Petition for Eighth Grade in Maeser School Denied—Wedding Chimes.

Provo, Nov. 12.—The following business was transacted by the board of education last evening: A number of pupils and parents, patrons of the Maeser school, asked to have an eighth grade established at the school. The petition was denied on the grounds that to establish the class would necessitate the employment of another teacher and that there is sufficient room in the eighth grade classes now established in the Franklin and Parker schools.

The treasurer presented his report for October showing an overdraft on November 1st of \$6,525.11. Arrangements were made for the

STOMACHS THAT WON'T WORK.

That Retain the Food and Refuse to Digest It, Make the Head Heavy and The Nerves Weak, Need Stuart's Dyspepsia Tablets.

There is a cure for dyspepsia. Sufferers who have tried noxious nostrums will probably be skeptical but skepticism vanishes when Stuart's Dyspepsia Tablets are tried. Whether the trouble

is dyspepsia of long standing, or merely a simple case of indigestion, relief is prompt and pronounced. The less the trouble the fewer tablets need be taken.

Heaviness after eating, sour stomach, as indicated by belching, fatigue with slight exertion or with no exertion at all, disturbed sleep, nervousness, constipation, depression, "blues," these things can commonly be set down as symptoms of dyspepsia. And dyspepsia is merely indigestion in an aggravated form.

By promoting perfect digestion, Stuart's Dyspepsia Tablets produces strong nerves, restful refreshing sleep, pure blood and good sound healthy flesh. They make the skin clear, the eyes bright, the mind cheerful.

Stuart's Dyspepsia Tablets are a medicine and not a food. They are a medicine that digest the food and make it easy of assimilation, and they relieve the inflamed, diseased condition of the membrane linings and the glands of the stomach and bowels. They help the digestive organs over the hard places, and put them into a healthy, active condition. They effect a quick and permanent cure. You don't have to continue taking them forever, still it is well to have a box handy and take one at the first return of the trouble.

Perfectly well people are made sick by eating too much, or unwholesome food, but not they take a tablet after eating. Treatment with Stuart's Dyspepsia Tablets does not necessitate dieting or any change of habits. They digest the proper food and act upon the other kind in such a way as to make it harmless and easy to digest. You may eat and drink what you like, when you like, and as much as you like if you take a tablet afterwards.

Stuart's Dyspepsia Tablets are sold by all druggists at 50 cents for full size package.

Send for F. A. Stuart Co., Marshall, Mich., for little book on stomach diseases, mailed free.
