The Christian Englayer and experience of the Theorem to consider the entertainment of 5.000 r more enumeration to the Tree of the Conference of the Techniques of the Conference of the Techniques of the Conference of the Conferen

intra season on the temporal infantity band, he made a short intradictive present.

A quantity was then rendered by Mesets. Woodward, Woods, Woodward and Jaymes and following this Mrs. Simpara spoils on the reception and entire instance of the season of

Mrs. Frommer enne Josuto, by Comcone; and Mr. H. H. Tolke spoke
intrily.
The band there played another
celection, and Col. Fringerial spoke
at length on the minimum devasters
intend of young benefit and the celection of young people pass through the
celet, it a favorates impress to be
made on them. They will carry becato their assister home of informat ideas
on western life and conditions, and
many may fine Units a describe piece
utilitizately to settle in.
The intentity band brought the
paily to a close by playing Columbia.

#### Last Night's Fire.

Last Night's Fire.
A fire occurred at 700 First street interesting by which a bone occupied by Mrs. Le title Lillinthow was damaged to the extent of \$100. The letter find it origin in a summer kitchen, but the primary notice of the fire department out the loss down to a mithinous.

Eleventh Ward Entertainment. Eleventh Ward Entertainment.
On Tuesday and Walnesday evening at avail week, the Y. L. M. I. A.
of the Lievesth werd will give a pleasing and varied successionment in their meeting house for the heneft of the ward. The program will he use week musical estechnia, an exhibition of Mrs. Jointon words, which was the program of Mrs. Jointon words, and the program of the wards, the program of the ward. The price of admission is very small and will no doubt draw large suchances.
