

SCHOOL DISTRICT CONSOLIDATION.

In Answer to Request by County Commissioners Trustees Give Their Sentiments.

MAJORITY IN FAVOR OF MOVE.

Out of Twenty-Eight Districts Eighteen Approve and Ten Oppose the Merger.

The consolidation of the school districts of the county into either two or eight districts has been discussed at length by the county commissioners, the county superintendent of schools and county principals and teachers in its jurisdiction. Many have opposed the scheme from the start and are still opposing it, while others opposed to it at first have given way to the judgment of the superintendents of consolidation and now favor it.

The county commissioners, in order to arrive at the sentiment of the various trustees of the school districts, have requested them to give their views on the subject. Replies have been received from the trustees of 28 districts. Out of that number the trustees of 18 districts favor consolidation and those of 10 districts oppose it. A brief summary of the replies received by the commissioners follows:

- SCHOOL DISTRICT VIEWS.**
- 1—Emanuel H. Richards, March 7, favored eight districts for the reason that interests of people could be best served.
 - 2—P. A. Nielsen, H. A. Smith and D. O. Ridenour, Jr., March 7, favored two districts for the reason that consolidation would be a saving of money.
 - 3—John A. Barrett, March 21, favors two districts if the whole county can be consolidated into one district.
 - 4—E. J. Gillen, David Powell and Michael McMillen, March 21, are not in favor of consolidation for the reason that the taxpayers are opposed to it.
 - 5—James Godfrey, Henry W. Brown, Joseph T. Cannon, March 21, are not in favor of consolidation for the reason that the taxpayers of the Twenty-fifth district oppose it.
 - 6—Richard Howe, John G. Thompson and N. W. Erickson, March 21, are not in favor of consolidation, cannot see the benefit.
 - 7—Bert McCleery, John P. Pershon and Nils Lind, March 21, are not in favor of consolidation for the reason that the taxpayers oppose the proposition.
 - 8—James Neilson, T. S. Newman and W. J. Sutherland, March 21, are in favor of eight districts. (No reason given.)
 - 9—M. C. Morris, March 7, favors two districts, providing the school trustees are in favor of it.
 - 10—C. M. Sorenson and William Thompson, March 21, are emphatically opposed to either plan, the personal sentiment of the people in the district is decidedly against any kind of consolidation.
 - 11—E. N. Jacklin, Amos A. Fuller and J. J. Bailey, March 21, are in favor of consolidation into two districts. (No reason given.)
 - 12—Rudolph Boss, Frederick W. Schoenfeld, Joseph F. Schoenfeld, March 21, are favoring consolidation into two districts. March 21, James M. Fisher, Jr. reports through written communication as favoring two districts for the reason that it would more fully compare to the spirit of the public school system.
 - 13—J. W. Weadon, Samuel Hoyt and G. S. Beckstead, March 21, favor consolidation into two districts. (No reason given.)
 - 14—J. W. Weadon reports personally as being in favor of two districts for the reason that it will more nearly equalize taxes and bring about a more perfect system of graduation and raise the school standard generally.
 - 15—N. D. Jensen, March 21, favors consolidation into two districts; believes it will in time produce the best results and carry out the free school plan and system to the highest standard. But if it is found wisdom to consolidate only into eight, that also will meet his approval.
 - 16—John F. Hamilton, March 7, favors consolidation into two districts, but the district would be much better than the present condition. (No reason given.)
 - 17—Amos S. Gabbott, Thomas L. Woodbury, Joseph S. Tinney, March 21, are in favor of consolidation for the reason that the people of the district vigorously protest against it.
 - 18—W. W. Wilson, Isaac Harrison and Charles H. Cushing, March 21, favor consolidation into either two or eight districts.

Meetings During Conference Week

Monday, April 4—4 p. m., meeting of state primary officers in room 202, L. D. S. business college; 4:30 p. m., California missionary reunion in room 33-Y; 7 p. m., memorial building; 7 p. m., general assembly meeting in the Tabernacle; 8 p. m., Scandinavian reunion in the Lion House; Nottingham reunion in room 33, Y; Memorial building; reunion of Leeds, Grimby and Bradford conferences in the Seventeenth ward assembly hall; reunion of Elders and Saints of the Kentucky, Mississippi, Louisiana, North Carolina, Virginia, North Alabama and Middle Tennessee conferences in the Fourteenth ward meetinghouse; German dramatic entertainment in Fifteenth ward hall.

Tuesday, April 5—10 a. m., special priesthood meeting in the Assembly Hall; meeting of state and local officers, T. L. M. A. in the Fourteenth ward; 11 a. m., religious class convention in Barratt hall; 4:30 p. m., special meeting of Sunday school officers in Barratt hall; reunion of South Carolina missionaries in room 202, L. D. S. business college; 5 p. m., semi-annual reunion and banquet of Northern States

NEW THOUGHTS.

Are you growing more attractive as you advance in life? "Given a healthy body," says Dr. R. V. Pierce, the specialist in women's diseases, of Buffalo, N. Y., "and a healthy mind, and everyone can cultivate and enjoy happiness."

We must eat properly and digest well. It is a fact that any form of dyspepsia may in a few days transform a clear, white skin into a mass of pimples and black spots. A beautiful woman has the beauty of her stomach.

Dr. Pierce's Golden Medical Discovery maintains a person's nutrition by enabling one to eat, retain, digest and assimilate the proper nutritious food. It overcomes the gastric irritability and symptoms of indigestion, and thus the person is saved from those symptoms of fever, night-sweats, headache, etc., which are so common. A tonic made up largely of alcohol will shrink the corpuscles of the blood and make them weaker for resistance.

"This is to certify that I have used Doctor Pierce's Golden Medical Discovery, and it is the greatest medicine in the world," writes Mrs. M. Young, of Weir, W. Va. "I had dyspepsia in its worst form. I decided to try your medicine. I used five bottles, and now I am doing my own housework. A number of my friends also are using Dr. Pierce's medicine and they recommend it highly. May God bless you in your grand work."

Dr. Pierce believes that a tonic made with alcohol will shrink the red blood corpuscles and make the system weak for resistance; that is why he avoided the use of any alcohol or narcotics in his "Medical Discovery," which contains the pure extract from roots and herbs without a particle of alcohol. Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for dyspepsia or debility. Blistersness is cured by the use of Dr. Pierce's Pleasant Pellets.

districts for the following reasons: First—It will tend to make a more just and equitable equalization of the assessed valuation of property. Second—It will give a better opportunity to grade our schools. Third—It will open the way to establish and maintain a high school, thus giving to children the opportunity of securing the benefits of a higher education at home. 43—Charles Brink, March 7, favors consolidation into eight districts. He would like to see the whole county consolidated into one. He is fully convinced that consolidation would be for the improvement of the educational system in the county. N. C. Hall reports, March 21, that the people do not favor consolidation in any form; wants to know where Mr. Ashton received his information that they did. 44—Frederick W. Webb, Edward Orrell and Seth Pixton, March 21, favor consolidation into two districts. (No reason given.) 45—Manasseh Smith, William J. Horne and Alexander J. Hill, March 21, report: If consolidation takes place, favor two districts. (No reason given.) 47—John Breeze, D. H. Jacobs and Isaac Coon, March 7, favor consolidation into eight districts. (Verbal report.) 48—Joseph H. Earl, March 7, favors consolidation into two districts. (No reason given.) 50—John R. Neilson, Lorenzo Day and T. N. West, March 7, favor consolidation into eight districts. (Verbal report.) 53—S. C. Sudbury and J. L. Gressman, March 21, are not in favor of consolidation—unfavorable. 59—George Robinson, H. L. Bowden and N. P. Peterson, March 21, are in favor of consolidation into two districts, providing the proposition is to better the school system and establish high schools, say not more than two miles from any school, and providing it is not to work a hardship on the people. 60—David Bills, Alma H. West and George J. Merrill, March 21, are not in favor of consolidation for the reason that the people oppose it. 61—Frank Hicks, March 21, is not in favor of consolidation. He reports that they have been opposed to consolidation on account of the isolated and hemmed in position they are in, and the impassable roads for their children to travel long distances to school, but it is decided to consolidate, they prefer the eight-district plan. 62—John T. Spencer, March 7, reported as being in favor of consolidation into two districts for the reason that it would be an advantage to the schools. James P. Jensen, March 21, favors consolidation into two districts. (No reason given.)

CULTIVATION OF ROSES.

In the growing of cut flowers the greatest advances have been made with roses, carnations and violets. There are now annually sold in this country \$5,000,000 to \$6,000,000 worth of cut roses. This represents something like 100,000,000 or 125,000,000 flowers. The growing of roses as an industry has developed especially in the vicinity of the larger cities such as New York, Chicago and Philadelphia—World's Work.

OPENING DAY OF CONFERENCE.

(Continued from page 5)

vants of God. He said it was the mission of all the Saints to preach the Gospel by precept and example and that there is plenty of work for all of us here at home.

OPEN-AIR MEETING.

Gospel Truths Expounded to a Large Congregation.

An open air-meeting was held on the Temple block Sunday afternoon, April 2, at 2 o'clock, Elder Geo. A. Smith, presiding. Singing. High on the Mountain Top was offered by Elder Rulon S. Wells. Singing, "Guide us O Thou Great Jehovah."

President Wm. Jack of the Cassia stake, was the first speaker. He referred to the restoration of the Gospel to the Prophet Joseph Smith, and showed the necessity of the Gospel being restored, that the authority to baptize and administer in the laws and ordinances thereof which was held by the Apostles and Saints of old and which was taken from the earth when the Saints of old had passed away might be restored in its simplicity and purity to prepare the hearts of men.

The coming of the Master. The speaker admonished the Saints to be ready to live lives of purity that they might in very deed be the people of God and a light unto the nations. Elder Benj. Goddard spoke upon a subject of baptism for the dead. He urged how urgent it would be to conscientious and true people to perform baptisms which had not had an opportunity of hearing or believing the sacred Gospel of Jesus Christ; that beyond the grave the Gospel is being preached as Christ Himself went to the spirits in prison for this purpose. Baptism, he said, is an indispensable principle and how strange it would be for Christ to preach the necessity of baptism without providing a way in which His instructions and commands might be obeyed. Since baptism is an earthly ordinance, it must be performed on earth, and as Christ had done a vicarious work for us so might we for others and thus become saviors on Mt. Zion. The speaker quoted scriptures and gave his remarks, dwelling emphatically on the saying, "Else what shall they do which are baptized for the dead? If the dead rise not at all then they are ye baptized for the dead?"

Elder Arnold H. Schultze spoke of the wonderful and rapid growth of the Church and how the Spirit of God and the spirit of sacrifice took hold of the people's hearts in foreign lands and led them to the land of Zion to establish an everlasting mountain top. He closed by bearing a strong testimony to the truthfulness of the Gospel. President James G. Duffin of the Southwestern States mission read from the Doctrine and Covenants a revelation concerning the Gospel as revealed to Joseph Smith, being preached to all the world. He showed the great missionary work being done by the Saints and the great sacrifice the "Mormon" people are making in bearing to the world the blessed principles of life and liberty for which the Master was crucified and which Saints in former and latter days have been willing to live and die for.

Over 52 nations of the world have already been visited by the Elders and the work will continue until all nations shall hear it and until righteousness shall cover the earth as the waters cover the deep. Elder Rulon S. Wells continued the theme of the rapid growth of the Church, citing instances where God's power has been manifest in behalf of the Church's development. He referred to the natural and strange desires among the Saints abroad to come to Zion when they receive the Spirit, notwithstanding the opposition that might be brought to bear. He showed that the Spirit of God bore testimony to them that they were visited by God as it did to the Apostle Paul, Peter and the other Apostles and Saints. He said the gates of hell had not prevailed against the Gospel when the Master was nailed upon the cross, but that was the greatest victory the Church had ever known. The work of redemption defied the gates of hell and beyond the power of Satan lifted men to their Redeemer.

President Ben E. Rich of the Southwestern States mission read the hymn "Oh My Father" and commented upon the same. He proved by Scripture that our spirits had a pre-existence. Christ was the Lamb slain before the foundation of the world, to be wounded for our transgressions and bruised for our iniquities that by His stripes we may be healed. Jeremiah was chosen and ordained a Prophet of God. He was one of the sons of God who should have been the morning stars sang for glory and the sons of God shouted for joy. We were sent here as a school to prepare us for the higher grade we shall enter if faithful in the other land of eternal progression.

There is a secret something in the lives of all that whispers to us that we are but strangers here, that dust we are and to dust we shall return; but "the spirit shall go back to God who gave it." There is a ring in the words of the faithful Elders abroad which strikes conviction to the hearts of many. Elder George A. Smith closed by bearing a faithful testimony. Singing, "Oh ye mountains high" by the congregation and benediction by Elder B. Clegg.

TEMPLE NOTICES.

The Salt Lake Temple will close on Friday evening, April 1, and reopen on Tuesday morning, April 5, for baptisms only, and will be open again on Thursday morning, April 7, for other ordinances. JOSEPH F. SMITH.

The St. George Temple will close Friday evening, March 25, 1904, and will reopen Tuesday morning, May 24, 1904. DAVID H. CANNON, President.

Manti, Utah, March 9.—The Manti Temple will be closed the 1st of April, 1904, reopen for ordinance work on the 12th of April, 1904. JOHN D. T. McALLISTER.

The Logan Temple will close on Friday evening, April 1, 1904, and open again April 11, 1904. M. W. MERRILL, President.

CHURCH NOTICES.

Relief Society Meeting. The officers of the Relief Society of the Liberty stake will hold a meeting in the annex of the Second ward meetinghouse, on Seventh East between Fourth and Fifth East, Saturday April 9, at 2 p. m. It is earnestly desired that every officer be present. ANNE S. MURPHY, ZERVIAH BARLEY, MARY E. HODGSON.

Pioneer Stake High Council.

The High Council of the Pioneer stake will meet in the basement of the Seventh ward meetinghouse on Wednesday, April 6, at 7:30 p. m. It is important that all members of the council be present at the meeting. WILLIAM McALLISTER, SYLVESTER C. CANNON, CHARLES H. HYDE, Stake President.

CONFERENCE OF SUNDAY SCHOOLS

Interesting and Well Attended Meeting Held in the Tabernacle Last Night.

SECRETARY'S ANNUAL REPORT.

Music and Musical Training the Themes Dwelt Upon by the Principal Speakers.

The general conference of the Deseret Sunday School Union convened in the Tabernacle last night, the vast edifice being filled to its capacity. The meeting was opened by the combined choirs of granite stake, under the leadership of Prof. Evan Stephens, singing the inspiring selection, "If There's Sunshine in the Heart." Prayer was offered by Elder Abraham O. Woodruff, after which the choir sang, "Peace, Be Still." Secretary George D. Pyper then called the roll which brought responses from every stake in the Church and three missions.

The annual report of Secretary Pyper showed that there were 10,000 Sunday schools in the Church, a gain of 21 since the previous report. These schools had held 4,321 sessions and had 16,222 officers and teachers, with an average attendance of 67 per cent. The enrollment of pupils showed 55,228 males and 39,438 females, or a total of 115,666, with an average attendance of 51 per cent. Books owned by the Sunday schools, exclusive of the regular song books, numbered 2,257, and 10,000 teachers and 81 per cent observed the Word of Wisdom, while among the pupils it was observed by 51 per cent. Ninety-three per cent of the officers and teachers paid tithing.

SUNDAY SCHOOL OFFICERS.

The following Sunday school officers were then presented and unanimously sustained. Joseph F. Smith, general superintendent; George Reynolds, first assistant; J. M. Tanner, second assistant. As members of the Deseret Sunday School Union, Board—Joseph F. Smith, George Reynolds, J. M. Tanner, J. W. Summerhays, Levi W. Richards, Francis M. Lyman, Henry J. Grant, George Taylor, H. J. Cannon, Gordon Kimball, Dale H. Taylor, L. N. Nuttall, J. W. Yre, J. F. Bennett, John M. Mills, William D. Owen, Seymour B. Young, Geo. D. Pyper, Henry Peterson, Anthony H. Lund, John R. Winder, J. M. Tanner, James E. Tamm, Horace Cummings, A. Woodruff. Secretary George D. Pyper; treasurer, George Reynolds; business manager and assistant secretary, William A. Norton. Juvenile Instructor—Staff—Joseph F. Smith, editor; George Reynolds and J. M. Tanner, assistants; George D. Pyper, business manager.

NO NEED OF FRICTION.

Miss Margaret Summerhays and Wood and Noel Pratt have rendered a beautiful selection, after which Elder William D. Owen read an editorial which appeared in a recent number of the Juvenile Instructor, dealing with the relationship between preaching authorities and those called to preside over the auxiliary organizations. The article was read by President Joseph F. Smith and pointed out the fact that if all understood their places and kept them, there would be no need of friction in the discharge of the duties devolving upon them.

SUNDAY SCHOOL CONVENTIONS.

The choir sang, "Bless O Ye Mortals," and Elder J. W. Summerhays spoke on district Sunday school conventions, citing the fact that the three recently held, to them that they were the most highly successful. He explained that in these conventions was much different than that done in the stake Sunday school conferences in that after the regular opening exercises the convention divided into eight different departments for discussion of subjects specially concerning such departments. Elder Summerhays said it was proposed by the general board to hold like conventions throughout the Church to this end, and a meeting is to be held Tuesday in Barratt hall, when the stakes will be divided into four groups and each group will have a good attendance of Sunday school officers at this meeting.

MUSICAL TRAINING.

Elder George Hamlin read an original poem, which was followed by a short address on the musical training of children, by Prof. Evan Stephens, who urged that the music be made a part of the training of the little folks. He urged that children be taught to sing both treble and alto in order that their voices might be thoroughly developed. To demonstrate the effectiveness of such training, Prof. Stephens had the choir sing alto first, then soprano, then both, showing that they were equally capable of singing either part.

PRESIDENT FRANCIS M. LYMAN.

President Francis M. Lyman addressed the conference. He said it was a surprise and delight to hear the children singing and to see the music in the training of the little folks. He urged that children be taught to sing both treble and alto in order that their voices might be thoroughly developed. To demonstrate the effectiveness of such training, Prof. Stephens had the choir sing alto first, then soprano, then both, showing that they were equally capable of singing either part.

A DRAMATIC DEATH.

Dennis Gallagher Called for Beer and Dropped Dead Before He Got It.

Dennis Gallagher, a man about 65 years of age, fell dead at the bar in the Elk saloon shortly after last midnight. For some time he had been hanging around the place waiting for the doors to be opened. As soon as he got inside he called for a glass of beer, but before it could be served to him, he died backward and fell to the floor dead.

THE KING OF BLOOD PURIFIERS SSS

No remedy ever yet discovered has met with such popular favor as S. S. S. The people everywhere indorse it, and there are few homes where S. S. S. for the blood is not known and used. It is superior in many ways to the ordinary blood medicines. In the first place S. S. S. is a guaranteed purely vegetable compound, made exclusively of medicinal roots selected for their wonderful purifying and tonic properties that act upon the blood, purging it of impurities and restoring it to a healthy, natural condition. At the same time, under its tonic effects the general system improves, the sluggish organs are toned up, and renewed strength and vigor and better health is the result. No bad after-effects follow the use of S. S. S., as so often happens with blood medicines containing strong minerals, which derange the stomach and digestion and in other ways damage the system. For diseases of the blood, such as Chronic Sores, Rheumatism, Catarrh, Scrofula, Boils and Pimples, Eczema, Tetter, Blood Poisons, and other troubles due to impure or bad condition of the blood, no remedy acts so promptly and thoroughly as S. S. S. It reaches deep-seated, long-standing cases, upon which the ordinary potash and arsenic compounds have no effect. Even where there is an hereditary predisposition to disease, S. S. S. will search out and remove from the blood the fixed poison and build up the health; it enriches and purifies weak, thin blood and stimulates the circulation. Pure blood is essential to health. You can exist without good blood, but can never be robust and strong; for every organ, tissue and nerve in the body looks to the blood for nourishment, and unless this vital fluid is kept in a pure, healthy state, the rest of the body suffers and the system soon breaks down. Nature has provided in S. S. S. a remedy for diseases of the blood which long experience and a thorough test have proven superior to all others, and the acknowledged "King of Blood Purifiers."

OUR MEDICAL DEPARTMENT.

is an important part of our business, maintained for the benefit of those who need advice or special information in regard to their case. Write us, and our physicians will advise you without charge.

THE SWIFT SPECIFIC CO., ATLANTA, GA.

musical talent will also increase in the midst of our people. I feel that the parents of these children owe much to Brother Stephens for the training of these little folks. It is his heart to see our little children learning to sing and to see our people everywhere improving their talents as good singers. We sing this we find sweet voices and a talent for music; and I believe the Lord has designed that His people shall excel in this as in other directions.

I feel gratified in seeing this vast assembly of people interested in Sunday school work and in seeing that we are so interested in it. It is a very important work and all parents should tend it their support.

PRESIDENT ANTHON H. LUND.

President Anthon H. Lund said he was pleased to see such a large congregation of Sunday school workers. "We sang this evening," he continued, "If There's Sunshine in the Heart." If you want sunshine in the hearts of your children, Sunday school is the place where they will get it. There they have beautiful singing and good teachings and these will make a structure, dealing with the relationship between preaching authorities and those called to preside over the auxiliary organizations. The article was read by President Joseph F. Smith and pointed out the fact that if all understood their places and kept them, there would be no need of friction in the discharge of the duties devolving upon them.

NEW LIBRARY BOOKS.

The following 35 books will be added to the public library Monday morning, April 4, 1904:

MEN'S WEAR

Woman's Nightmare

No woman's happiness can be complete without children; it is her nature to love and want them as much so as it is to love the beautiful and beautiful.

The critical ordeal through which the expectant mother must pass, however, is so fraught with dread, pain, suffering and danger, that the very thought of it fills her with apprehension and horror. There is no necessity for the reproduction of life to be either painful or dangerous. The use of Mother's Friend so prepares the system for the coming event that it is safely passed without any danger. This great and wonderful remedy is always applied externally, and has carried thousands of women through the trying crisis without suffering.
