

RAILROADS.

CENTRAL ROUTE

THE MICHIGAN CENTRAL RAILROAD
AND CONNECTIONS.

Unite in running **FOUR EXPRESS PASSENGER TRAINS** daily between Chicago and New York, Boston, and all intermediate points in New England, New York and the Canada.

The renowned **Pullman Palace Sleeping Cars** are run on this line, exclusively, from Chicago east, and are fully supplied on all night trains.

The famous **PULLMAN HOTEL CARS** leave daily on evening trains, running directly through to Rochester, N.Y., without change.

The passenger equipment of this line is unequalled by any other in the country, and will be found by patrons to possess all the requisites of "SPEED, COMFORT AND SAFETY."

Connected with the

GREAT CENTRAL ROUTE

IS ALSO

The Blue Line

Established January 1, 1907, for the carriage of freight without transfer.

This line is owned and operated by the Michigan Central, Illinois Central, Chicago, Burlington and Quincy, Chicago and Alton, Great Western, Chicago, New York Central, Hudson River, Boston and Albany, Providence and Worcester, Worcester and Nashua, Housatonic and Jackson, Lansing and Saginaw Railroads.

THE "BLUE LINE"

Is the only route that offers to shippers of freight the advantages of an unbroken gauge of track from Chicago and the Mississippi river to the seaboard, and is of the SAME GAUGE AS THE UNION PACIFIC, over which these cars will run on completion of that road.

THE BLUE LINE CARS

Are ALL OF UNIFORM BUILD, thus largely lessening the chances of delay from the use of cars of a mixed construction, and the consequent difficulty of repairs while remote from their own roads.

The Blue Line is operated by the Railroad Companies who own it, without the intervention of intermediate parties between the Roads or Line and the public.

The facilities of the Line for making uniformly quick time are unequalled.

All claims promptly settled on their merits.

Freight contracts given at the offices of the Companies in New York, Boston, etc.

H. E. SARGENT,
Gen'l Supt. M.C.R.R., Chicago.

H. C. WESTWORTH,
Gen'l Pass. Agent, Chicago.

SEWING MACHINE

Until you have examined the

FLORENCE

WHILE a large number of Sewing Machines
have been offered to the public, some of
which possess points of excellence, and so
many of a machine made for the purpose of
simplicity with durability, which, while capa-
ble of doing the work of a sewing machine, are
understood that a child can operate them.

Discarding the chain stitch of the Grover &
Baker, and the work of the under side, we
adapt the lock stitch to the work of the under
side, and have added the knot, double knot,
and double lock, thus giving every range of
work.

The four different stitches and reversible feed,
which allows the work to run either way, make
it incomparably the best for family use.

We also offer

A NEW MANUFACTURING MACHINE,

which is pronounced the Machine of the age.
It sews a Florence Sewing Machine in Utah,
Idaho, Montana, or Wyoming not giving per-
centage, and will operate in any place.

Branch Office at Salt Lake City.
Will be open by September 25th.

Ladies are invited to call and examine our
machines, and to purchase on credit.
