Preaching human deprayaround it, so as to form a circum- lity and threatening hell-fire have ference of about eight or nine yards played their part, and without reain diameter. They then attach a son and facts and arguments and horse by a long cord to the pole, testimony, based on actual knowand continue driving him round ledge and experience, the modern the card is wound upon the pole; for a living at once for his occupaafter this, turning his head in an tion, as one who has "no business opposite direction, he is again set to understand" is emphatically ance to-day, is £48,000. going, until the cord is unwound. gone. By this process, they do not fail to The world wants more light and obtain the whole of the grain clean less dogmatism, more certainty and from the sheaf; but the straw is deg. less guess-work; more present power troyed.13

The New Northwest says, that six weeks ago, Ten-Day, the Indian chief, met on Salmon River, Granville Stuart, whom he had known for many years. He said: "My sire to understand, they will find women and children and people are that their system of incomprestarving. We wanted to go and hensible theology will soon be ourselves, but the soldiers compelled us to return to this agency and remain. We only get a little flour and bacon, and occasionally a piece of beef, not enough to keep our people from starvation, and yet we must stay. I have always been friendly to the whites; I have lived among them nearly all my life; I makes plain the past, explains the will not fight them, nor will my present and unfolds the future. It people while I live. But, I am not sure that my life is safe." That is the way the agents drive Indians on to the war path. Now the cry is "clean 'em out."

"NO BUSINESS TO UNDER-STAND."

BISHOP HAVEN, at the Troy, N.Y., understand." And its effects were Conference, delivered an address, truly foretold by the prophet Isalah; the artificial cascades. However in which he laid much of the blame "They also that erred in spirit hot the weather, the air is freshen of the infidel tendencies of the age shall come to understanding, and led here by the dense spray thrown to the ministers of the gornel. The they that may make a hell led high in air by the fountains. On to the ministers of the gospel. The they that murmured shall learn Pacific Advocate reports his speech, doctrine." from which we take the follow-

"The treachery of some of the BY clergy, failing to preach truth as it should be, for the past 20 years, has invited the Ingersoil rebellion— ladies and gentlemen cheering They had heard the minister preach doctrine that had no partibular hell in it. Some of the preachers of the land have been teachers of the falsest and foulest of heresies. If you do not feel that it is your mission to save men from depravity and hell-fire, you had better get out of the business as quickly as possible. (Applause.) You are to preach a salvation that you cannot understand. It is not your business to understand it. Reason is never the child of Faith. You need to preach the dogmatism of God."

The Dishard for the missing City of Tokio, a cable dispatch of July 3d gave the ship's cargo as 593 tons of overland freight, with 275 Chinese passengers. The officers of the company declare they feel no arkiety in regard to the safety of the vessel, and scarcely acknowledge that they consider her overdue. They say that she is not advertired to leave San Francisco until the middle of next month, and that Captain Maury, who is in command, in order to avoid any strain on the ma-

Maury, who is in command. In order to avoid any strain on the machinery by reason of her unusual carge, is simply taking his time to bring her into port. At the worst, they may the vessel may have been disabled by some accident to her machinery, and in consequence of God, but encourages ignorance. He charges the clergy to preach that which they cannot underthat which they cannot understand, and tells them it is not their business to understand. Can it be wondered then that akepticism advances? Men who are specially hired to act as guides, are not only of the safe arrival.
