In Salvador the cruiser Empire is also kept ready for action and the President, another cruiser, is being refitted for ac-live service.

RARE SPANISH LACE FOR ALTAR OF FAMOUS CHURCH

New York, Aug. 4.—Another rare ad-dition has just been made to the altar furnishings of the Church of the Trans-figuration, popularly known as "The Lif-tle Church Around the Corner," this being some exquisite antique Spanish lace which once belonged to the late Marchioness de Montcalm. It was pre-sented to the church in memory of his mother by the young Marquis de Mont-calm.

The rector of the church said that he hoped to make use of the laces as an altar decoration yery soon. He requested the young mobleman to send the date of the marchioness' death, add-ing that it would always be remembered at the church. There are two pieces of the lace, the wider one measuring about 10 inches in width and three yards in length, while the narrower lace, matching it in de-sign and mesh, is a triffe shorter and not more than four or five inches in width. It had been in the Montcalm family many generations, and the clov-er pattern wrought on the Spanish net with its heavy roseleaf border, is one that probably cannot be duplicated neywhere. "I had an ulcer on my toot for a year or more and it was very painful as it was a running sore. I had a doctor, but his treatment did not heal it. About eight months ago I commenced to use Cutteura Soap, Cutleura Ointment, and Cutteura Pills. I used two sets and it is now all healed up. Mrs. E. F. Ryder, West Brewster, Mass., April 29, 1907."

The wife, in ignorance of the cause of her-husband's trouble, but knowing that he is in desperate need of money, goes out to work by the day.
