County Court.

But little business was transacted by yesterday's session of the county court.

On recommendation of County Selectman Wangsgard, J. L. Fetzer of Eden was not appointed road supervisor for the Ogden canyon district. It was not thought necessary in view of the close financial situation to keep men employed continuously on said road.

During the past week the time of the county board has been employed in the work of equalization of taxes, and the members were, therefore, unable to make the reports that should have been presented at this session. Further time was granted. Adjourned for one week.

Alleged Illegal Mortgage.

In the case of David H. Stephens vs W. B. Seigart, which was argued Monday before Commissioner Holbrook, a motion for a new trial was denied yesterday by the commissioner after having taken the matter under advisement. The suit involves some 30,000 feet of lumber that had been mortgaged to Stephens by the South Ogden Building and Mercantile company. Seigart, a constable, attached the lumber on the suit of C. F. Grant for the payment of $150, obtaining that the mortgage had been given illegally and for the purpose of defrauding the creditors of the concern. Stephens brought suit to recover the property from Constable Seigart, and judgment was given in favor of the former. The matter will probably reach the district court before finally decided.

Escaped.

Albert Bowen, up to yesterday an inmate of the Reform school, took it into his head to leave the institution and did so. He is still at large. The youth was sent up from Coalville, and is about thirteen years of age.

Probate Court.

In the Probate court yesterday W. C. Miller was appointed guardian of Mary Heberer, incompetent. Bonds fixed at $1000.

Saturday, August 26th, was the date fixed for hearing the return of sale of real estate of James Hutchins, deceased.

The hearing of the petition of Mattie Weeden, for the appointment of T. D. Johnson as administrator of the estate of George W. Weeden, deceased, was set for Saturday, August 26th, at 2 p.m.

Police Items.

At the hearing yesterday in the police court the seven vagrants arraigned before his honor Justice Osborn were told to leave town at an early date and sentence would be suspended in their case.

A. Harden was run in yesterday by Marshal Davenport on the double charge of assault and battery and disturbing the peace. He got into a row with one Graham and drew him up with a beer bottle. The fellow left for his appearance today.

D. A. Spees also got into a row with A. S. Nori and was pulled for assault and battery. He left $10 to insure his presence before Justice Osborn today.

Notes.

A marriage license was yesterday granted to Robert C. Wilson, aged 21, and Miss Emily J. Carr, aged 20, both of this city.

Mr. Ford, of the Ogden Transfer company, is said to be mourning the disappearance of J. J. Rossiter, one of his former employes, who took "French leave" of the city on Sunday and forgot to turn over some $50 collected in the absence of Mr. Ford.

Tomorrow the examination of county teachers commences in the city hall. The examining board consists of Prof. T. B. Lewis of the city, J. M. Bishop of North Ogden and Morgan Hall of Huntsville. The city examining board is still in session.

Special car "Otsego," bearing Mrs. H. E. Huntington and party, will start late tomorrow at 2 o'clock, p.m. Hunt gives a reception to C. P. Huntington, president of the Southern Pacific railroad.

The members of the Young Ladies' improvement association of the Fifth ward are making arrangements for an evening social gathering to be held in the Institute of that ward next Friday evening. It would require but little foresight to predict that the event will be a success both socially and financially, as the young ladies of that part of the city are always successful.

PUTNAM NAIL CO., Neponset, Mass.
GENTLEMEN:—Having tested several lots of the Putnam nails, we write this letter to say that we find them the best nail we have ever used, and shall be glad to have you send us the Putnam Horse Shoeing Nail IT can not be excelled. Wishing you success, as we always do, I remain, Yours truly, and cordially advise its use to every horseshoer.
Very respectfully yours,
Hal Marcom

The Putnam Nail is the only exclusively Hot-Forged and Hammer-Pointed nail.

Look in your smith's shoeing box, if the nails have smooth edges for the whole length they are the PUTNAMS, for they are Hammer-Pointed and are not sheared.

The above picture from a photo engraved by Mr. Bonner is the one of the most celebrated horses in the world, and the fact that he wears the Putnam Nail is the strongest recommendation that can be given. Mr. Ed. Corrigan, also prominent with many, on receipt of 2 red stamps for postage, etc.

FAT PEOPLE

DR. SCHENCK'S

Mandrake Pills have a value as a household remedy far beyond the power of language to describe. The family can hardly be true to itself that does not keep them on hand for use in emergencies.

MANDRAKE

In the early vegetable substitute for that dangerous mineral, MERCURY, and while in action as a corrective is fully equal, it possesses none of its perilous effects.

In Constipation, Mandrake acts upon the bowels without disposing them to subsequent costiveness.

No remedy acts so directly on the liver, nothing so speedily cures Sick Headache, Jaundice, Biliousness or Dizziness.
