

BROTHERS WERE ALSO LUNATICS.

Beckwith Estates in Chancery
Pending Establishment of the
Date of a Demise.

ARTHUR HAS ESCAPED TWICE.

Now the Administrators Want to De-
clare Him Dead and Give Estate to
Heirs of Leonard.

New York, Sept. 8.—Disposition of an estate involving a large fortune depends upon the date of death of Arthur Beckwith, an artist who belonged to a prominent family of this city. He disappeared from the Sanford Hall asylum at Flushing, L. I., in 1884, and never has been heard of since.

Owing to complications between the heirs and the state on the question of the amount of the transfer tax, counsel has instituted proceedings in the surrogate's court to have the date of death ascertained.

The controversy also involves the estate of Leonard Forbes Beckwith, his brother, at one time chief engineer of the subway commission. Both men were declared to be incompetent and left large property interests. Each inherited estates of about half a million dollars from their father, Leonard, died intestate in 1883.

According to the petition of the administrators of the estate of Arthur Beckwith, he, in 1890, escaped from an asylum at Litchfield, Conn., and was two years later discovered in Havana, Cuba, living in squalor. He was in 1893 placed in the Sanford Hall asylum at Flushing, pending proceedings begun in January, 1894, to have him adjudged incompetent. He again escaped in January, 1895, he was declared legally dead. It is now sought to have his death placed before that of Leonard, in which case the latter's heirs will get most of both fortunes.

OWNER ASSAULTED.

Union Men Attack Citizen Hand-
ling Personal Property.

Chicago, Sept. 7.—J. J. Thornton, the proprietor of a warehouse and van company, was assaulted today during the labor parade because he was driving one of his own teams without having a union card in his possession.

Thornton hitched three horses to one of his vans in the morning and took a few more of children out to see the parade. He attempted to haul nothing but his guests.

For three hours he stood with his wagon at the corner of Jackson boulevard and Clark street and watched the parade, and when he attempted to drive away he was stopped by some of the teamsters in the parade, who asked if he had a union card. He tried to explain that he needed no card, that it was his own team, and that he was doing no hauling. Several hundred men gathered around the wagon and attempted to pull him off.

An escort of police enabled him to get several blocks away, when a mob numbering fully 1,000 caught up with him. He whipped up his horses and nearly a mile he was pursued, when finally the mob cut the harness of his horses into small pieces, beat the animals with canes, compelling them to run away, and then beat Thornton badly.

Thornton employs a large number of teamsters, all of whom are members of the union, and has never had any trouble with the organization before today.

Horses Cremated.

Pittsburg, Pa., Sept. 8.—Fire which broke out in the large stables of the Allegheny Transfer company at Sixteenth and Liberty streets at 2 o'clock this morning resulted in a loss of at least \$200,000, distributed over a great portion of the block bounded by Sixteenth and Seventeenth streets and Second and Spring alleys.

The blaze originated in the stables, supposedly from the oven of a lantern, setting fire to some hay. There were 125 horses in the stable and fully 12 of them were either burned to death or so badly hurt that they will have to be killed.

Moving Royal Remains.

Honolulu, Sept. 1, (via San Francisco, Sept. 7).—All the remains of Hawaiian royalty in the royal mausoleum in Nuuanu cemetery have been removed from the mausoleum to a temporary structure near by, to allow repairs and improvements of the mausoleum, for which the last legislature appropriated \$17,500. The bodies were removed in their caskets by night, and with something of the old-time Hawaiian ceremony for such occasions, and the scene at the cemetery was an impressive one.

EX-QUEEN PRESENT.

Twenty-three caskets were removed, with much solemnity, from the mausoleum and placed in the temporary structure provided for them, while the royal retainers chanted Ololoa or funeral songs. The mausoleum will be repaired and the walls and roof will be altered. Insects were beginning to eat their way into the chamber and threatened to attack the caskets.

Circus Tent Collapsed.

Anthony, Kan., Sept. 7.—During a severe wind storm today the tent in which John Robinson's circus was exhibiting was blown down. An immense crowd of people was in the menagerie, and when the poles and canvas came down a hundred or more people were hurt, of whom several were seriously injured. Price Jones, a farmer, was probably fatally injured, as he was lying on the ground, and was overturned, some of the cages falling on people. None of the animals escaped.

Seven Bodies Found.

Port Jefferson, L. I., Sept. 7.—Seven bodies have been washed ashore between Port Jefferson and Wading river. It is supposed that they are those of sailors who were lost from the schooner which was capsized in the storm of Aug. 25.

Convict Caught.

Walla Walla, Wash., Sept. 7.—Warden Dryden of the penitentiary here today last night that Joseph Graff, the five-year-forger from King county, who escaped Aug. 26, had been caught in the wild mountain country north of Elgin, 30 miles away. Graff had secured a rifle and was armed, and was only captured by a ruse. He was hiding at a sheep ranch.

Bishop Clark Dead.

Newport, R. I., Sept. 7.—Bishop Thomas Marsh-Clark, Bishop of Rhode Island, died at his residence here today at the age of 78.

If you like your gray hair, keep it. If not, get rid of it. You can do as you please, for Hall's Vegetable Sicilian Hair Renewer always restores color, always.

Sold for 60 years. If your druggist cannot supply you, send 50 cts to R. P. HALL & CO., Nantua, N. H.

Peary's Next Attempt.

Washington, Sept. 7.—Commander Peary, who will make another attempt to reach the North Pole next summer, stated that the ship in which his expedition will sail northward probably will be called the Charles H. Davis, in recognition of the assistant secretary's interest in the trip.

Killed in Runaway.

Hagerstown, Md., Sept. 8.—Mrs. Frances McGraw, wife of Aaron K. McGraw, has been killed in a driving accident near Sharpsburg. She was a niece of Levi Z. Leiter, the Chicago millionaire, and therefore a cousin of Lady Curzon, wife of the viceroy of India.

Mr. McGraw, his wife and one of their children, drove out to view a new Jersey-Antietam battlefield monument, and had gone but a short distance when the horse shied and the wagon was upset.

All three of the occupants were thrown out. Mrs. McGraw landed on her head and her neck was broken. The wheels of the wagon passed over the child, badly bruising it. Mr. McGraw was rendered unconscious but soon recovered. He was slightly injured about the head.

Perish in a Mine.

Springer, N. M., Sept. 7.—On last Friday afternoon mine No. 1 of the Dawson Fuel company, caught fire and is now burning. In Room No. 8 of the mine were Sergio Ragel and Miguel Salazar, both of Mexico, and a negro known as Phil, all perishing. Ragel was a wife of the mine and was killed at the end of the mine and from this the fire started.

Saturday evening the superintendent of the mine, with a posse of men, started to rescue those inside and put out the fire. The fans were working, and when the force was quite a distance inside a terrible explosion took place, throwing some of them as far as 30 feet, and some out scorched and scratched, and some slightly hurt.

The mine is still on fire and the bodies of the dead have not been recovered.

Phantom League.

New York, Sept. 8.—If there ever was a national anti-cigarette league, it has dropped out of sight, says a Tribune dispatch from Philadelphia. The address given as the headquarters of the organization in this city is a vacant building, and persons employed in stores in the vicinity are weary of telling inquirers that they know nothing of the league.

At the postoffice there is a stack of letters several feet high addressed to the league and they are continuing to come at the rate of thousands daily. The postal authorities have tried vainly to stop the stream of correspondence for which there is no claimant. Some one with an endless chain scheme to stop cigarette smoking is said to be responsible for the flood of letters.

Despondent Woman Suicides.

Chicago, Sept. 8.—Mrs. Helen Worthington Purinton, wife of Col. Holman Greene Purinton, prominent in masonic and national guard circles, committed suicide by shooting herself in the mouth. Despondency over continued ill health, coupled with the dread of a dangerous surgical operation, which her physicians had told her was inevitable, is thought to have been the cause of her act. The weapon with which she took her life, a heavy army revolver of 38 calibre, was a wedding present given her by her husband's father.

THEY ALL SAY SO.

Not Only in Salt Lake City, But in Every City and Town in the Union.

If the reader took the time and trouble to ask his fellow residents of Salt Lake City the simple question, "pounded below, he would obtain the one answer. If he would read the statements now being published in Salt Lake City, which refer to this answer, it would surprise him to note that they number so many. As many more could be, and may be, published, but in the meantime ask the first person you meet what cures backache? The answer will be Doan's Kidney Pills. Here is a citizen who endorses our claim:

Robert C. Kirkwood, engineer on the Oregon Short Line, R.R., residence 424 West Fourth South, says: "Like most men who follow the occupation I do the jarring and jolting of the engine causes a constant strain on the small of the back and lameness, soreness and aching in the result. I suffered severely at times with my back and on more than one occasion I have been relieved by the use of Doan's Kidney Pills, procured at the F. J. Hill Drug Co.'s store. Not only can I speak positively about the preparation myself, but Mrs. Kirkwood derived so much benefit from the use of the remedy that we both look upon it as of great value. I will be pleased to tell others about the merits of Doan's Kidney Pills."

For sale by all dealers. Price, 50 cents per box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

HEROIC WOMAN BADLY WOUNDED.

MOB AFTER THE ASSAILANT.

Cornice Workers Attempt to Wreak
Vengeance Upon the Man Who Did
The Shooting.

Chicago, Sept. 8.—Rushing in front of her husband to protect him from an attack by an armed man, a young wife last night received a bullet in her right side, and physicians say she will die.

Mrs. Ida Reckstein, 34 years old, is the victim, and after shooting her, Rudolph Hoppe, a saloonkeeper, was set upon by a crowd of union cornice workers, who knocked him down and were beating him over the head when the police appeared.

Not until the police had drawn their revolvers and charged on the crowd did the union men release Hoppe. He was then unconscious, but later recovered.

The shooting followed a quarrel between Hoppe and Reckstein at the rooms of the latter. Reckstein is said to have struck Hoppe and the saloonkeeper then drew his revolver. He fired twice at his antagonist without effect, and as he fired the third time Mrs. Reckstein jumped in front of her husband.

Frightened by what he had done, Hoppe ran downstairs and went to his saloon. He opened the cash register and after taking the money hurried into the street, where he was met by the cornice workers, who had been celebrating Labor day. They had heard of the shooting and called for vengeance.

Dumont Welcomed Home.

New York, Sept. 8.—Santos Dumont, the aeronaut, has arrived here from France, says a Herald dispatch from Rio Janeiro. He is visiting his native country in order to recover his health. A long procession of carriages containing representatives of the states and municipal authorities and all the scientific literary societies was drawn up alongside the quay and the inventor was escorted through the streets by an immense crowd.

Search for Treasure Stopped.

Astoria, Or., Sept. 7.—The British ship *Albatross*, arriving today from Shanghai, was ordered into quarantine, where her ballast, taken from the harbor at Shanghai, will be removed. The precaution is taken to prevent the possibility of cholera germs being communicated to this port.

Against Cholera.

Wellington, N. Z., Sept. 7.—The American expedition on the schooner *Hermann*, which has been searching for hidden treasure on Coors Island, has abandoned the quest after having searched 20 islands. The originator of the scheme then confessed that he was ignorant of the locality of the treasure island.

Has the Proof.

New York, Sept. 8.—Rev. Casimir Reichlin of Cleveland, Ohio, uncle of Agatha Reichlin, who was brutally murdered last April at the home of her brother,

a priest in Lorain, Ohio, has arrived here from Switzerland with proofs which he says will refute charges alleged to have been made after the murder to the effect that Agatha was not Rev. Charles Reichlin's sister.

"The dastardly murder of my niece was bad enough," he said, "but I could scarcely credit my senses when I learned that inhabitants of Lorain had said such unjustified and malicious things about their pastor. When my nephew asked me with tears in his eyes to prove his innocence I immediately started for Switzerland, the native land of the Reichlins. Arrived there, I got the necessary papers from the mayor of Steinberg, in the canton of Schwyz, where Miss Agatha was born, and had them verified and approved by the governor of the province and by the American consul in Lucerne. These papers I have brought with me."

Killed by Dynamite.

Everett, Wash., Sept. 7.—At 5 o'clock last evening three men were instantly killed and two other men and a boy badly injured by an explosion of dynamite in the Pride mine in the Monte Christo district. The men were in the chamber preparing the powder. There were Frank Kaushan and Joe Valentine, both Australians, and Morris Vanuati, an Italian. The injured are A. Nieman and Joe Polish, severely bruised; Orville Kimball, aged 6, son of the slain boy, J. I. Kimball. Another miner named Blais was knocked down by the concussion.

It will be gratifying to Asthmatic readers to learn that an absolute cure has at last been discovered by Dr. Schiffmann. That the remedy is an effective one cannot be doubted after perusal of such testimony as that of C. W. Van Antwerp, Fulton, N. Y., who says: "Your remedy (Schiffmann's Asthma Cure) is the best I have used. I have suffered for 35 years and I thank you for the health that I now enjoy. I hope that you will publish this letter, that others may learn of this wonderful virtue."

Constipation Cured

Those who have used salts, castor oil, and the many home and manufactured purgatives, know that in such treatment there is no possibility of cure from constipation. These remedies are at most physics and do absolutely no good. In fact they frequently provoke piles, fistula, female disorders and many cases of appendicitis are traceable to their use. Soon the ordinary doses of these physics fail to have any effect upon the bowels.

There never was a case of temporary or obstinate constipation that

Mull's Grape Tonic

would not cure. First, Mull's Grape Tonic is unlike any other treatment for constipation. It is the greatest and most positive laxative known. But that isn't what cures it. It is the tonic properties of the grape and other fruits that strengthen the worn-out muscles of the intestinal tract. Mull's Grape Tonic builds flesh, makes strength and creates rich, red blood. Mull's Grape Tonic is the finest thing ever known for constipation. It is guaranteed to cure you. Large sample bottle sent free to any address on receipt of notes, for postage by Lightning Medicine Co., Rock Island, Ill. Send your druggist's name. All druggists sell Mull's Grape Tonic at 10 cents a bottle.
