reached the port of San Francisco, on the return trip, on the morning of August 81. As the objects of the expedition are regarded as important from a scientific point of view, a brief sketch of its organization, and results as far as known, may be interesting.

The party consisted of Professor Louis Agassiz and wife, Dr. Thos. Hill, Dr. Steindachner, Dr. Wm. J. White, and James H. Blake. The object of the expedition was to investigate the expedition was to investigate the interest of the party of the Pacific, and marine science in general, as its facts and peculiarities might become apparent during the voyage and explorations. Dr. Hill superintended the investigations relating to the temperature, transparency, &c., of the sea; Dr. White had charge don't be temperature, transparency, dec., of the sea; Dr. White had charge of the chemical experiments during the trip; Mr. Blake was the artist of the expedition; Dr. Staindachner, late of the Academy of Sciences at Vienna, haing made a specialty of ichthyology, or the life and habits of fishes, during the voyage gave his attention to this branch of the investigations; Professor Agassiz had the general superintendence and direction of the whole,

the invitation of the government, which would, probably, have borne all the expense; but the members of the party declining to accept anything beyond the vessel, the Hassler, with a handsomely furnished cabin for each of them, was placed at their disposal, and leaving Boston on the 4th of last December, they salled direct for the West Indies, reaching St. Thomas on the 14th, and Barbadoes on the 26th; thence to Personal in the invitation of the convenience of such an alarming number of young vagabonds in the community. We consider that the so-called leaving the vote by States would show the entire unanimity. A motion to reconsider the vote by secismation and to take the vote by States was made and agreed to. During the roll call George Francis Train rose to make an objection, but he had hardly opened his mouth when there were loud cries of "put him out," and he was immediately hustiled out of doors, amid great excitement and loud demonstrations of approval.

PROPARITY. The London Gentleman's Magazine

publishes a letter from a corresponden who undertakes to show that the us tion has unanimously and with great enthusiasm nominated you on the basis of your letter, and we hold you bound to stand by us. We wait your reply.

Signed Jas. Lyons, President.

The following is the report of the Committee on resolutions:

Whereas, frequent recurrence to first hereas, frequent recurrence to first ciples, and eternal vigilance against less are the wisest provisions for libwhich is the source of progress, fidelity to our constitutional im is the only guarantee for either, therefore,
Resolved, That the original basis of our whole political structure is the consent, in every part thereof, of the people, who, in each State voluntarily create their State, and the States voluntarily formed the Union; each State provided by its written constituwar, and are simply undisguised profanity. How is it in this country. Whoever will take the trouble to look into the subject will find that the use relations.

Resolved, That all governmental powers, whether State or federal, are trust powers coming from the people of each

They have no other comparisons than profane comparisons; no idea of quality or quantity except as it can be expressed by an expletive; no estimate of good or bad except as it can be measured by an objurgation. Nor is its use altered and amended.

Resolved, That the interests of labor and capital should not be permitted to conflict, but should be harmonized by wherein to exercise this unhappy habit. judicious legislation, and that while There is at least some hope for the fusuch conflict continues labor, which is ture in the fact that many men most such conflict continues labor, which is the parent of wealth, is entitled to paramount consideration.

Resolved, That we proclaim to the world that principle is to be preferred to power, that the Democratic party are held together by the cohesion of time honored principles, which they will be guilty of falsehood in denying that they use such language, rather than acknowledge a weakness which they know so many regard as wicked.—Sacramento Union.
