BUSY SESSION OF THE CITY COUNCIL

First Reading of New Franchise Ordinance for Ogden Rapid Transit Company.

DEATH OF WARREN G. CHILDS.

Honored Pioneer Lays Down Life's Carers at 71—Jury Awards Damages For J. H. Winslow's Death.

Ogden, April 18.—The city council met with a full attendance last night. The proceedings were witnessed by many persons prominent in local affairs, including Simon Bamberger, president of the Salt Lake and Ogden railroad.

The law committee, in reporting on the application of the Ogden Rapid Transit company for a more extensive franchise, submitted a substitute ordinance, which passed its first reading and, on motion of Fitzgerald, was laid on the table for one week.

The ordinance provides that in consideration of granting of the franchise the street car company receives the free use of the streets of Ogden for the maintenance of street car lines for a period of five years after which it agrees to give the city the following remuneration: For the first five years, \$500 annually; for the next 10 years, \$1,000 annually; and for the last 10 years, \$1,500 annually. The ordinance further provides that Ogden City shall reserve the right to remove any tracks constructed by the Transit company which are not in the actual use of the company and further provides that in the event of the actual use of the company which finds it compulsory to use certain tracks belonging to the Transit company, the Transit company must fix a nominal trackage rental.

S. Browning submitted plans and specifications of the proposed right of way for a driveway to Ogden canyon, which he agrees to turn over to the city under certain conditions, with the request that the city engineer inspect them.

An ordinance authorizing the city to accept the \$30,000 refunding bonds offered by the Utah National Bank for the payment of valid maturing bonds issued in 1891, passed its third reading, and awaits the mayor's signature.

Councilman Dickson's resolution instructing the city attorney to draw up an ordinance providing that all automobiles, vehicles and pedestrians remain on the right side of a thoroughfare while in motion, was adopted.

The contract for the city's concrete work during the season of 1906 was awarded to J. C. O'Brien at the rate of 12 cents a square foot, with an additional charge of 45 cents per cubic yard for grading and 50 cents for filling.

Recorder Critchlow reported that Simon Bamberger, of the Salt Lake and Ogden railroad, had furnished the stipulated bonds of \$20,000 as provided in his franchise.

WEBER COUNTY AFFAIRS.

Good Road Material Found and Much Will be Spent for Highways.

Ogden, April 18.—The Weber county commissioners have at last found suitable gravel and quartzite rock for the repaving of the roads of Weber county.

The gravel beds are located near the Utah Hot Springs, a distance of about nine miles from Ogden City, and in close proximity to the Oregon Short Line and Ogden & Northwestern railroad tracks.

The commissioners have secured an option on the gravel and quartzite rock crusher recently purchased by the county will be sent out to the site and put to work crushing rock for use on the roads.

The commissioners are determined to improve the county roads, thousands of dollars will be expended for that purpose during this year. The road roller will also be put to work rolling the gravel and quartzite, thus making the public highways hard and permanent.

Commissioner Melton, reported at yesterday's meeting of the county board, that repaving of the road in Ogden valley, near the head of the canyon, is practically completed. He also reported that herds of sheep are beginning to pass through Ogden canyon, doing considerable damage, and advised that some one be appointed to watch the herds of sheep and see that they do not damage the property.

Chairman Stanford reported that out of the \$150 fund allotted to him for the care of the poor, he had only expended \$54.15.

Reuben Campbell and Mrs. Crabtree were admitted to the county infirmary. The application of O'Neill for employment as engineer on the rock crusher at a salary of \$375 per day, was received and ordered filed.

FUNERAL OF HENRY LANE.

All that was mortal of the late Henry Lane, who passed peacefully away Saturday in the seventy-sixth year of his age, was taken to the Ogden City cemetery yesterday afternoon.

Impressive funeral services were held at 2 o'clock at the home of his son-in-law, Patrick George W. Larkin, 648 Twenty-seventh street. A ladies' quartet composed of Mrs. Mary Farley, Mrs. Wm. Jones, Mrs. Bourman and Miss Clara Poulter sang beautiful selections and Miss Myrtle Ballinger sang a solo. The speakers were Elders C. C. Brown, H. H. Thomas and H. C. Jacobs, who eulogized the life of the deceased and comforted the sorrowing family in the hope of a glorious resurrection. Mrs. Mary Farley sang beautifully "Some Time We'll Understand."

WARREN G. CHILDS' DEATH.

Honored Pioneer Succumbs to Long Suffering—Busy Career Closed.

Ogden, April 18.—Death has relieved the suffering of Warren G. Childs, who passed to the great beyond yesterday afternoon at the family residence, 235 Twenty-sixth street, aged 71 years.

The direct cause of death was paralysis with which he was stricken some time ago and for several weeks his life has been despaired of, so that the announcement of his demise will not come as a surprise to his many friends throughout the state. He leaves, besides a wife, a numerous posterity, consisting of 13

A REASON

The United Drug Company increased its business 81 per cent, in December, 1905, over the corresponding month, 1904.

When you consider that all their products are guaranteed to give satisfaction or money refunded, isn't this increased evidence of satisfaction on the part of the purchasers of Rexall Remedies? Could a business grow as rapidly as the Rexall Remedies have if its products weren't a good deal better than its competitor's?

There is some pleasure in being satisfied—why not try a Rexall Remedy for your ailment? We have it.

MOODY RETAINS HUGHES

To Investigate Coal Transportation And Bring Suits.

Washington, April 17.—Atty.-Gen. Moody today gave out the following statement: "Charles E. Hughes of the New York bar and Alexander Simpson, Jr., of the Pennsylvania bar have been retained by the department of justice to take under consideration all the acts now known or which can be ascertained, relating to the transportation and sale of coal in interstate commerce, to advise what, if any legal proceedings should be begun, and to conduct, under the direction of the attorney-general, such suits and prosecutions, if any may be warranted by the evidence in hand and forthcoming."

The attorney-general adds that he believes that sufficient evidence has been developed in the investigations of this interstate commerce matter to warrant the employment of special counsel and agents in proceedings of this nature.

Mr. Hughes is well known in connection with the recent insurance investigation in New York, in which he acted as counsel for the insurance committee of the state legislature. Mr. Simpson is a leading lawyer of Philadelphia.

ATTACKED THE HEART

NEURALGIA IN THIS FORM IS OFTEN FATAL.

A Complicated Case Cured to Stay Cured by Dr. Williams' Pink Pills.

Neuralgia in any form is painful but when it attacks the heart it is frequently fatal. Complicated with indigestion of a form that affected the vital organs it threatened serious consequences in an instance just reported. The case is that of Mr. F. L. Graves, of Pleasant Hill, La., who tells of his trouble and cure as follows:

"I traveled considerably, was exposed to all kinds of weather and was regular in my sleeping and eating. I suppose this was the cause of my sickness, at any rate, in May, 1905, I had got so bad that I was compelled to quit work and take to my bed. I had a good doctor and took his medicine faithfully but grew worse. I gave up hope of getting better and my neighbors thought I was surely going to die."

"I had something to eat, but it is awful to recall. My heart fluttered and then seemed to cease beating. I could not lie on my left side at all. My hands and feet swelled and so did my face. After reading about Dr. Williams' Pink Pills in a newspaper I decided to try them and they suited my case exactly. Before long could see an improvement and after taking a few boxes I was entirely cured. I am glad to make this statement and wish it could cause every sufferer to try Dr. Williams' Pink Pills."

Dr. Williams' Pink Pills do not simply deaden pain; they cure the trouble which causes the pain. They are guaranteed to contain no narcotic, stimulating or opiate. Those who take them run no danger of forming any drug habit. The pills are a blood and nerve tonic and they cure Dr. Graves because they feed the nerves through the blood. They act directly on the blood and it is only through the blood that any medicine can reach the nerves.

In this way they have cured the most severe nervous disorders such as partial paralysis, locomotor ataxia, St. Vitus' dance and all sorts of nervous weakness. They are useful in all attacks of indigestion, constipation, and in all cases of women and growing girls. Dr. Williams' Pink Pills are sold by all druggists or will be sent, postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50, by the Dr. Williams' Medicine Co., Schenectady, N. Y.

morning, traveling over the Canadian Pacific and Canadian Soo lines. He is accompanied by his wife.

WHOLESALE RIP UP OF DIVORCE DECREES

U. S. Supreme Court Decision in Haddock Case Creates Consternation.

FOUNDATIONS ARE VERY SIMPLE.

Defendant Must be in Court's Jurisdiction or Crime Committed Within It.

Chicago, April 18.—A dispatch to the Tribune from Washington says:

There is no doubt that the decision of the United States supreme court, handed down Monday, will rip open thousands of divorces which were supposed to be binding by all parties to them. It will dissolve all marriages made by parties to such divorces afterwards, and all children of those subsequent marriages will become illegitimate and will be unable to inherit property from their parents.

The decision of the United States supreme court, revolutionary though it may seem, is extremely simple in its actual bearing. In the first place, it must be understood that it does not concern any divorce case whatsoever where there has been actual service upon the defendant and where the defendant actually has appeared in court in person or by an attorney. It does not concern any divorce case whether the defendant is present in court or not, when the offense for which divorce is granted was committed within the jurisdiction of the court.

It is easy to see how widespread will be the effect of this decision. Every husband and wife who has secured a divorce in one state for an offense committed in another in which the defendants still reside, is married still in the state where he or she had his or her original domicile.

The decision does not absolutely annul divorces, nor does it absolutely annul any subsequent marriages, nor does it directly illegitimize the children. The divorce, the subsequent marriage, and the rights of the children can only be attacked, apparently, by subsequent proceedings on the part of the party to the original marriage who was not consulted and who took no part in the divorce proceedings.

That is to say, one state is not bound to accept the decree of a divorce court in another state unless that decree was found as the result of a complete jurisdiction of the defendant or the offense. Of course, if the defendant does not subsequently appeal to the court, the original decree stands, because no one else has a right to question it.

In all these cases, therefore, where what are known as "Dakota divorces" are not contested they will stand. If the defendant, whether man or woman, has died, they will stand, and the property rights of the new wife and children will not be interfered with.

THOUSANDS HAVE KIDNEY TROUBLE AND DON'T KNOW IT

Weak and unhealthy kidneys are responsible for more sickness and suffering than any other disease, therefore, when through neglect or other causes, kidney trouble is permitted to continue, many fatal results are sure to follow.

Your other organs may need attention but your kidneys most, because they do most and should have attention first.

If you are sick or "feel badly," begin taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because as soon as your kidneys begin to get better they will help all the other organs to health. A trial will convince anyone.

The mild and immediate effect of Swamp-Root, the great kidney and bladder remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases. Swamp-Root will set your whole system right, and the best proof of this is a trial.

Dear Sir: 33 Cottage St., Melrose, Mass.

Ever since I was in the Army, I had more or less kidney trouble, and within the past year it became so severe and complicated that I suffered everything and was much alarmed—my strength and power was fast leaving me. I saw an advertisement of Swamp-Root and wrote asking for advice. I began the use of the medicine and noted a decided improvement after taking Swamp-Root only a short time.

I continued its use and am thankful to say that I am entirely cured and strong. In order to be very sure about this, I had a doctor examine some of my water today and he pronounced it all right and a decided health.

I know that your Swamp-Root is purely vegetable and does not contain any harmful drugs. Thanks very much for my complete recovery and recommending Swamp-Root to all sufferers. I am,

Very truly yours, "I. C. RICHARDSON."

SPECIAL NOTE.—In order to prove the wonderful merits of Swamp-Root you may have a sample bottle and a book of valuable information, both sent absolutely free by mail. The book contains many of the thousands upon thousands of testimonial letters received from men and women cured. The value and success of Swamp-Root are so well known that our readers are advised to send for a sample bottle. In sending your address to Dr. Kilmer & Co., Binghamton, N.
