# AUXILIARY ELECTS OFFICERS.

## Gratifying Progress Being Made in Education of the Blind.

The Auxiliary Association Reading Room for the Blind met yesterday at the public fibrary and elected their of-facers and board members for the com-ing year, after which the president, Mrs. Rowan, founder of the auxiliary, made a brief address explaining some of the aims of the association, and the good work possible of being effected through its effort. She stated that at the Satur-day meetings at which instruction is given the blind in reading raised type, of the students in the two lessons that have been given being able to read, al-ready, short words from the type. It is the hope of the auxiliary to obtain a typewriter and other necessary things for the work. S. W. Jenkinson, president of the as-

On Description. Late vesterday afternoon the police

While Judge Dichl is Shooting Ducks Prisoners Are Compelled to Lie in Jail Without Hearing.

There is much grumbling around police headquarters about the indifferent manner which the court is conducted. Policemen complain, attorneys protest and the unfortunate prisoners growl and kick, but it does them no good.

A few days ago the clerk of the court and other officials complained that nany cases were continued because there was no one to prosecute them. One case was dismissed by Judge Diehl

For Conference, Eisteddfod and State Fair, Via D. & R. G. R. R. upon his own motion because the prosecution was not represented. Yester ecution was not represented. Yester-day morning there was no court at all, except by telephone, Asst. County Atty. Myers was present and asked that three cases be dismissed. To make the rec-ord clear, Judge J. J. Whitaker was telephoned to and considered the mo-tion over the wire and then made the desired order. One single fare for the round trip from all points in Utah. From Ogden, Silver City, Bingham and all intermediate points tickets will be sold Sept. 30th to Oct. 10th, limit Oct. 12th. All other points except Clsco, Sept. 29th to Oct. 9th, limit 15th.

DIEHL SHOOTING DUCKS.

In the afternoon Judge Whitaker did

In the afternoon Judge Whitaker did not put in an appearance at all to hear the city cases. The drunks were re-leased on their own recognizance, but the other offenders were thrown back in jail to languish there until either Whitaker or Judge Diehl takes the bench. Judge Dehl is with Chief Pitt shooting ducks near Manti. It was understood that he had arranged with Judge Whitaker to take his place on IMPORTANT NOTICE OF REMOVAL Mrs. E. Warren wishes to announce to the ladies of Sait Lake and vicin-ity that on account of rapidly increas-ing business she will move to a larger store, 45 E. 1st South, five doors west of present location. The store is being remodeled and will be ready to move into some time the understood that he had arranged with Judge Whitaker to take his place on the bench. This arrangement has been made many times before. Diehl has attended to Whitaker's work and the latter has occupied the bench for Diehl. Yesterday afternoon, however, it 'was different. Clerk Gutch tele-phoned several times trying to get Judge Whitaker. He left a request for the latter to call up and say whether or not he intended to hold court but Judge Whight did not deign to make store is being remodeled and will be ready to move into some time the early part of October. I will have a pretty, up-to-date line of millinery at very reasonable prices. The public also may be supplied with any single article in the millinery line. All are article in the millinery line. All are invited, Business will continue at the old stand until removal, 59 E. 1st South St. or not he intended to hold court but Judge Whiaker did not deign to make answer. It was said in the clerk's of-fice that Whitaker had made the state-ment that he did not intend to take Judge Diehl's place. It is hardly believable that Judge Diehl would have gone duck shooting had he thought for a moment Judge Whitaker would not take his place on the bench. Not long ago when Diehl was out of the city on important business. Whitaker conducted the court. One Saturday word was received to the effect that there would be no court that day, and there was no court, stim-th-ta iticonditiotlace Mce Jdorn but the prisoners had to lay in jait until Monday without a hearing. Judge Diehl is expected to return tomorrow and then the probabilities are that court will be held other than by tele-phone. Judge Whiaker did not deign to make "HEAVEN AND HELL."
