Chief Justice Cockburn do any There was great excitement in such a thing in the complex, unthe French Assembly yesterday, precedented, and almost interminover a motion to declare, on a givable Tichborne case? en day, the future form of the gov-The consideration of important cases submitted, then, cannot be ernment of France; the motion was made by a monarchist, and accepted as a valid reason. What was lost by an overwhelming other can there be? The general majority.

A London telegram, of to-day's date, says that twelve thousand

THE present term of the District state of things, and calculated to strip the people of the last vestige of human liberty, and place them at the mercy of such men as I now propose to give the record of. I again quote from data, furnished from court records by Andrew Burt, chief of police. "Oct. 8, 1870. Wm. P. Offley, Deputy U.S. Marshal, was arrested, charged with an assault, with in-Court for this Third Judicial District commenced on the 9th March, and was adjourned on the same day, until the first Mon-day in April, that being the 6th day thereof, a week from Monday

"Oct. 8, 1870. Wm. P. Offley, Deputy U.S. Marshal, was arrested, charged with an assault, with in-tent to kill E. R. Sloan; committed to the District Court, (compromis-ed) and fined \$1,00. "Aug. 14, 1872. Richard Keyes, Deputy U. S. Marshal; D. R. Fir-The Judge himself says that there is a great deal of busines : before his court this term, and that some of

to the District Court, (compromis-ed) and fined \$1,00. "Aug. 14, 1872. Richard Keyes, Deputy U. S. Marshal; D. R. Fir-man, Deputy U. S. Marshal; Wm. Whitehill, Deputy U. S. Marshal, and James W. Steanburn, notary public, arrested, charged with lascivious cohabitation, proven guilty; fined \$100 each; appealed to the Probate Court; not yet set-tled." the cases are very important ones. The term of court was known, and it is reasonable to suppose that the parties litigant, whose cases were on the docket, or who expected their cases to be there, would be

some sort on the opening of court. But the court was opened and clos-The question naturally arises, are these the men to correct Utah norals, and introduce a better state Are

of affairs?

We have heard a great deal said about the murder of Dr. J. King Robinson. One of our U. S. Depu-ty Marshals, S. Gilson, figures m-ther unenviably in that. One Chas. sause of this delay, this interreg-W. Baker swore before the court that he saw Blythe and Toms, with before the court, why was all of it postponed for a month? Nobody professes to know the reason. The Chief Justice himself hints that

other can there be? The general opinion seems to be that the court was adjourned to give Congress time to legislate specially for Utah. Think again of an English judge adjourning court to give Parliament

ed of the Italian masses offered by the church in their behalf before going out to rob and marder. There is, hewever, a difference in the fact that we never heard of a priest accompanying the

be passed in Congress, authorizing the re-enactment of just such a state of things, and calculated to strip the people of the last vestige of human liberty, and place them at the mercy of such men as I now propose to give the record of. I again quote from data, furnished difference in the motom panying to heard of a priest accompanying to expedition, and it is not likely to good fathers knew even the char their pepitents or the ob-Brigham City, Feb. 10, 1874, ohn Burt, Sheriff of Box Elder

questionable scheme with a Camer-

a Newman at the other. This is peculiarly the case i Utah. If we except any Souther State, no such band of shameles brigands can be found as those com their depredations with impunity, brigands can be found as those com-aided, encouraged and backed up, in their nefarious practices, by the judiciary; while the officers were threatened with the severest penal-ties of the law, if they should pre-

Juries, imprison inoffensive citizens and defy all law while filling their pockets with "gains, the pious Frelinghuysen, backed by the Methodist church, is busy framing so-called laws to justify the out-rage sume to interfere.²² "All of the above statements can be substantiated and well establish-ed by multitudes of living witnesses, residents of said county. "Brigham City, Feb. 10, 1874. "JOHN BURT,"

A question naturally arises, Were these cattle stolen, and were these men thieves? They were so proven before a justice's court, and they were afterwards indicted on unquestion-able evidence by a grand jury. But according to Justice Hawley this

rage. This man Woods, Governor of Utahi by the grace of Ged, as dis-pensed through Brother Newman and a commission from Ulysses S. Grant, is of such a character that he would not be tolerated in a community governed by laws and controlled by an ordinary sense of decency. While fairly enameled in iniquity, he openly boasts that he owns " " " through a knowledge of his " "

Congress is striving to flank the Constitution and exclude the Mormen, but cannot discover a method to punish the guilty? What a spec-tacle, to see that little buttonholing Judge, arrayed in the judicial er-mine, with the blind goddess above his head holding the balances of
