The Murray schools consist of tw departments, 10 in the main building and two at the West Side school, conducted by a principal, two male and 10 female teachers. Under Principal G. M. Mumford, the school has done efficient work, which

has been highly satisfactory to the parents and all concerned. The faculty of the school will be strengthened next year by one ma's teacher from Moroni, also a lady teacher from Minnesota.

The crop outlook for the year in the district surrounding our thrifty little city is good, considering the back-wardness of the season. The strawber-ry crop in some localities was slightly

damaged by the late frosts. The raspberries have not come out as well as they usually do, a great many of the stocks being dead part way

The sugar beet crop is just well out of the ground and is looking good. The lucern or alfalfa crop is looking fine in those localities where it is not reached by the smoke from the smeltreached by the smoke from the smelt-ers. But in those districts where the deadly fumes of smelter smoke settle over the vegetation, the alfalfa looks parched and siekly. We can't help but sympathize with those farmers who have spent the best part of their lives to build a comfortable home and are now conveiled to sell at a great are now compelled to sell at a great loss or go to work in the smelters, for their farms will not support them.

A man giving his name as Harvey A man giving his name as Harvey King was arrested on Wednesday for obtaining money under false pretenses. The man's sense of humanity seems to have entirely disappeared. He would have entirely disappeared. He would stop people on the street asking them to help him out, claiming his mother had died and he was trying to raise money enough to buy her coffin. For this cause he received a number of contributions from people who were touched by his sympathetic plea. At his hearing Justice McOmie gave him 25 days in the city jail where he will have more time to reflect on the memry of his mother.

J. Donnan Reavis, Originator of "THE REAVIS SYSTEM" of Homebuilding. Decides to Offer Prizes Aggregating Over Half a Hundred Dollars to Bright Lads and Lassies.

Every lad and lassie, under fifteen years of age, will be interested in this contest for half a hundred dollars in good United States gold coin.

This splendid prize has been hung up by Mr. J. Donnan Reavis, originator of "THE REAVIS SYSTEM" of home building, to be divided among the bright boys or girls, under 15 years, who make the greatest number of English words from the letters contained in the famous advertising expression;

"WHOSE ROOF IS OVER YOUR HEAD?"

The occasion of this generous offer on the part of "THE REAVIS SYS-TEM" is to promote interest not only in the home building business of the donors, but also to draw attention to the excursion and pichle of THE REAL ESTATE DEALERS' ASSOCIATION which will be held at Saltair, June 29th.

At this picnic, which promises to be the greatest ever held in Utah, the award of the prizes offered by "THE REAVIS SYSTEM" will be announced, and the prizes will be given to the boys or girls, making the three largest lists of separate words. To the highest estimator goes the first price, \$25; second largest, \$15; third largest, \$10;-all in shining gold pleces.

If the winners are present at Saltair on the day of the picnic, the additional sum of \$5 will be added to each prize, and the money will be paid from the music stand of the dancing pavillion. If, however, the winners are not present, their names will be announced June 30th in the newspapers, and the money will be paid on demand at the office of "THE REAVIS SYSTEM," 32-34 Main St.

Three prominent citizens, whose names will be announced in Saturday's papers, will act as judges and absolute fairness will govern the awards.

The estimates as received will be dropped into a scaled metal box, the keys of which will be in the hands of the judges. In order to give the judges time to inspect the estimates so as to make an announcement of the awards on the day of the Real Estate Dealers' Picnic, June 29th, the contest will close June 27th at 6 p. m., and no estimates receiv-ed after that time will be considered.

As the estimates are received the time of arrival will be stamped upon the envelope, so as to deal out justice to all estimators.

We have endeavored to plainly state the conditions under which the, prizes will be given, but in order to insure absolute fairness to all of the con-testants, it has been decided to append a few simple rules governing the contest, manner of awards, etc. RULES.

FIRST-Any boy or girl under 15 years of age is eligible to win the prizes

in this contest. SECOND-The alphabetical letters in the six works, "WHOSE ROOF IS OVER YOUR HEAD?" may be used as often as desired, the only aim being to construct the greatest number of words from the letters contained therein

THIRD-Plurals or possessives will not be considered new words. FOURTH-Synonyms will be considered as new words.

FIFTH-Christian names, names of towns, Scientific terms, Bible names, Mathematical torms will be counted,

SIXTH-Each word must be numbered consecutively, so as to simplify SIXTH-Each word must be numbered consecutively, so as to simplify o work of the judges. SEVENTH-Use typewriter or ink in writing your estimate, and write-ly on one side of the paper. Ruled paper is preferable. EIGHTH-In case of a tie for any of the prizes the amount of the prize the.

only

will be divided equally among the estimators. NINTH-Only one estimate can be made in one name. TENTH-The words, "WHOSE ROOF IS OVER YOUR HEAD?" will not

counted as new words. ELEVENTH—Each contestant will fill out his or her estimate in the manner stated below, and failure to do so will invalidate your claim to the prize. TWELFTH-Seal your estimates in an envelope, and mail it or deliver it
