

## FARMINGTON.

FARMINGTON, UTAH.—OCTOBER 19, 1896.

## Burglary at H. G. Depot.

Last Friday evening the H. G. W. depot was burglarized and a sum of \$1,000 was taken. Mr. Johnson, the foreman in charge, and at the time of the burglary, was out on the line near Mrs. Burrow's up to Farmington. On returning he found his safe broken, all the money taken, which was about \$1,000. The safe was left open, the door slightly ajar, a rock, a Welch case and a few silent articles. This was, no doubt, the work of two or three men, who were trained professionals of the greatest skill.

## SERIOUS III.

Now has been received of the relatives of Jesus, the young daughter of Mr. and Mrs. Johnson, news from their son, Harry, who is now in the service of the Union Pacific Railroad, working on the line between Ogallala and Cheyenne, Wyoming. The child is suffering from a severe attack of rheumatism. The child is reported to have been sent to hospital at Cheyenne, where he is now well.

## MIRAWA.

The last case before Judge Hillard was a marriage suit between a man and woman. The court is now adjourned for six months to the next session.

The boys of Company H, 2d U. S. Cavalry, made a most exact and showing at the target practice on Saturday last. Sixty Abbotts were range riders.

The county commissioners met today. Chairman Nester and Commissioners H. C. and J. C. Johnson were present. The usual routine business was attended to.

Bishop Wade, representing the Pioneer Electric Light & Power Co., is a frequent visitor here on the interest of his company.

## Cache County Politics.
