THE CATALOGUE OF CRIME.

NEW YORK, 27.—George Hazel,
notorious pedestrian, was arrested
in Brooklyn, yesterday, for drunk-
ennes.

Omaha, 27.—John T. Norris, de-
tective of the Columbus, Hocking
Valley and Toledo Railroad, who ar-
rested the gambler Leon Houck, in
California, a few days ago, for a mur-
der committed on the railway in
Ohio, by which Norris is employed,
arrived in this city this morning,
half a day earlier than was ex-
pected, and lodged his prisoner in jail to
wait for the evening train on which
he proceeded east. Norris's unex-
pected move was made to outwit
the gambler and the Sheriff of
Cheyenne, whom Norris says he be-
came aware before he left San Fran-
cisco of the plan, which was to
get out a habeas corpus and have
the prisoner released.

Norris surmised that the sheriff at
Cheyenne would meet him with
the writ, and to mislead him, he
graphed from Laramie that he
wanted assistance in transferring
the prisoner to another train, and
would arrive on the regular train.
Then Norris procured a special train
at Laramie, and accompanied by
Superintendent Dickinson of the
Union Pacific, made a run of 334
miles to the Denver Junction, and
ing through Cheyenne without
stopping, and overtaking the
train from Denver at that place.
Houck appeared chagrined when he
saw the detective's plan, but says
he would not have gone with the
writ, but preferred to go to Chicago
and stand trial for the murder of
Lohman, for he had done the killing
in self-defense. At the depot in
Cheyenne, the passenger room was
filled with a disappointed crowd,
comprising gamblers from all quar-
ters.

New York, 26.—Richard O'Keefe,
John Conlin and Michael H. O'Donnell,
"fire alarm friends," are
sentenced to the penitentiary for
one year each.

New Orleans, 27.—The election
fraud cases were continued to-day.
Wm. Buckley, deputy sheriff, say-
ing as supervisor, swore he could
not identify his own signature on
the tally sheet. He was arrested for
perjury. John Buckley, his
brother, accused by the United
States supervisor of representing
the democratic party, testified
he knew the accused, his brother,
but did not know his brother's sig-
nature.

St. Louis, 27.—In the Criminal
Court this morning, the plea of Rus-
sell Brown, charged with the
killing his grandmother, Mrs. Sarah
Davis, and the plea of Pat McGinn,
implicated in the same offense, were
accepted by the court and both
sentenced to ten years in the pen-
itentiary.

San Francisco, 27.—J. C. Vanness,
ex-Commissioner of Immigration,
was examined to-day in the police
court on the charge of embezzling
funds of his office, and discharged
from custody.

Washington, 27.—In the Star route
trial, the grand jury came into
court with a number of present-
ments, among them the following:
United States vs. T. J. Brady, for
receiving stolen money, \$50,000,
postal drafts to the amount of \$50,
000 while Second Assistant Post-
master General, from Jas. B. Price,
making a contract with Price, to
mail service with Price on July
13th, 1880, upon the Star route from
Doooroo to Silver City, New Mexico;
against W. H. Kellogg and Thos.
Brady, for conspiring on April
17th, 1880, with James B. Price, to
defraud the United States by means
of false oaths and fraudulent allow-
ances for expedition, and for in-
fraudulent claims to be made for
increased pay for expedition on post
routes from Munroe to Shreveport
in Louisiana, and San Antonio to
Corpus Christi in Texas, the said
routes being then in the name of
Jas. B. Price as contractor; against
Wm. F. Kellogg, a fitting forth that
on April 17th, 1880, while Price
was in Louisiana, he did, unlawfully
receive from James B. Price, con-
tractor on the Star route from
Doooroo to Silver City, New Mexico,
and from San Antonio to Corpus
Christi, Tex., a certain sum of
money, postal drafts and promissory
notes, together with the value of the
same for his service in procuring and
inducing Thos. J. Brady, Second
Assistant Postmaster General, to
ward and allow to Price all the ex-
pense of pay and compensation for
carrying the mail with increased
speed on and over each of said
routes, and corruptly influencing
Brady therein. Another present-
ment was against Brady for having
on or about April 17th, 1880, while
Second Assistant Postmaster Gen-
eral, unlawfully received certain
money, postal drafts and a note, to-
gether being of the value of \$30,000
as compensation, for the service of
awarding to James B. Price, con-
tractor, a contract on each of the
routes from Munroe to Shreve-
port, La., and San Antonio to Cor-
pus Christi, Tex., to carry the mail
with increased speed, and for in-
creased pay. The witnesses named
are Thos. A. Walsh; James B. Price,
Joseph Cochrane and J. W. Brady.

Detroit, 26.—A libel suit begun in
this city to-day is likely to last two
weeks. Prof. Donald Maclean of
the medical department of the
State University, sued James E.
Scripps, editor of the Evening News,
for \$50,000 damages for publishing
from a Canadian paper an article
asserting that the Professor com-
mitted adultery with a female pa-
tient from Tilsonburg, Ontario, who
went to Ann Harbor for medical
treatment.

New York, 26.—Captain Irving
and chief officer Barratt of the
White Star steamer Republic, were
arrested to-day in a civil suit for
\$25,000 damages by Thos. Dose
Steward, rescued from the wrecked
steamer Glamorgan and delivered
on board the Republic on suspicion
of being implicated in the Phoenix
island murders.

Chicago, 26.—Edward Donovan,
partner of Ernest Whitney, ac-
cording to the statement of the lat-
ter, confessed to converting to his
own use \$3,000 cash and proceeds of
the sale of \$18,000 worth of goods.
Pending negotiations for settlement
Donovan disappeared, and Whitney
alleges he is a fugitive. The firm
is in liquidation. Donovan has been
a partner for two years.

Boston, 27.—The full bench of the
Supreme Court is engaged in hear-

ing arguments on the question of
the law arising on the bill in equity
brought by the Union Pacific Co.
against the Credit Mobilier of
America, for injunction to restrain
the Credit Mobilier from present-
ing suits at law against the Union
Pacific to recover the balance due
the Credit Mobilier for the construc-
tion of 245 miles of the Union Pa-
cific Railroad. Amount involved,
\$1,778,000.

Omaha, B. C., 27.—A Chinese
gang employed on a railroad near
New Westminster, to-day made a
savage onslaught on their foreman,
named Neville, beating him until he
was unconscious, with shovels, picks
and axes. He was brought to the
hospital in a dying condition. The
gang are nominally under arrest. It
is not believed they can be held, as
there are no white witnesses.
Wherever Chinese congregate in
large numbers, the whites oppose
and threaten to attack them.

Washington, 27.—The examina-
tion of the Credit Mobilier con-
tinued the examination of Dorsey in
the star route trial this morning.
He was asked if he knew whether
he had drawn any of the checks
upon Middleton & Co., in June,
1879, as described by Reddell. He
said he had not drawn a check for
\$7,500 on June 27th or 28th. It
was given Reddell. (Check shown
and identified). Witness did not
draw money on the check.

Paterson, N. J., 27.—The
Quebec, 26.—Gibbs, Ward & Co.,
wholesale grocers, have failed. Li-
abilities \$100,000; assets nominally
\$80,000.

Newcomstown, Ohio, 26.—J. L.
Edwards & Co., proprietors of the
rolling mills at Canal Dover, this
county, have assigned; liabilities,
\$50,000; assets, \$30,000.

Montreal, 27.—Lord & Mann, the
largest shipbuilders of western Can-
ada, to Great Britain, have assign-
ed; liabilities, \$250,000.

W. A. Desmarian & Co., whole-
sale grocers and wine merchants, as-
signed this morning liabilities \$100,
000; assets unknown. C. Desmarian
at the same time suspended; liabil-
ities \$40,000; assets \$20,000.

Pittsburg, 27.—C. P. Markle &
Sons, the largest paper manufactur-
ers in Western Pennsylvania, have
assigned without preference, liabil-
ities about \$400,000; assets nearly
a million. A official statement just
prepared says the failure was pre-
cipitated by Captain Cassius C. Mar-
kle, one of the firm, who left the
city on a train for the West last
Thursday, taking with him it is es-
timated from \$80,000 to \$100,000
of the firm's money, leaving their bank
accounts bare, and no funds to meet
maturing obligations. On Thurs-
day he drew nearly \$12,000 intended
to meet their pay rolls at West
Newton, Markleton, and their Coke
Works in Westmoreland county.
This he took with him. On Friday
his brother, Shepard D. Markle, ar-
rived here, and after investigating
as far as possible the affairs of the
firm, deemed it advisable to make
an assignment for the benefit of
creditors.

The Renegade Apaches.
SAN FRANCISCO, 26.—Tucson dis-
patch. A Star special agent says
the Indians were rounded up this
morning and counted by bands,
numbers and letters. None have
left the reservation. The best feel-
ing was manifested. All expressed a
desire to fight the renegades should
they come here. (Signed.)

P. F. WILCOX, Agent.

Special Agent. The killing near
Ures included some of the wealthiest
citizens of the State of Sonora.

Pomelone dispatched yesterday,
Capt. Charles Young arrived from
Switzerland, and reported a fight
between five Apaches and himself
and Frank Leslie, on Sunday last.
The Indians laid siege to the house
and kept up a steady fire from be-
hind the rocks all the afternoon,
and set fire to the country, in order
to burn them out. Not succeeding,
they attempted to shell them out.
Young is positive several were kil-
led. Next morning a detachment of
the Sixth Cavalry arrived. Young
heard a number of shots in Sulphur
Spray Valley, and thinks the
ranchers were attacked. The country
for miles is burned and the cattle
run off.

Lordsburg, N. M., dispatch says:
A Richmond special gives the in-
telligence of the killing of two more,
making a total of five white men
killed in the vicinity of Richmond
during the past twenty-four hours.
Captain Black and his company of
Shankens Guards will leave to-
night for Richmond and fight with
about thirty men. It is reported the
Indian number 1,000. Grave fears
are entertained here for the safety
of settlers in the Gila valley, and
there is a possibility of an attack
being made upon the laborers along
the line of the Lordsburg and Clif-
ton railroads.

Denver, 27.—The Tribune's Santa
Fe special says: Official information
received yesterday afternoon says
the company of the Fourth Cavalry
was attacked by Indians and seven
men killed. This morning Swine's
ranch was attacked and five more
men killed; believed to be by San
Carlos regulars, moving south to
join other hostiles, and together try
to force their way into Mexico. Col.
Foraythe has ordered out four com-
panies of the Fourth Cavalry, and
Mexican General F. Neco, a large
body of troops in Chihuahua and
Sonora, and in conjunction with the
United States troops, they will com-
mence a vigorous campaign. The
depositions so far are confined to
Arizona.

He Refused the Apple, but Gets in
Trouble all the Same.

CHICAGO, 27.—Judge McAllister
delivered the opinion of the Appel-
late Court to-day, in the case of S.
N. Apple, 1881, that he would marry
her on September 25th, following
both of them are Jews, and when
the day arrived it turned out to be
Yom Kippur (the Jewish feast of
atonement), on which no Jewish
priest would celebrate a marriage.
Consequently Stone declined to be
married that day, and two days af-
terward Apple sued him for \$5,000
damages for breach of promise. The
jury gave her \$5,000 damages. The
Appellate Court overruled, and de-
cided that no good Jew can be com-
pelled to marry on Yom Kippur,
whether he promises to do so or not.
Apple is evidently not discon-
solate over Stone's default, as she
has since married.

South American News.
New York, 27.—The steamer
from Panama of the 17th brings the
following: The condition of affairs
in Peru continues unchanged, but
as the Chileans have released several
of their more important prisoners, who
have returned to Peru to advocate
peace, the prospect in this respect

continues to improve. The last as-
sault on power was a man named
Pug, who, in the interior of Chota,
dubbed himself Arbitrating Umpire
of Peru. Inglesias marched against
him, and in a severe fight defeated
him. He has not since been heard
of.

A fire is reported at Iquique on
the 20th, in the particular. The des-
truction by fire on the night of the
15th, of the old Lima Theatre re-
moves one of the ancient edifices
in the city. At the same time it
causes heavy loss to the owners,
and of the buildings burned with it.

The quarrel between Brazil and
the Argentine Republic seems to be-
come more serious. The real
points in dispute is as to who shall
appropriate Uruguay.

There is much alarm in Guaya-
quil, and all citizens unite in de-
claring that rioting is prevented
solely by the presence of Italian and
English men-of-war. The revolu-
tionary troops with which the
city is without a struggle. At the latest
dates they were in the close vicinity.
Public opinion is strongly pronoun-
ced against the Dictator, who de-
clares he will hold out at all haz-
ards even if the destruction of the
town should follow.

The American and English ships
on expedition met here and proceed-
ed to Callao, where they take a
man-of-war and continue to Caro-
line Island.

British Exile.

LONDON, 27.—It is stated the
Marquis of Lorne, who has returned
from Canada, will be raised to the
peerage.

Monseigneur Gastaldi, Archbishop
of Lyons, is dead.

Thomas Power O'Connor, mem-
ber of Parliament for Galway deliv-
ered an address at Leeds last night.
He had previously been challenged
to a duel by a man named Crowe,
who he had received funds of the
Land League and whether he was
willing to have the League accounts
audited. O'Connor, however, failed
to notice the question in his speech.

Belfast, 27.—The jury rendered a
verdict of guilty in the case of the
members of the Armagh assassina-
tion society which were placed on
trial here yesterday. Counsel for
defense vainly tried to impeach the
evidence given by an informer
named Duggan. He argued that
Crowe doubted his own case, be-
cause it had failed to secure the in-
dictment of men who according to
the evidence offered by the Crown
were strongly implicated in the re-
jected murder of landlord Brooks,
through Boyle, who was the trea-
surer of the local league.

festo is in circulation in the south-

SIN FRANCISCO, 26.—The steam-
ship Arabie has arrived, bringing
the following dispatch: Hong Kong
March 1st.—French transports with
500 troops for the Tonquin expedi-
tion arrived at Halphong, February
21st, increasing the number of the
force to 2,500 in infantry, and artillery
in proportion. No active hostilities
are expected, however, a pacific

quested to advise an arbitrator in the
Loe Choo Islands dispute between

Ludlow continues in a state of

semi-warfare. German ships of
war maintain a hostile attitude, and
are closely watched by Chinese
gunboats. On shore the public of-
fices are guarded day and night to
prevent a possible seizure of the of-
ficials by German sailors.

The Chinese authorities protest
vehemently against the injustice of
the British, with respect to tele-
graph stations. The Hong Kong
government recently prohibited the
landing of telegraph line in the col-
ony. The Chinese now oppose the
landing of a British line at Shanghai,
whereupon the British Consul re-
ceived instructions from home to the
effect that he was to maintain the
landing by force if necessary.
