

Mauch Chunk, Pa., 7.—The latest returns make the election of General Albright in the Eleventh Congressional district sure.

ALABAMA.

MOBILE, 7.—Herndon, dem., hard money candidate to Congress, will have a majority of 1,000.

ARKANSAS.

Little Rock, 7.—News from the First district leaves no doubt of the election of Dunn, dem. In the Second district, Slemons, dem., is elected. In the Third district, the race is close between Cravens, dem., and Rice, greenbacker. It will probably take official returns to determine. No returns from the Fourth district.

CONNECTICUT.

Bridgeport, 7.—A dispatch from Huntington says the ballot box tender of that town was arrested, to-day, charged with substituting democratic for republican votes, for representative on Tuesday's election, thereby changing the result. He confesses his guilt.

DAKOTA.

Yankton, 7.—Returns are in from 25 of the 32 organized counties in Dakota. Bennett, rep., for Congress is 900 ahead, and estimates on the remaining counties give him 1,200 majority in the Territory. The Black Hills counties give 600 democratic majority. The legislature will be about two-thirds republican.

GEORGIA.

Atlanta, Ga., 7.—Persons', independent, majority in the Fourth district is 3,600; Hammond's, dem., in the Fifth, 2,600; Feiton's, ind., dem., in the Seventh, 1,500; Billup's, dem., leads Speer, ind., by 200 with five counties to hear from. It is very doubtful which is elected.

Chicago, 7.—The *Tribune's* Atlanta, Ga.: Georgia was the first State to make up a solid south, and mark it, she will be the first to break it. This election is the most remarkable in the State's history.

KANSAS.

Topeka, Kansas, 7.—Republicans estimate the majority in the State over 30,000. Anderson, rep., for Congress in this district, will have 12,000 majority.

KENTUCKY.

Louisville, 7.—Hon. Oscar Turner, the independent democratic candidate for Congress, in the First district, is elected instead of Judge Trimble, dem., nominee.

General H. Murray, chairman of the State central republican committee, to-day, telegraphed the following:

To Hon. George C. Gorham, Secretary of the National Republican Committee, Washington City, D. C.

We think, from the meagre returns received, that Dils, rep., has carried the Ninth. Prominent democrats in that district concede this. Official returns from five counties in the Third district, show 1,500 gain for Hunter, rep. The same rate of gain will elect him by 400. The democratic money defeated Scott in the Louisville district and Jenny in the Eighth. The loss of any contested district in Kentucky is due to a lack of help. The republicans here need less sympathy and more aid for the future.

LOUISIANA.

New Orleans, 7.—Galveston *News* special says: Further returns make the election of Jones greenbacker, in the Fifth district, almost certain. Schleicher, in the Sixth, is gaining with every report. Ireland's friends concede his election by a small majority. The State legislature is almost entirely democratic—a few greenbackers and one or two republicans.

In the third district, Acklin, democrat, is re-elected by over 3,000 majority against a registered republican majority in this district of over 4,000. His majority in 1876 was only 387.

Several affidavits against the commissioners of election have been made by deputy United States marshals before Commissioner Quintaro, for violating section 5,515 of the Revised Statutes, in interfering with United States officials at the election for members of congress.

A candidate on the citizens' conservative ticket said, in an interview that it was their purpose to contest the election of every candidate on the ticket.

MINNESOTA.

St. Paul, Minn., 7.—The majority for Washburn, republican, for congress, will probably reach 2,500. In the first district 120 towns give Dunnell about 4,300. The legislature will be about the same as last year, 25 to 30 republican majority.

Pochler, democrat candidate for congress for second district is undoubtedly elected by at least 850 majority.

MISSISSIPPI.

Jackson, 7.—Returns received indicate the re-election of Singleton, Hooker, Money, Manning, Mildrow and Chalmers, all democrats. On the west side of the state the vote is light, in consequence of the epidemic.

MISSOURI.

Kansas City, 7.—The best information leads to the belief that Sawyer, ind. dem., is elected to Congress in the eighth district by 1,000 majority over Grispi, regular dem.; Rothwell, dem, for Congress, gets 2,000 plurality, and it is thought he has carried the district over Polard. Buckner, dem., for Congress only leads Fogg, greenbacker, 200.

St. Joseph, 7.—Nicholas Ford, greenback rep., is elected to Congress in the ninth district over David Rae, dem., present incumbent, by about 1,200 majority.

St. Louis, 7.—It is now reported that Rothwell, dem., has 4,000 majority in the 10th district over Polard, rep., the present member. Kitchen, the greenbacker, is developing a good deal of strength in the fourth district, but returns are too meagre yet to state the result. It is more than probable, however, that Davis, dem., will be elected. Richey, greenbacker, is also making a good run in the sixth district, but Waddell, dem., is no doubt elected.

NEVADA.

San Francisco, 7.—A dispatch just received from Virginia City, says: Daggett, rep., is elected to Congress sure, by 500 or 600 majority.

NEW HAMPSHIRE.

Concord, 7.—The senate stands as follows: Republicans, 16; democrats, 5; no choice, 3. So far as returned, the house stands: Republicans, 166; democrats, 90; greenbackers, 10. The towns to hear from will probably elect 4 republicans and 14 democrats. The republican majority about 55.

NORTH CAROLINA.

Wilmington, N. C., 7.—There seems no doubt now that the congressional delegation of this State will stand, six democrats and two republicans, a republican gain of one.

Washington, 7.—J. J. Young, collector of internal revenue at Raleigh, N. C., telegraphs to Secretary Sherman and Commissioner Roum as follows: We gain one member. Russell, representative, beats Waddell, democrat, in the Third district, and O'Hara, representative is elected in the Second.

PENNSYLVANIA.

Mauch Chunk, Pa., 7.—The latest returns make the election of General Albright in the Eleventh Congressional District certain.

Philadelphia, 7.—The latest reports from the Eleventh Congressional district indicate the election of Robert Klotz, democrat, over General Albright, by a small majority. This will make the Pennsylvania delegation in Congress stand 16 republicans, two greenback republicans, eight democrats, and one greenback democrat. Very little is known of the complexion of the next legislature, but the lowest estimate places the republican majority on joint ballot at 35.

TEXAS.

Galveston, 6.—The following congressmen are elected: Reagan, in First; Culberson, in the Second; Melbourne in the Third; Mills, Fourth. Greenbackers polled an unexpectedly large vote.

Returns from remote counties in the Fifth and Sixth Districts reduce Jones' greenback majority in the Fifth District and increase Schleichers, majority in the Sixth. The latter is returned by at least 300.

WISCONSIN.

Milwaukee, Wis., 7.—Later and corrected returns from the Fourth District reduces Denster's majority to 43. It will take an official vote to determine the result. Republicans still claim the election of Frisby. In the Third District,

Hazleton, republican, is probably elected but by a small majority. Returns from the interior show large republican gains. Republicans have a good majority in both branches of the legislature.

A Bombay dispatch says: The Afghans in the Khyber Pass are deserting largely in consequence of sickness and hunger. Hopes are entertained that the Ameer will submit unconditionally, to the British. The mortality among the Afghans at Jellalabad, is from 30 to 40 daily.

If Russia should urge that Turkey is unable to protect Christians owing to the disturbed state of affairs in Roumelia, England and Austria will furnish a garrison to relieve the Russians." The purport of this treaty was communicated to Russia.

CONSTANTINOPLE, 7.—The Rhodope insurrection has received a fatal blow by the assassination of Omeraga, one of its most influential leaders, by Kara Yussuf, the former leader, who had been disgraced for plundering. Omeraga's death produced such disorganization that the majority of the leaders dismissed their bands to their homes.

She has also agreed to restrict this year's coinage of five franc pieces to 20,000,000 francs, while the other powers have coined no silver this year.

Local and Other Matters

FROM THURSDAY'S DAILY, NOV. 7.

Progressing.—The roof of the New Tabernacle is being shingled.

Third District Court.—Proceedings in the District Court this morning, Chief Justice Schaeffer presiding:

Wm. H. Greenhow vs. B. Y. Hampton; by agreement suit dismissed at defendant's cost.

James Cullinan vs. Iris Mining Company; judgment for plaintiff for \$3,075.01, and special execution against property attached.

Logan Temple.—We learn from Brother Truman O. Angell, Jr., the architect of the Logan Temple, that the work on that edifice is progressing finely. During harvest time, the work was delayed on account of so many of the workmen being obliged to attend to their crops, but that being over, the last four weeks the work has been pushed vigorously ahead. The structure is now about 23 feet above the level.

Special.—The following special has been received per Deseret Telegraph line:

MANTI, Nov. 7, 1878.

Editors Deseret News:

Returns of the general and special election held in Sanpete County, November 5th: For Delegate to Congress, Geo. Q. Cannon received 1,292 votes. For probate judge, James A. Allred received 1,289 votes, scattering, one vote.

Examination.—Yesterday afternoon, following the introduction of Mrs. De Saules' testimony, several witnesses were examined in the Fossburgh case; and before a conclusion was reached, court adjourned till this morning at 10 o'clock. Though five charges were brought against the defendant, in order to save time and expense, but one was proven. This was the robbery of Mrs. De Saules' residence.

The evidence adduced being pointed, and his offence being established beyond a doubt, he was bound over to await the action of the grand jury, under bonds, in the sum of \$1,500. The jury will be likely to take cognizance of the several cases of robbery in which he has been concerned, so he will probably find eventually that his plunder has been dearly obtained.

Provo Items.—From the *Enquirer* of November 6, we learn the following:

Six miles of track have been put down on the Pleasant Valley Railroad.

Last Saturday evening, Richard Mendenhall, of Springville, while chopping ties in Spanish Fork Cañon, cut his foot, badly.

The Provo postoffice is removed from its old quarters, to the opposite side of the street.

At Payson, last Wednesday morning, the two Elmer boys had a quarrel, when the younger drew a knife and inflicted a painful though not dangerous wound upon the person of his brother.

Mr. Brigham Stone, of the same place, while hauling lumber, fell off the wagon and dislocated his right arm at the shoulder joint.

Harris' comedy company is doing a good business in the southern country.

Collision.—A collision occurred in the U. C. R. R. yard about seven o'clock last evening, which resulted in damaging slightly two passenger coaches and an engine. The circumstances of the affair were as follows: At the time mentioned, U. C. R. R. engine number one was standing on a track at the south end of the yard, awaiting an opportunity to switch into the engine house; and the two cars were at the north end of the yard on the same line. Mr. David Love, who was in charge of the switching at the time, gave orders that the engine was to remain stationary for a few minutes, until the track should be cleared. But the word was apparently misunderstood; for, instead of standing, the engine advanced, tender forward, down the track. In the meantime Mr. Love had reached the cars, and ordered the driver of the switch engine to push them up the line for the purpose of leaving them on a side track. Owing partially to the darkness the danger was not observed until too late to be prevented. The tender of engine number one struck the approaching train, breaking her own cross beam and demolishing a platform to each of the cars. Mr. Love, seeing the situation a single instant before the collision occurred, released the brake which he was holding, and sprang from the train. As he reached the ground, the headlight of the switch engine flew past, just grazing his body.

No person was injured; and the damage, not being very serious, will be soon repaired.

Ogden Items.—The following items are from the *Junction*, November 6:

On Monday night Mr. G. J. Turner, while up town, called at the store of Mr. James Allen, when the latter invited him to get into his buggy, and he would drive him home. The invitation was accepted, and they set out. They crossed the Ogden bridge; turned down the lane west of Parry's farm, and when near the residence of Mr. Mason they came to a short, sharp hill, down which the team rushed very fast. It then turned abruptly round the corner, south, when the vehicle was capsize and the occupants thrown violently to the ground. Mr. Turner was seriously bruised on the left hip, his hand, forehead, and scratched in the face. Mr. Allen became insensible from the fall, and received a very serious injury in his left shoulder. Dr. P. L. Anderson has since been in attendance on him, but Mr. Turner needed no medical assistance. Both are doing as well as can be expected.

A shooting affray occurred at Green River yesterday at the election. It appears that some time since a difference occurred between A. E. Bradbury, formerly superintendent of the Sweetwater stage line, and a trapper named Bowen. The breach had not been healed, and yesterday Bowen walked up to the polls to vote. His vote was challenged by Bradbury. The trapper thereupon drew a revolver and shot Bradbury, the ball entering the left shoulder, glanced downward a little, broke one of his ribs and lodged against the shoulder blade. Surgical aid was called, but at last accounts the leaden missile had not been extracted. The trapper was arrested, and it is rumored here that he stands a good chance of being lynched.

The election yesterday was one of the quietest ever known in this city. No opposition whatever. The total number of votes polled footed up to 224, but they were all cast for George Q. Cannon for Delegate to Congress and Gilbert Belnap for collector for this county.
