LOCAL BRIEFS.

The correspondence of Mrs. Jessie Whipple, as superintendent of the County Infirmary, was given to the county commissioners. Mrs. Whipple has managed the institution admirably and saved the county much money. The commissioners have respect her, and the taxpayers are well satisfied.

August Anderson received painful injuries last evening by falling down the stairs of the Wasatch gambling house on Commercial street. He left his place of business and fell down some bad bruises, after which he was taken to his home, 736 South Second East street, and attended by Dr. Woolley or Anderson is 65 years of age.

Some individual left a boy here, attached to a buckboard, last night or early this morning, and drove off. The boy was found on the street by a policeman, struck the hard paved street on his forehead and is under the doctor's care.

It is expected that Mr. Cartwright will be around all right in a few days.

DIED FROM OVER-EXERTION

Musician Zelnior Sorensen to an Attack of Heart Disease.

Musical circles in Salt Lake will be shocked by news of the sudden death from heart disease of Carl Zelnior, who was one of the most talented musicians of the State. Mr. Zelnior had been subject to heart trouble, and in the early part of last week was taken one night from the Kenyon residence, where he and his young wife were making a visit. He was brought home, and on the following night was again stricken with an attack and he fainted on the car. He was taken to his room in the central part of the city, and passed away at 4:30 o'clock last night.

The deceased musician was a great favorite in the city. He had a host of friends who were greatly attached to him, but only for his affable ways as a man. He was born in Baltimore, Md., and was 32 years of age at the time of his death. Together with his wife he recently visited his old home in Baltimore, leaving Salt Lake last November and had just returned from his trip.

MORE OFFICERS APPOINTED.

County Re-appoints Mrs. Whipple Superintendent of Infirmary.

Mrs. Jessie B. Whipple, the present efficient superintendent of the county infirmary, was reappointed to that position by a unanimous vote of the board of commissioners at their meeting this afternoon. There were two other candidates for the position in the persons of Mrs. Hannah Cannon and Mrs. Arthur F. Cummings. Mrs. Whipple's salary is $75 per month.

John F. Bowman was also reappointed fruit tree inspector at a salary of $100 per month. Mr. Bowman's work has been very satisfactory to the board and to the fruit growers of the county. He was also reappointed as fruiterer.

WAS THOUGHT TO BE INSANE.

Deputy Clerk Blair conducted a hearing in the probate court yesterday afternoon for the purpose of inquiring into the sanity of Thornton Lambert, a carpenter by trade, formerly of Coalville, but now residing with his parents in Pleasant Grove. The father of the unfortunate man, Edward Lambert, testified that for some time past his son had acted in a strange manner. He also said that about a year ago his son buried his wife and he thought that this had preyed on his mind. He has been living with Bishop Cockrell of Pleasant Grove. At the conclusion of the testimony Dr. Blair discharged Lambert.

GOODS ARE RECOVERED.

Arrest of a Man Supposed to Have Broken Into Temple Barber Shop.

Most, if not all, of the goods stolen from the Temple Barber shop Sunday night have been recovered and the man believed to be guilty of the theft and of committing the burglary is behind the bars at the county jail. The fellow gave his name as William Church-ill, although he is known to have numerous aliases. He was arrested last night by Deputy Sheriff Dowse as he was coming out of a second-hand store on Fourth South and State streets, where he had tried to dispose of the articles. In his hand he carried a valise, and when asked by the officer as to what the contents were he evasively answered. The purpose of satisfying himself the deputy sheriff grabbed the valise and took a peep inside. Mr. Lambert, of the Salt Lake Tribune, identified the articles answering the description given in last evening's News, and also identified the valise as one taken along. The barber shop was visited and the goods identified by Mr. Watts.

Today a complaint was sworn to before Justice Allen charging the accused with burglary. Deputy Sheriff Dowse is authority for the statement that Church-ill confessed to him, while en route to the jail, that he had taken the goods and stolen the goods. He is said to be an old offender.

THRIVING AT ABRAHAM.

Chas. H. Wilson, Esq., late auditor of this city, is in town from the settlement of Abraham, near Fillmore, Millard county, where he has taken up his permanent abode. He reports things to be progressing in the new settlement. The recent storm has filled the reservoir with enough water to now accord to last the ensuing summer for irrigation purposes. The canal, which is one mile from the reservoir, is being extended. Hundreds of gallons are running to waste. There are fourteen families at present on the ground. Each family has a quarter of an acre of some twenty-three acres to farm in spring nets in. Already about 100 acres have been cleared, and the inhabitants have petitioned for a postoffice to be established in the near future.

Mr. Wilson says he has not been entirely weaned, as yet, from city life, for he still owns a state Salt Lake to look up and trade.

CHURCH NEWS.

The new meeting house erected by the Latter-day Saints in Hyde ward, Summit county, Utah, cost about $5,000.

The Sabbath school officials in the Sixth ward, Salt Lake City, are preparing for the usual celebration of Washington's birthday by the children of the school.

The St. Anthony, Fremont county, Idaho, News of Jan. 21, says: The new L. D. S. meeting house is a triumph in its way and is certainly a credit to the ward as well, but a fine organ and a choir of the voices voted one of the very best in Fremont county.

Prof. Willard Done, teacher of church history in the Latter-day Saints' college, is delivering a series of lectures on topics connected with the history of the Latter-day Saints' church. The first of the series will be delivered by Elder B. H. Roberts on Friday evening, Feb. 3, at 7:30, and the subject will be "Succession in the Presidency."

SUNDAY SALE SUNDAY SCHOOL.

The exercises of the Fiscal Sale Sunday school on Sunday were somewhat in the nature of a surprise, and with very entertaining results for those in attendance. But few of the members realized, though all felt that something extraordinary was taking place, as their eyes fell upon Stake Superintendent Joseph E. Greiner, Richard C. Horne, Willard C. Bleak and Audrey Sessel. Missionaries George Arbuckle and H. B. Lewis seated upon the stand. When the usual hour had sounded, Elder Wm. L. Hansen was called to be relieved from his duties as superintendent of the school. His salary as manager of the Grass Creek coal property, and his other extensive business absence from the Dale, hence the change. After the announcement of the change, Elder Hansen was duly seen in the school. The members of the school, and especially the children, have long been favored by their superintendent and the thought of his leaving was too much.

Superintendent H. H. Love, who is also a member of the ward, recalled the circumstance of how, in August, 1893, Elders W. H. Hansen, Joseph E. Greiner, Noah Timpson, F. M. Lyman, Jr., himself and others, under the direction of Superintendent Hansen, started a small branch school, with a membership of some forty scholars. From this small beginning the school has nearly 200, and Elder Hansen has been continued as its superintendent.

Following the opening speeches and the presentation of a complete set of Roberts' works to the retiring superintendent, Elder Hansen, Elder John M. Cannon, formerly first assistant to Elder Hansen, was installed as superintendent, and Elder Lewis on Monday school. He then chose as his assistants, Elders H. W. Ashton and Jos. W. Homer.
