Major Appoints Jerome Chairman Board Public Works-Build Answers Charge

The City Council met last night in regular session at 8 o'clock. Chairman Jerome Romney was the only member absent.

The Semi-Centennial Commission appeared and, through Judge Colburn asked that an appropriation of \$2,000 be made for the purpose of decoration of the city during Jubilee time with an electrical display. He stated that the amount necessary would be \$5,000, but that the greater part had been raised by other means.

Mr. Wallace, chairman of the committee of decorations, said that he hoped that the Council could make it clear to grant the commission's request.

President Newell assured the commission that their request would be granted unanimously, and that body withdrew. The matter was not thought of again during the meeting, but the association has now voted to appropriate \$1,000 for the electrical display.

James Morris and twenty others protested against the grading of Fairbank Street, between Ninth and Tenth East.

Buckley moved to amend the protest, but the motion was unadopted. Carried.

Five Judges and ten others signed that Fourth Street between Tenth and Eleventh East be left as it is. It has been the intention of the Council to cut the street at that point, but the hill is too steep. Moved and carried that the street supervisor be instructed to cut down the grade on Fourth Street between Eleventh and Twelfth East, and the Salt Lake & Fox Douglass tracks, and north South between Tenth and Eleventh East.

T. P. Lewis also asked that certain cars belonging to the Utah Central Railway company be removed from Fourth West between First and Second south streets. Committee on streets.

W. G. Perry asked that an old claim in Liberty Park be given him, or that Committee on public works be given power to sell it.

John Burt and Clark Lee asked that the city should take to Numisdale late in Jordan sand where it passes through their property. Committee on Streets.

Gen. G. Cannon, adjutant general National Guard of Utah, asked that a spot be set apart for erection of power plant. Referred to board of public works.

A. G. Lounsbury asked permission to lay over an amount of water into Salt Lake and Jordan river canal.

Act as guardian for minor children, the Utah Title Insurance and Trust Company.
