LAST NIGHT'S NEWS

A Ship Capsized by the Wind and Sunk in New York Harbor.

Detectives go to Canada in Search of Absconding Treasurer Axworthy.

The Southern Pacific Railroad Mortgaged for Thirty-eight Million Dollars.

Business Transacted at the Meeting of Union Pacific Directors.

By Telegraph to the NEWS.

THE UNION PACIFIC.

Business Done at the Directors' Meeting.

BOSTON, Oct. 24.—At the Union Pacific directors' meeting today Wm. H. Holcomb was chosen director, vice Colgate resigned; subsequently Holcomb was chosen vice-president to succeed the late Thomas J. Potter as chief executor of the affairs of the Union Pacific system, residence at Omaha. T. L. Kimball was appointed general manager. The president stated that no changes in the organization of the Union Pacific were contemplated. Mr. Dickinson will continue as general superintendent; J. A. Munroe, general freight, and J. S. Tibbets, general passenger agent. No change in the organization of the St. Jos. & Grand Island was contemplated, or on the various Utah roads. No appointments on the Oregon Railway & Navigation Company would be made at present. The duties of that office would be performed by Holcomb until other arrangements are made. Holcomb is at present general manager of the Oregon Railway and Navigation Company, to which position he was appointed on the recommendation of Mr. Thomas J. Potter. He has personally been connected with the Chicago, Burlington & Quincy Road, and with the Chicago, Burlington & Northwestern.

The question of advancing money on the part of the Union Pacific to meet the coupons of the Denver, South Park and Pacific firsts, maturing November 1st, was considered, and without final action referred to the executive committee, with full power

The question of paying dividends was not raised, nor was there any discussion as to the resumption of dividends by the company either now or hereafter. The matter was in no way alluded to.

The company now has no floating debt for which provision in cash has not been made. A fund of $3,000,000 has also been provided to pay for the large amount of new equipments recently ordered, only a portion of which has, as yet, been delivered.

The company at present has no work of construction going on. The extension of the Salina, Lincoln & Western road to Colby, about 175 miles, was completed on the 20th inst. The money needed to pay for this work has been provided.

During the four years between June 30th, 1884, and June 30th, 1888, surplus income of the system to the amount of $13,520,000 has been put into the property. About 85,000 tons of steel, also, during the period named, has been put into the tracks of the system in place of iron.

A table showing the condition of the funded and floating debt of the company, its mileage and its debt per mile, accompanies the statement. From this it appears that the entire funded and floating debt has been reduced since June 30th, 1884, from $155,446,666 to $148,826,159, including accrued interest to the government, and that in this same time the mileage has been increased from 4419 to 4764. The debt per mile stands at $31,191, as against $35,170 then. There has been an increase in the debt since December, 1887, the increase amounts to $1,431,-987. The result of the financial operation of the whole Union Pacific system for the twelve months ended June 30th, 1888, shows the gross earnings of the entire system, $29,029,453; surplus earnings, $11,159,836; total income, $12,259,482; total expenses, $7,508,103; surplus, less United States requirements, approximately, $6,638,579.

Unworthy Axworthy.

CLEVELAND, Oct. 24.—There is about $450,000 belonging to the city, deposited in half a dozen banks, but the bondsmen of Axworthy, the defaulting treasurer, have attached it and the result is that the city is bankrupt. Kaufman Hayes, a member of the council, has been placed in charge of the office. At present only $8,000 is in the city vaults. When that is paid out the treasurer's office will be closed for financial repairs.

The board of aldermen at a special meeting tonight, adopted a resolution declaring the office of Treasurer vacant, and empowering the Mayor to issue notes of the city to the amount of $26,000, to relieve the financial embarrassment. Rumors as to Axworthy's whereabouts are still rife, but it seems to be settled, that he is in Canada. A. B. Conkey, Axworthy's business man, declares positively, that Axworthy was not a speculator, as has been asserted. He saw all of Axworthy's correspondence, and knows that the latter lost no money in wheat.

MONTREAL, Oct. 24.—Cleveland, O., detectives arrived here this morning in search of Thomas Axworthy, the absconding city treasurer of Cleveland. It has been discovered that Axworthy arrived here on the night of the 30th of September from New York and registered under his proper name at St. Lawrence Hall. He left October 2nd, it is believed by the Western Canadian Pacific train. While here he consulted Geoffrion, Q. C., who informed him his offense was extraditable. He appeared to be laboring under great mental agony and drank hard while here.

Axworthy left here by a mail steamer the detectives were too late to capture him here, but have telegraphed the Quebec authorities to arrest him. The steamer leaves there at 8 o'clock in the morning for Liverpool.

A Ship Capsizes.

NEW YORK, Oct. 24.—This afternoon a full-rigged, three-masted ship was capsized by the wind in Buttermilk Channel. The vessel overturned on a tug passing and the tug and vessel sank together. The tug appeared from the battery to be on fire. The ship carried no ballast which caused her to capsize so easily. It is not known at present whether or not any lives were lost.

The ship was the Spanish brig *Almogavar* of Barcelona. The tug which was struck was seriously damaged but did not sink. No lives lost.

The Campaign in Florida.

JACKSONVILLE, Florida, Oct. 24.—The rigid quarantine heretofore existing in this state has seriously interfered with the political campaign in Florida. But now that the fever is abating, more activity is noticeable, especially among the democrats, who are preparing to make a vigorous canvass. The republicans, however, except in the second district, (which will be very close), are making but little effort and no systematic movement has been inaugurated.

A Medicine Man's Dream.

ST. PAUL, Oct. 24.—It is learned that the scare at Standing Rock Agency over the reported uprising of the Crows against the Sioux has proved groundless. Frosthead, an obscure medicine man and worthless Indian, claimed to have dreamed that the Crows were coming and he induced the young bucks to start out for them. A company of cavalry has returned the bucks to the agency.

The D. & R. G. Strike.

PUEBLO, Colo., Oct. 24.—The Rio Grande switchmen's strike is still on. The engineers and firemen today refused to pull freight trains made up by non-union switchmen. A conference between the strikers and the railroad officials will be held tomorrow, and it is believed the matter will be compromised.

The Inquiry Continued.

LONDON, Oct. 24.—The general impression is growing that the *Times'* case is weaker even than its enemies imagined, and that the task confided to the Attorney General is beyond his power. Should he continue at his present speed, another week will not see the end of his speech.

The Southern Pacific Mortgaged.

SAN FRANCISCO, Oct. 24.—The Southern Pacific Company filed in the recorder's office today a deed of trust to the central trust company of New York conveying, for the purpose of securing the payment of a mortgage of $38,000,000, all the property of the railroad company and also all the property of branch roads which have been amalgamated with it. The deed declares that the branch roads have turned over all their property to the Southern Pacific, and the latter have assumed all debts and liabilities, and to secure the payment of these debts, the Southern Pacific Company will issue $38,000,000 in bonds of $1000 each. To secure these bonds the company will create a sinking fund, and after the year 1898 will pay $200,000 per month out of the net income of the railroad, and continue until the debt be paid.

Revolution at Port Au Prince

PANAMA, Oct. 24.—Advices by the steamer *Moselle* which arrived at Aspinwall on the 10th inst. from Hayti, state that never before has Port Au Prince passed such a night as that of September 28th. The night to begin with was dreadfully dark with an occasional flash of lightning. Revolution was abroad. Firing commenced at 7:30 p. m., and cannon and gatling did dreadful execution as did also those from the big guns at Fort Alexander which crashed through the buildings, destroying everything and everybody with which they came in contact. The firing continued up to 2 a.m. of the 29th.

These advices say as far as ascertained 300 persons were killed and over 500 wounded including many women and children. Among the notable persons killed besides General Seide Telemaque, were Charles Borno and Dueass.

Remarks by the Pope.

ROME, Oct. 24.—The Pope received the Neapolitan Pilgrims today and made an address to them. After condemning the Italian government and stating that the hatred of all foes of the Papal See was concentrated in Rome, the Pope said in this city they do not hesitate to confirm by new laws, even on solemn occasions the usurpation and violence which are within the remembrance of the whole world, degrading Rome to the simple position of the capital of the kingdom, while God predestined it the See of the Vicar of Christ, and it shall ever remain the capital of the Catholic world. In conclusion the Pope expressed perfect faith in his triumph.

The Archbishop of Naples, who headed the Pilgrims, recounted to the Pope all that had occurred in Naples during Emperor William's visit.

The Pope replied: "Our enemies are exerting their whole strength to oppress us. Let us redouble our efforts and return unflinchingly to the struggle. Action is necessary, for which I rely upon the clergy."

Judge Gresham.

INDIANAPOLIS, Oct. 24.—Since the announcement in the public prints several weeks ago of the return of Judge Gresham from his trip to Europe, members of the republican state committee and other prominent republican residents have received numerous requests asking that Judge Gresham be assigned by the committee to speak on the political issues of the campaign. To these requests, when addressed to the state committee, reply has been made calling attention to the high judicial office occupied by Judge Gresham under the federal government, which puts it out of his power to take any active part in the campaign, especially to appear on the stump. Requests, it is learned, have been made directly to Judge Gresham both in writing and by friends in person. A letter was received today by Hon. W. C. Atkins from the Judge, saying:

"I cheerfully and in good faith acquiesced in the nomination of General Harrison, and immediately informed him by telegraph that he would receive my earnest support. The proprieties of the position which I occupy forbid my taking an active part in politics. It is gratifying to know, however, that my friends are supporting the ticket in good faith, and I do not think any fair-minded person doubts that I earnestly desire its success. I could not actively participate in the campaign without exposing myself to just censure and lowering myself in the estimation of right-thinking people."

American Missionary Society.

PROVIDENCE, R. I., Oct. 24.—At the forty-second anniversary meeting of the American Missionary Society today, Dr. Gilbert read a report on the missions of the association among the Chinese in America.

"It was necessary" he said, "to finish this work. The success of this work and the injustice lately done these people, made it very necessary to push it. There was no more observant people in the world, no one more sure to appreciate the difference between the treatment they received from our missionaries and that of politicians."

Dr. Dana thought we had a golden opportunity to give all Chinese as they from time to time return to China, a favorable rather than an unfavorable opinion of Christianity, and to many of them a vital experience of its power.

The talk of discrimination against the blacks and the consequent retaliation by them was a feature of tonight's session.

Rev. J. R. McLain of Paris, Texas, a graduate of Talladega, Alabama, said the charge that the colored vote was very effectual in defeating prohibition in Tennessee, Alabama and Texas is to a great extent true.

Rev. Dr. M. R. Brand of Oberlin, Ohio, made the closing address of the afternoon, his subject being "The Church and the Color Line."

That Railroad Squabble in Canada.

WINNIPEG, Manitoba, Oct. 24.—Chief Justice Taylor rendered a judgment this morning dissolving the injunction behind which the Canadian Pacific road had been protected in its resistance to the provincial road crossing their line. The provincial road will now go on.

Attorney General Martin is advertising for good, loyal citizens to report tonight to be sworn in as special police to go the scene of trouble. The Canadian Pacific has determined to resist, notwithstanding the injunction has been quashed.

This afternoon late the Canadian Pacific obtained another injunction, setting forth that the Red River Valley road was not a government line, but had been formally handed over to the Northern Pacific. This second attempt to balk the Northern Pacific only increases the determination of the citizens, and a monster indignation meeting was held tonight. The attorney general expresses his determination to effect a crossing tomorrow morning at all hazards.

General Supt. White of the Canadian Pacific says the company is still going to protect their property and resist a crossing, pending a decision of the Supreme Court. Their men have been notified to hold themselves in readiness tomorrow.

Fully 500 citizens tonight enrolled themselves to act as special constables to act for the Northern Pacific, and they will go out to the crossing in the morning if the weather admits of track laying.

DOCTORS' BILLS.

Nearly all diseases originate from inaction of the liver, and this is especially the case with chills and fever, intermittent fevers and malarial diseases. To save doctors' bills and ward off disease take Simmons Liver Regulator, a medicine that increases in popularity every year, and has become the most popular and best endorsed medicine in the market for the cure of liver or bowel diseases.—*Telegraph*, Dubuque, Iowa.

In 1850 "*Brown's Bronchial Troches*" were introduced, and their success as a cure for Colds, Coughs, Asthma and Bronchitis has been unparalleled.

Ayer's Pills, being convenient, efficacious, and safe, are the best cathartic, whether on land or sea, in city or country. For constipation, sick headache, indigestion, and torpid liver, they never fail. Try a box of them; they are sugar-coated.
