Little thought is given to "what kind of food," its effect upon the system, and whether it will be of use in building up the tissues of the body. Your stomach will revolt, if it is not already doing so. It must shut up for repairs. What of the dizziness, and sometimes pain, which stop you after a hurried lunch? What of the general distress after a heavy dinner, a feeling of pressure against the heart which of pressure against the heart which calls a halt and makes the breathing difficult? Ben Sellg, the colored Man's Pacific coast manager, wires that he sent Gans' forfeit to Tonopah last Monday. As the club's \$20,000 is up, all that remains for the fighters is to prepare for battle. The division of the picture money is still an open question and will not be settled until the fighters reach Nevada. The club wants 60 per cent of the receipts from this source and is unwilling to divide it into three parts, as was done at Gold-ield.
