American Mining Board Transac-

There seems to be a want of coners in the new American Mining Board, recently established here. Its meetings are thinly attended, and very little energy is displayed by those present. The board issues daily an official report of its transactions, which shows that the greater part of the business is done after the close of the regular call. At this morning's session 2,400 shares changed hands as follows:

100 Cleveland 200 Crown Point, 12 @ 11 800 Merrimac, 40 @ 100 Overman, 85
