

TAKE U. S. TROOPS OUT OF CHINA.

Gen. Chaffee Advises it, and President Wants to Do It.

MUST MOVE WITH CARE

Other Powers May Make War-San Francisco as German Base-German-British Negotiations.

New York, Aug. 25.—A special to the Herald from Washington says: Major General Chaffee has recommended that the United States troops now in China be withdrawn as soon as all the Americans in Peking have reached places of safety.

HOW IT IS VIEWED.

There is a disposition in administrative circles to believe that General Chaffee's recommendation was based on military considerations alone, and that he did not take political positions into consideration.

GERMANY GOING IN.

New York, Aug. 25.—A dispatch to the Tribune from London says: The report telegraphed from Washington that Germany is preparing to make San Francisco a base of supplies with a view to sending a very powerful army to China has attracted considerable attention.

PRINCE SEES KAISER.

Some importance may possibly be attached to the meeting which the prince of Wales had with the German emperor yesterday. The prince had a considerable audience. Your correspondent has made inquiries on the subject in shipping circles and finds that German orders for stores and provisions are suddenly extensive to a degree probably due to this rumor.

BRYAN'S SPEECHES.

He is Making Them in Kansas and Nebraska. Manhattan, Kansas, Aug. 24.—Mr. Bryan began the day with a speech here at 10:30 o'clock before a large audience. The speaker received careful attention and liberal applause.

CHINA'S SITUATION DISTURBING.

The lack of direct telegraphic news from Peking during the last few days, together with reports of further fighting near Tien Tsin, is causing some anxiety. It is not, however, thought that the allied contingents can have any real difficulty in clearing their line of communications, even if the Chinese should have gathered in force in their rear.

The Schorn Murder.

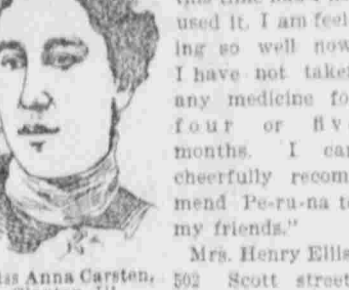

New York, Aug. 24.—Frederick Schorn, the 15-year-old boy who has been held by the police pending investigation into the murder of his sister Kate last Saturday, was released on a writ of habeas corpus today, but was immediately re-arrested on a charge of burglary.

IT IS A PITY SO FEW WOMEN Are Entirely Free From Pelvic Catarrh,

Miss Anna Carsten, Clayton, Ill., says: "Your Pe-ru-na did me so much good. I believe I should have been dead by this time had I not used it. I am feeling so well now, I have not taken any medicine for four or five months. I can cheerfully recommend Pe-ru-na to my friends."

Miss Anna Carsten, 592 Scott street, Clayton, Ill., Milwaukee, Wis.

It was a most miserable sufferer from falling of the womb, weak ovaries, and leucorrhoea, which caused me to be confined to my bed for a long time, being too weak to bear my own weight even, upon my feet. I was treated by the most reputable physicians in our city. They could do nothing for me. I am most happy to say that in three months after I began taking Pe-ru-na I was well—entirely cured without any appliances or support of any kind."

G. A. Proehl, New Portage, O., writes: "My wife has been sick for about five years. In the first place the doctor called it leucorrhoea, and treated it about one year, when it turned to ulceration of the womb; she was then treated for that for two years, when the doctor gave her up. She could not walk for nearly two years. She then tried your Pe-ru-na. She has taken three bottles and it did her more good than any other medicine."

A vast multitude of women have

to life imprisonment in the State penitentiary. Troops were on guard all the way to the court house. There was no demonstration whatever.

After Peck had been sentenced, he was at once taken in a closed carriage to the center street crossing of the Cleveland, Akron and Columbus railway and placed on board the train in charge of Sheriff Kelly and taken to the State penitentiary at Columbus. So quickly and quietly was Peck brought into the city, and the fact that he was in Columbus, that very few people knew what had transpired, and there was no crowd at the railway station either when he arrived or departed.

Lieut. Cordua Shot.

London, Aug. 24.—A special dispatch from Pretoria says Gen. Lord Roberts has confirmed the sentence of death imposed upon Lieut. Cordua, formerly of the Staats artillerie, and that he was shot yesterday afternoon.

Nippers on His Wrist.

Louisville, Ky., Aug. 24.—"I want you to say that you found me handcuffed like a beast of the field," said ex-Secretary of State Caleb Powers, convicted on the charge of being an accessory to the murder of William Goebel, when he talked to reporters at the county jail today. "This, too," he continued, "after I told my guards that I would give them my word that I would make no attempt to escape. Such an attempt would have been not only useless, but foolish. If I had made an attempt to escape, it would have ruined my chances for another trial. If I were turned loose on the streets this minute, I would not make the least attempt to run away."

Testing Lead Ordnance.

South Bethlehem, Pa., Aug. 24.—The new 16-inch Gathmann torpedo gun, the largest ever built in this country, was tested today at the Bethlehem steel works to determine the velocity and strength of the gun, and proved successful. Solid shots weighing a ton were fired.
