Table with 2 columns: Item and Price. Includes items like Wheat, Oats, Barley, and various grades of flour.

TALE OF THE TOWN.

Spring comes on apace. Hear the merry, merry birds! Nothing doing in the Police Court to-day. Sheriff J. W. Turner is among us once more. Utah County has organized a driving park association.

Don't forget the 14th Ward concert to-night. An excellent bill. It is to be the (Ogden Herald), in lieu of the Weber County Herald, as first announced. The Cannon-Thomson mandamus matter is settled. Judge Twiss decides for the respondent.

The Scandinavian Dramatic Association gave a very nice ball in the 12th Ward last evening. Mr. O. J. Averill, Clerk of the Third District Court, who has been east for some time, is expected back to-night.

The new theatre in Provo is said by the Enquirer to be "a settled thing." Work on the building will commence as soon as fair weather is a settled thing.

Hon. A. O. Smoot, his son, A. O. Smoot, Jr., and C. C. Kirkwood, Esq., who have been in the city two or three days, returned to Provo this morning.

There will be an entertainment in the 4th Ward school house to-morrow evening, for the benefit of the Sunday School, consisting of drama, songs, recitations and a variety of other things.

The Leader is responsible for the statement that on a certain occasion when the Logan Co-op doors were closed and labeled "Taking Stock," a man who lives on the bench brought in a calf which he wanted to exchange for merchandise.

LOCAL AND OTHER MATTERS.

To-Night's Concert.—Those who go to the concert in the 14th Ward Assembly Rooms this evening, will witness a very nice entertainment. The programme will consist of glees, songs, choruses, duets, recitations and instrumental selections. The affair will be conducted by Mr. H. Gardner; Mr. H. E. Giles acting as organist.

Strayed.—The following has been handed in for publication: "From H. Dinwoodey's furniture store, an exemplary young man named John E. Evans, when he left the store, he appeared to be in perfect health, sound mind and of extremely light heart; and weighing 23 pounds and age 14. He was last seen with Miss Mary Andrews, a young girl, who is a friend of his. His friends are anxious about him and will reward the young lady if she will bring him safely to the store."

The Red Front.—The building lately occupied by Solomon Brothers and Gold, north of the Deseret Bank, has been refitted, repainted and re-furnished, and will hereafter be the stand of the thriving 13th Ward Co-operative Store, of which its worthy Superintendent, Mr. James P. Freeze, has something to say in another column of this paper. Look out for the "Red Front," and if you are on the street car, ask the conductor to land you on the new flag crossing, which will take you right to the place.

A Challenge.—We are requested to publish the following for the benefit of the Alta sufferers: "Mr. Joseph Arthur: Dear Sir—I am here ready to play you a billiard match in accordance with your expressed wish, and am willing that the proceeds shall be given to the Alta Relief Fund, or I will play you a match if you desire, for any sum you may name. I have a day or two to spare and will remain here, to accommodate you or any other person who is anxious to play billiards. I must have an early reply. Respectfully, WM. RIVERS, Of Ogden."

Cast of "Macbeth."—The first character rehearsal of Shakespeare's "Macbeth," previous to its presentation on the 4th prox., passed off successfully last evening. Following is the cast, so far as now known: "Macbeth," Mr. David McKennzie; "Macduff," Mr. L. Cummings; "Banquo," Mr. O. F. Whitney; "Duncan," Mr. A. H. Le Clair; "Lennox," Mr. H. Horsley; "Rosse," Mr. Mark Wilton; "Malcolm," Mr. H. Taylor; "Fleance," Miss Ivy Clawson; "Seyton," Mr. D. McKennzie, Jr.; "Lady Macbeth," Miss Nellie Colebrook; "First Witch," Mr. H. M. Wells; "Second Witch," Mr. D. McAllister; "Third Witch," Mr. J. D. Spencer; "Heavenly Host," Mr. W. D. Owen, etc. Chorus of witches by Zion's Musical Society and valuable auxiliaries.

Driving Association.—Utah County has a Driving Park Association, the organization of which took place at Provo last Saturday evening. The officers are John W. Brown, President; A. O. Smoot, Jr., Vice-President; W. D. Roberts, Secretary; B. Bachman, Treasurer. These, with Messrs. Jas. E. Daniels, Jr., H. Orser, M. Box, and J. Thomas, constitute the Board of Directors. The capital stock is \$25,000, in 25 shares. The Association has purchased 300 acres of land, about two miles south of Provo, for its park. The Enquirer says:

"It is said to be most suitably situated for the purpose designed, besides its contiguity with the lake, being especially advantageous for

Excerpt of Correspondence.—Elder Oscar P. Hunter, writing from 49 Sabina Street, Nottingham, England, on Jan. 24th, to Elder Henry Walsh, of this city, says:

My health is good and I am enjoying my mission. Hocknell has a good room to meet in, and the spirit of investigation is manifest in that vicinity. A good many of the "Salvation Army" have attended our meetings, and many acknowledge that they hear more truth in our meetings than they can if they continue a life time in their own. South Norwinton is doing a good work "trading," and an emigrant quite a number last summer. Nine Elders are laboring in the Nottingham Conference at present, and have plenty to do.

A good work is being done in the Norwich Conference. I suppose I shall be among those who emigrate in the spring. The weather has been as cold as has been known for 40 years. Lots of snow, some of the roads impassable from drift.

The poverty and distress among the people is astonishing. Hot times in Manchester. Colliers on the strike.

Some of the Saints who are not satisfied at home, should come over to this country and see the condition of the people. Then, I think, they would appreciate their comfortable homes in the tops of the mountains.

To-day it is like spring. Three days ago it was freezing.

More Favorable.—N. T. Guymon, writing from Huntington, Emery County, on the 6th inst., states that since his last communication, the weather has taken a change for the better in that locality. For three weeks it had been like spring. Stock was doing first rate. Prospects were good for grass and crops, and if fine weather continued, plowing would begin in a few days. General health, good.

High Council.—The members of the High Council will meet in the Council House to-morrow (Friday) evening, at 7 o'clock. WILLIAM W. TAYLOR, Clerk.

IT IS TRULY WONDERFUL. TO SEE what improvements have been made in the railway travel only a few years ago. To become convinced of this, one has only to select for his route East, the popular and well-known CHICAGO & NORTHWESTERN RAILWAY. You are landed by the Union Pacific R.R. in the Union Depot at Council Bluffs, where stands the O. and N. W. Palace train, composed of the Pullman Hotel Cars, Pullman Sleeping Cars, elegant Day Coaches, Smoking Parlors, Baggage, Postal Cars, etc., ready to convey its passengers through Iowa and Illinois, and into Chicago. Gliding smoothly along over the superb track of steel rails, through thriving cities and villages, comfortably seated in this train, one scarcely discovers the high rate of speed at which he is riding. Train of this road are always on time, connections sure, and passengers enjoying pleasure, comfort, safety and ease in traveling, will find the "North Western" in excess of their expectations, and the greatest of all routes to Chicago and the East. Insist upon Ticket Agents selling you Tickets via this road; all Agents will sell them. Examine your Tickets, and refuse to buy if they do not read over this Road. If you wish the best Traveling Accommodations, you will buy your Tickets by this Route, AND WILL TAKE NO OTHER.

RESCUED FROM DEATH. The following statement of Wm. J. Coughlin, of Somerville, Mass., is so remarkable that we beg to ask for its attention of our readers. He says: "In the fall of 1876 I was taken with a violent bleeding of my nose. I was followed by a severe cough. I soon began to lose my appetite and flesh. I was so weak at one time that I could not leave my bed. In the summer of 1877 I was admitted to the City Hospital. While there the doctors said I had a hole in my left lung as big as a half dollar. I expended over a hundred dollars in doctors and medicines. I was so far gone at one time a report went around that I was dead. I gave up hope, but a friend told me of Dr. Wm. J. BROWN'S BALM FOR THE LUNGS. I laughed at my friends, thinking that my case was incurable, but I got a bottle to satisfy them, when to my surprise and gratification, I commenced to feel better. My hope, once dead, began to revive, and to-day I feel in better spirits than I have the past three years. "I write this hoping you will publish it, so that every one afflicted with Diseased Lungs will be induced to take Dr. Wm. J. BROWN'S BALM FOR THE LUNGS. I have been convinced that CONSUMPTION CAN BE CURED. I have taken two bottles and can positively say that it has done more good than all other medicines I have taken since my sickness. My cough has almost entirely disappeared and I shall soon be able to go to work. Sold by all druggists.
