LOCAL AND OTHER MATTERS.

CHEATRICAL BENEFIT FOR REE CHIment opening with the comic drams, of Chicago. A mass meeting was held on From Village to Court," and concluding with the fine Irish comedy of "Handy Antiv," with Mr. Robert McWade in the title

This is a grand volunteer benedit, all connected with the Theatre giving their services, etc., free. Seeing that the proprieter, management, dramatists, musicians and others are doing so generous a part for the poor sufferers of Chicago, it is for the patient to back them up, by filling the house from pit to dome.

Go To Dwynn's News Depot, on East Temple Street, for "Harper's Monthly" for November, and for "Josh Billing's 'Alminax'" for 1872. They are both on sale there, and they who invest in them will get their money's worth.

HARR GREENWOOD'S LECTURE - A argo and intelligent audience assembled per evening to hear the lecture of "Grace treen wood? (Mrs. Lippinsoit) upon "The literoic in Common Life." Hon. Thomas is ich, in a few appropriate words, introduced the fair lecturer to the audience, and the immediately proceeded to read her undered a very eloquant one, datailing numerous instances of heroism, from Jean of the local tree sparkled with scintillations of wit, and with brilliant hits and happy allusions, the sea. Balls of fire were soon observed.

the proceedings of the Third District Court this morning, Major Hemptend, one of the counsel for the defends, amounced to the court that the defends and in the case of the People vs. Brigham Tours, tien, and in the case of the People vs. Brigham Tours, tien, and in the case of the People vs. Daniel E. Wells, were present and ready toplesday the indictment. The indictment in the first named case was partially read, when, further reading being waived by the counsel on both sides, the derived by the counsel on both sides, the direk of the Court put the following question to President Tours: "What say you, Brigham Young, guilty or not guilty?" Brigham Young, guilty or not guilty?"
Not guilty," was the response, delivered in a clear, decided tone, and with deliberaion and dignity. The reading of the indictment against President Wells was waived, the little only being read, after which the question, "Guilty or not guilty," Morgan's College.

AN excellent opportunity for learning FENCING, in all its branches Capt. MARTIN—at what put to nim, the reply also being, "Not

week and as much longer as might be commany, be devoted to criminal matters, the entire exclusion of civil business. The Court wished to hear what the counthe Court wanted to hear what the counter it is for the defence in the above named races had to say to that, when Major it is it is in the intermed augusted that, in view of their magnitude, the circumstances surrounding them, the number of counts in the indictment, and the length of time the defence would require to prepare for the trials, that they be postponed until the riais, that they be postponed until the next term of the Court, in March 1872. Justice to themselves, to the defendants and to everything that surrounds them

time for preparation be allowed. Counsel, ne should be able to arrange as to the time accompodate the counsel on both sides,

Francisco, is in town. He visits our city

n the business interests of Mesers. Murphy, Grant & Co., importers of American and European staple and fancy dry goods, of that city. This house is n of surpassed by any in its line on the Pacific Coast, being first-class in every particular, and we take pleasure in recommending the smileman representing it here, Mr. Burtesif, to the consideration of the business men of this city and Territory.

Tus Monmons to rate Rescus. -The tiobe are more humane, more generous, or the teachings and practice upon the example of their great leader, Brigham Young.
Considering its population and ability, no city in the Union is doing more than Salt Lake. Young, and Hooper, and Wells, and Junnings, and Camon never inquire whether suffaring humanity is represented by friend or fee when bestowing charity. It is as much a part of fluir religion to be generous, is charity as it is to be honorable. make Hereld.

ANOTHER SESSATION. - Here is another Weshington, Oct. 7. - It is said that IN PREPARA!

itelligence that the Moresons have agreed on a retaliatory programme against the Vederal officials for making a warfare on Solygamy. It is to forment a general Indian war from Arisona to the northern frontier; to tear up the railroads, burn the ordiges, and developed the western frontier. It is said that, prompted by the attempted legislation is Congress a year ago, the Moresons agreed if the worst came to the worst to take this step.

Won't the ingenious and imaginative inividual who invented an I disp atched the shove glowing Muschausenlim proclaim imaelf publicly, that he may receive from a gracult community the honors which his mandacious ingenuity so righly descripe.

SALT LAKE CUTT, Oct. 16 Ehter News:-I had occasion, youterday, pass the north-west corner of Mr. Jon. Toung's fence, a short distance west of fortan Bridge, where I discovered a large bile in the road, which had evidently been sain by sand haulers, and which endancies the necks and limbs of both man and sain passing that way, especially or dark lights. I would suggest that the proper factor should see that it is filled up.

Respectfully, Nonvafi

Moun lyants.—The following are from

On Thursday night a furious wind blow on the north, changing occasionally to a torth-oast. The weather was pincered bid and Jock Front had a holiday. The last Central freight train, which left Sali sits at 5.30 p.m., with respect five cars, or

still, the wheels revelving but the train masking no progress. Eventually it was again put in medico, taking an hour and a half to reach Wood's Cross. Here the train was parted, and an effort made to reach Farmington with ten cars, but the wind raised the tops of several cars and lifted some bodily off the rails, and an extra engine had to be called into requisition. The gine had to be called into requisition of this rain, which was does at Ogden at 8.25 p.m., did not arrive until 4.25 a.m. on Friday."

"Last Wednesday, John Horspool of this city was cleaning jout a room islely occupied by some gentlemen from the East, who had been engaged in making an ornition of which they had obtained a large variety, they had used considerable arsenic, portions of which, being stirred up in the dust, were inhaled by Mr. Horspool, and nearly cost him his life. He was seized with violent pains and symptoms of arsenical points and symptoms of arsenical points.
