CHINA THROWS UP THE SPONGE.

Wants Minister Conger to be Its Peace Commissioner-Remey Tells of Events in Pekin.

PURSUING THE EMPRESS

DOWAGER.

London, Aug. 20.—The Japanese cavalry has left Pekin in pursuit of the dowager empress and her court, according to telegrams from the north received at Shanghai by Chinese officials. These dispatches aver that the empress and her treasure train, pro-

empress and her treasure train, pro-tected by 30,000 troops, have already ar-rived at Wu Tai San, in Shan Si prov-ince. The field telegraph north of

Yangtsun is interrupted and nothing under Pekin date appears to have

reached Yangtsun since August 17th. Heavy rains have been falling in the

province of Pe Chili.

The landing of the British troops at Shanghal is not causing excitement among the natives. A detachment of 100 French marines landed there today. A customs cruiser is reported to have gone to Tien Tsin to take away the foreigners rescued from Pekin.

Many influential Chinese have interested themselves in the fate of a Chinaman sentenced by an English court at

Washington, Aug. 20.—The Chinese | kin, and that the allies were still bomgovernment today made formal appliration through Li Hung Chang as its erroy, for the appointment of an Amergan commissioner to bring about the essation of hestilities in China and the extension of general peace. This, commg since the capture of Pekin, is the put showing of China's complete wariness with the struggle and her deers to make terms. The reply of the United States government has not yet

FIFTY-FIRST YEAR

ben made known, Li Bung Chang's application came to the Chinese minister and was delivered by him to the state department at 10 dock this morning. Shortly afterand thePresident was made acquainted with China's desires. In the absence of Seretary Hay and Secretary Root, (the istic having gone to New York) who have been thost active in the Chinese patter, there was no opportunity for a abinet council.

WANTS MINISTER CONGER,

The application if Li Hung Chang is that Minister Conger or some other offigal be named as commissioner to negolais for a cessation of hostilities. Earl Li expresses a willingness to go where the powers may desire to conduct the negotiations, and it is expected that this till be either Pekin or Tien Tein. In that event the negotiations will occur on what is practically conquered terri-ary. The suggestion of the Chinese en-try that Minister Conger be named as as American commissioner is said to due to the fact that as Mr. Conger-nos relieved from personal danger as now relieved from personal danger at kin he is free to conduct the negoti-

inderstood to be similar to that made the other powers. Under these cirunstances it is probable that the full be a conference in order that the lowers may act in unison. As to this, lowever, there is no official announce-aent for Li Hung Chang's application as barely had time to get before the sident and his advisors.

PLEA FOR THE EMPRESS.

Another important development is that two of the influential vicetops of the influenti Another important development is the continental powers is prepared to answer that there will be no personal ladgalty or disrespect to their majes-

Rundle Reports 684 More Prisoners

washington, Aug. 29.—The diplomats connected with the Russian embassy have been annoyed by constant reports attributing atracity to the Eussian troops in China. One of the most notable instances was an alleged interview with Mrs. Anna Drew, wife of Mr. E. B. Drew, the chief accretary of Sir Robert Hart. As a refutation of the sentiments put in her mouth, Mrs. Drew has addressed the following letter from Chicago, under date of August 14, to the Russian ambassador. After the usual opening phrases, she says:

"We have been living at Tien Tsin the past year, and I returned from there only last week. Our steamer was bestieged with newspaper reporters upon our arrival at San Francisco, and although I was extremely careful in whaf I said to them, a great many strange things have been put into my mouth by some disagreeable people.

A COWARDLY POLICY.

What Gov. Roosevelt Says of Demoeratic Platform.

New York, Aug. 10.—Gov. Roosevelt, at Oyster Bay, L. L., today gave out for publication a letter which he had written on August 5th to Gen. John M. Palmer of Springfield, Ill., relative to the St. Paul speech by the governor, in which he had been quoted as making derogatory remarks concernsing Democrats. The letter says, in

I notice that in your recent very manly interview, stating why you could not support the Populistic Democracy and the Kansas City platform and nominees, you allude to a statement I was supposed to have

m my St. Paul speech.
"You have evidently seen a report which was not merely garbled, but falsified. I stand by this speech absolutely and have nothing to explain in connection with it, but I do wish to point out where its meaning was de-

'In my speech I began by saying: We appeal not only to Republicans, but to all good citizens who are Ameriley.' I ended by saying: 'Study the Kansas City platform and you cannot help realizing that their policy (the policy of its makers and sponsors) is a policy of infamy, that their triumph would mean misery to widespread that is almost unthinkable, and a disgrace so lasting that more than a generation would have to mass before it could be wiped out. They stand for lawless-ness and disorder, for dishonesty and ness and disorder, for dishotesty and dishonor, for license and disaster at home and cowardly shrinking from duty abroad. We usk the support of all Americans who have the welfare of the country at heart, no matter what their political affiliation may

Kansas City piatform and all other citizens, whether Democrats or Repub-licans. I feel that as a matter of fact, the greatest possible credit is due to men like you, my dear sir, and to the other Gold Democrats who four years ago and now stand for national honor. 'I hold up the policy advocated in the Kansas City platform as a base and cowardly policy, to emphasize our right to appeal to the countless thousands of high-minded Democrats who abhor baseness and cowardice, and are quick to see and disown them."

Electrical Engineer Killed.

San Diego, Cal., Aug. 20.-W. E. Mc-Curdy, an engineer of the electric plant here was found dead in the power house. He had received a shock of about 7,500 volts. His hat was lying by the dynamo and his body was twenty feet away. A burned shot on his hand chowed where he had touched the pole the shock throwing him over another machine standing near. In als flight ranged the gearing, for the engine ran away and burned out the dyname. As "The object of this reply to your temporarily. result the city is without street lights
