complexional tints—no detection being possible to the clos-Under these circumstances a faulty complexion is little short

Labor Abroad.

The Times prints three columns of comparative labor statistics, in this country and Europe. It eays: In every case it will be found that the American laborer is paid better and can maintain himself and family at less cost than European workmen in similar branches of industry, but it is interesting to compare the co dition of different nationalities. In the matter of material prosperity, comfort and contentment, the English workmen seem to have the best opportunities for bettering themselves, but strikes and tippling are fatal drawbacks to this advancement. In France and pare the co dition of different nationalities. In the matter of material prosperity, comfort and contentment, the English workmen seem to have the best opportunities for bettering themselves, but strikes and tippling are fatal drawbacks to this advancement. In France and Belgium, in spite of low wages and scanty means of sustenance, the laboring people are thrifty and contented. In Germany the contented. In Germany the contented. In Germany the contented in Germany the contented. In Germany the contented. In Germany the contented in the principal streets were almost three fields of the head streets were almost three fields

The Tribune says: Postmaster-General Keys' expression of views upon the result of the Tennessee We refer in Washington, to flon, Post-master General D. M. Key, Rev. F. D. Pow-er, The German-American National Bank, to offic. als in the U. S. Patent office, and to verdict is for absolute repudiation.
The Times on the same subject,

lemma in which they are involved by the defeat of the compromise Either they must now avow them-selves favorable to repudiation or Bismarck's Ambitious Designs.

The same paper says: The thickening rumors of a rupture between
Russia and Germany and mysterious hints at a connection between
the rather abrupt change in Bismarck's interior policy and certain
necessities in his foreign policy,
cannot but attract attention. The
nuity of Germany, the great and cannot but attract attention. The unity of Germany, the great and avewed good of all Blamarck's exertions, is not complete till the German part of Austria, comprising Moravia, Styria, Austria proper, Tirola and Illyria is freed from per, Tirola and Illyria is freed from Two additional deaths have occurred both colored. its unnatural union with the Magyar and Sclavic provinces, and in-corporated with Germany. But there is only one way in which this can be accomplished, namely, by moving the centre of the Austrian moving the centre of the Austrian empire from Vienna to Buda, Pesth, and transforming Austria into a great slavic power, with access to the Black and Algian Seas. That Bismarck really entertains such ideas is evident, and in a recent excited conversation with Litcent excited conversation with Littican, the Roumanian ambassador, he made it niore apparent when he plainly declared it Roumania did not fulfil the treaty of Berlin with respect to the emancipation of the Jews, her independence would not be recognized, but she would be placed under the apparents of Tree. be recognized, but she would be placed under the suzerainty of Tur- attack of the black vomit this after-

contented. In Germany the condition of the working classes is most deplorable. Destitution and despair appear to stare them in the face.

The subscription of the working classes is bly against prizelighting and jailed in default of \$8,000 bail. They claim this meeting was a pugilistic exhibition. They fought for money and the patch from Rio Janeiro were both badly used up. Religious assembly.

CHAUTUAQUA, 11 - This is a the Holy Spirit. Rev. B. T. Vincent held an intermediate normal class. Vincent and Beard conducted the children's hour exercises, and Major Cole held devotional conference. Prof. J. W. Churchili gave a lecture with readings to monster audiences, Jeff Davis falks.

upon the result of the Tennessee election confirms the worst fears that have been entertained. He seems to have no doubt that a significance of the majority against the Davis said his autobiography was readjustment scheme is that the people of the State are unwilling it would be. The loss of his papers to pay even half of their debt. The of the rebellion and recent ill verdict is for absolute repudiation. health had retarded the work. He said he was not a caudidate for says: The democrats have the satisfaction of knowing they have smitched the focal reputation of the republican party and involved it in a good deal of embarrassment, but the delight derivable from the fact cannot reconcile them to the di sisas. Evidence cannot be given of "the dispost ion having been made through hatred, anger, suggestion or caption." He affirms that the talk about undue influence is serthey must second from the ground talk about undue influence is serties to the creditors. talk about undue influence is sertile and juvenile babble, and altogether terms to the creditors. kind of fight in defense of the will and Davis' right under it.

curred, both colored.

At a meeting of the executive committee this afternoon a committee of three was appointed to confer with the various ministers regarding the propriety of closing churches and discouraging any large public assemblies which are calculated to spread the yellow fever in our midst.

Dr. O. H. Collins, who had been sent to Forest Hill to investigate

sent to Forest Hill to investigate the cases of fever at that point, returned to day, and reports one person, a refugee from Memphis, down with the fever. Every presention has been made against its spreading by isolated dwellings.

Major Gray's condition to night

The Bloodless Fight.

The report of the personal difficulty between Senator Conkling and ex-Governor Sprague, of Rhode Island, at Narraganeet Pier, last Friday, gives rise to much comment here, but it is received with little surprise. The intimate relations between the surprise of the personal difficulty between the

pected but failed to be, and their open exchange of notes while she was in the gallery and he on the floor of the Senate, have given rise to much gossip.

Reports from Narraganset Pier as to the nature and cause of last Friday's difficulty are very consultating but the general impression here seems to be that it was toward the music teacher Linke that Gov. Sprague's hoetlilty was manifested and that hirs. Sprague could extend the music teacher Linke that Gov.
