

SILVER IS ADVANCING.

The White Metal Reaction in Highest Figure for Some Time.

STOCKS INACTIVE ON THE EXCHANGE.

Price of Wheat from Australia—Sliver of silver City—The market has been quiet.

Wheat's advancing price today was the result of a combination of factors, including the fact that the market was short of wheat, and the fact that the price of wheat was advancing in other markets. The market was short of wheat because the harvest was not as good as expected, and the price of wheat was advancing in other markets because the price of wheat was advancing in other markets.

WHEAT'S ADVANCEMENT.

The wheat market was active today, with prices advancing in all directions. The price of wheat was advancing in all directions because the market was short of wheat, and the price of wheat was advancing in all directions because the market was short of wheat.
