#### POOR MEMORY.

## This Girl Takes Prize-She Forgot Her Own Maiden Name.

A poor memory for names is a com mon defect, and probably most persons have been embarrassed by it occasionally. Certainly many a person has owned up to a queer sort of absentmindedness which, for instance, would cause him suddenly to forget the name of a friend upon whom he had gone to call. After the doorbell had been rung the unfortunate caller would discov that he did not know who to ask for when the servant should appear. But such performances as this have been completely cast in the shude by an exhibition of memory failure given re-couly by a Mrs. B.
