Women in Office-Becision of Chie Justice Chase.

CONTINUED

SALT LAKE CITY, July 19th, 1878. Editors Deserct News:

Your paper has given kindly aid in attempting to define woman's political status in Utah Territory. ment, well given and highly ap. the nomination.

Man-made laws are differently in-terpreted by different minds. With-in the present year a lady appeared and was admitted as a member of the bar of the Supreme Court of the United States. In this case the most eminent lawyers were arraigned for and against. The argument against was the words "man" and "male," used in the Statutes defining the qualification requisite to

The Chief Justice of the Supreme Court of the United States in rendering his opinion, stated that if the technicality could be made to bear to exclude woman from the valuable aid rendered by each, which contributed so much to the success of the whole affair. The committee have every reason to congratulate themselves on the of the law made law-breaking women criminals and qualified vomen eligible to office.

It seems not a little inconsistent that a competent woman citizen having the right to vote, could not be officially entrusted with the money collected as taxes from both
