collided with Dr. Hamilton's buggy, tearing off one of the buggy wheels. The horses then turned west and ran for a couple of blocks, part of the way on the sidewalk. Two wheels of the wagon ran into a ditch, causing the wagon to capsize, bringing the whole outfit to a standstill. The only damage to the wagon was the breaking of the tongue, and the horses were not injured.
