#### LIFE IN THE IDAHO "PEN." A Denial.-The report of the grand EVENINGINEWS. A Captain's Fortunate Discovery. Capt. Coleman, schr. Weymouth, plying between Atlantic City and N. Y., had been troubled with a cough so that he was unable to sleep, and was induced to try Dr. King's New Dis-covery for Consumption. It not only gave him instant relief, but allayed the extreme soreness in his breast. His children were similarly affected and a single dose had the same happy effect Dr. King's New Discovery is now the standard remedy in the Coleman household and on board the schooner. McLaughlin, of Park City, were to-day admitted to practice be-fore the bar of the Supreme Court of the Territory. the Territory. the total state rooms in the S. S. Nevada. The cell room is generally warm and com-fortable. All loud talking is stopped at 7 p.m., and lights are put out at 9.

BISHOP CLAWSON requests us to announce that Elder John Nicholson is expected to address the assembly at the evening meeting in the 12th Ward to-morrow, at which the services commence at 6:30.

A RUMOR was started to-day that a son of Mr. N. Gray, of this city, had been drowned in one of the canals. The story had its foundation in the falling of a boy into the canal. He was got out, however, with only a good tice Pyper on the charge of petty larducking.

A MOTION was made in the Territori il Supreme Court to-day, for the admission of B. Ferguson, of Beaver, to and some other articles, most of them practice as an attorney. Messrs. Va-" from Brooksbank's second hand store, rian, Bennett and Rawlins were appointed as a committee to examine the property at various second hand stores. applicant, on Saturday, April 24th.

THE 16th Quorum of Seventies and

everywhere it has been presented. The San Francisco Call says of the performance:

"We are treated with kindness and equity by the warden, Mr. J. N. Pal-merton, and from what I can learn, our accommodations are no worse than those of our meighboring prison-ers. I am now rooming with Brother J. M. Phelps, of Montpeller, and we all get along well. We have about two hours' exercise in the large yard each day, the rest of the time being spent in reading, writing, conversation, and sometimes working a little, at what-ever we can find to do for pastime. There are six of us in the prison. Brother Blackburn, of Rexburg, is working at the shoemaker's bench; Brother Phelps attends to the cow; A. Leatham looks after the hogs; A. Biorn sweeps floor; A. Peck has been cutting stone, and I go to town or chore a lit-tle on the outside of the enclosure when asked. end, with such rapid changes and tran sitions that the beholder imagine i he is subjected to a series of shadowy appearances and optical illusions, until a slight mental confusion ensues The pivot on which the whole business turns is, as is usual in all such compositions, a conflict be-tween the good and evil principle. That is all the intellectuality there is about it, and it is soon forgotten in the apt work of the machinist and carpen-ter, in the gorgeous coloring of the scene painter. All the tricks, illusions, metamorphoses and transformations that used to delight a previous genera-tion, when the Ravels and Martinettis

were in the heyday of their fame, go to make up "Fautasma," as well as the gilding, color and false fires that were wont to heighten the effects; but with advancing time, the Hanlons have also improved on the cruder surprises of the Frenchisen and the Italians. They have seized on "modern instances" to at 7 p.m., and lights are put out at 9, when all retire to bed. We are per-mitted to write twice each month, and bring their work closer home to their audiences. Their series of tableaux representing the Greeley party in the Arctic regions—very beautiful and imreceive mail any time, all correspon-dence being inspected by the warden. "P. S.-All the brethren here but myself, go out about the 22d of this pressive; their illustrations of the pic-

tures that adorn the advertisements of to-day are in evidence of this fact. As for the action of the piece, it is in the highest style of gymnastic and acre-Boy Thieves .- This morning, three batic accomplishment." boys, Dan Henry, Lucien Adams and
