MANAGER GRIFFIN RESIGNS.

Business Affairs Prevent Him from Managing the Ball Team.

Managing Director C. H. Griffin, of the Salt Lake baseball team, has resigned his position as manager of the team.

Griffin explained the press of business was so great that he simply did not have the time to devote to baseball matters.

He was informed by Mr. Griffin's friends that he had done a hard work last winter. Salt Lake would not be in the Pacific National League.

It has not been definitely stated that Griffin will succeed Mr. Griffin, but it is so understood that the management of the team's affairs will be turned over to him.

While Mr. Griffin will not take an active part in the club's affairs, he will still hold stock and will remain one of the directors.

HERMIS WINNER OF GREAT RACE.

Captured the Suburban Handicap From a Field of Fast Horses.

FAVORITE WAS IRISH LAD.

Last Year's Derby Winner, the Picket, Finished Second—Victorious Animal Earned Fortune.

New York, June 16.—Hermis, owned by Edward R. Thomas, easily won the Suburban handicap at Sheepshead Bay today.

The son of Hermenee was on his toes when the barrier snapped. He crossed in front of six competitors from the outside and passed the judges' stand in the lead on his journey of one and one-quarter miles.

From the position of command this secured on the rail he was never headed and won under a perfect ride by Arthur Redfern in a time of 2:05—the best on record for the Suburban and two-thirds of a second slower than the track record of 2:04.5, held by McNeeney, Irish Lad, the public favorite, failed entirely to justify the confidence of his backers and finished third—nosed out of second honors by The Picket.

A great crowd journeyed to the Long Island race course to view a twenty-first running of the \$20,000 classic. Perfect racing weather prevailed and more than 20,000 persons had passed through the gates before the hour set for the first race.

The crowd grew rapidly until every available point of vantage had been taken and even the infield was dotted with enthusiasts.

Irish Lad was installed favorite for the Suburban at 4 to 5. Four and 3 to 1 could be laid against Hermis, 2 against The Picket and the same against Proper, while Africander and Maj. Dainierfield were without friends at 10 to 1.

The pressure of entries on Irish Lad was so heavy that 5 to 10 was asked when the contestants were called to the post.

The field was lined up and sent away in perfect order by Starter Fitzgerald. Hermis from outside position snared to the front as if hurried from a catapult. Passing the judges' stand he had secured the coveted place on the rail, with Irish Lad, and The Picket close behind.

The others did not appear to be in the same class. On the racetrack, around the turn and down the back stretch, never changing position for an instant, Irish Lad challenged again and again, but to no purpose. He crept up on the fly-leader repeatedly, but was unable to hold the terrible pace, much less overtake him.

The Picket, the hope of the western and southern contingent, ran along unconcerned in third place until the mile post had been reached. Then he drew up and crept past the favorite, Hermis, inch by inch.

Hermis, never touched by the whip, singly threw defiance out to the others in the dust from his hammering hoofs, and through the stretch he was even challenged. The Picket, however, on Irish Lad for second money. Proper, Maj. Dainierfield and Africander brought up the rear.

Had the winner been pushed he would have broken the record for the track and ease. When the great crowd realized the splendid exhibition of equine worth shown by the victor, it arose in a mass and cheered him wildly, despite the fact that the bookmakers had accepted and won nearly \$20,000 on the defeat of Hermis.

Hermis was heavily backed, however, and at least one-quarter of the amount taken in on the defeat of the favorite was paid out on the winner.

Summary:

First race, six furlongs, on main track—Mamie Worth won. Mizen second. Retable third. Time—1:23.50.

Second race, selling, mile—Seymour won. Letola second. The Southern third. Time—1:24.

Third race, double event, last five and a half furlongs of Futurity course—Song and White won. Sparkling Ear, second. Condemned third. Time—1:27.50.

Fourth race, Suburban handicap of 230.00, for three-year-olds and up, mile and a quarter—Hermis, 27 (Redfern), 1 to 1, won. The Picket, 124 (Heigerson), 5 to 1, second. Irish Lad, 12 (Shaw), even, third. Time—2:05. Proper, Maj. Dainierfield and Africander finished as named.

Fifth race, last five furlongs of Futurity course—Diamond Flash won. Don Royal second. Delicate third. Time—1:31.50.

Sixth race, handicap, mile and a quarter, on turf—Leader won. Carbuncle second. Sweet Alice third. Time—1:48.

FINE LAWN FESTIVAL.

In Honor of Former Sunday School Superintendency of Twentieth Ward.

What was by odds the most elaborate and picturesque lawn festival of the season took place last night at the residence of Bishop Romney at the corner of C and Third streets.

The function was in honor of the recently retired presidency of W. Young, now president of the Twentieth ward, and his two counselors, Elders J. B. Young and J. A. J. Swenson, who was the secretary of the Twentieth ward, and who now occupies the same office in the stake organization.

The spacious grounds were illuminated by many electric lights that had been artistically strung through the trees surrounding the residence, which was itself adorned with light and further beautified by floral and other decorations.

The lawn was carpeted with rugs upon which were ample seating accommodations, and numerous tables artistically set with white linen and bedecked with vases of roses and other cut flowers.

Interpreted among these were many choice bushes laden with fall blown roses of various color, lining the walks and exuding a fragrance that only the roses of June can equal.

Altogether the scene—the surroundings—formed a picture and an occasion long to be remembered. Besides the evening present was in full harmony with the spirit of the gathering, which was attended by about 100 persons comprising the teachers and officers of the ward Sunday school, their wives, husbands and other escorts, including a number of specially invited guests, among whom was Joseph E. Wells of the stake presidency.

The evening was spent in speeches of welcome and response, in vocal and instrumental music, including piano, mandolin and guitar club selections, in social converse and mutual felicitations; and in partaking of delicious refreshments graciously served by the young lady society.

The menu consisted of Utah strawberries, ice cream and cake, and pine apple lemonade. While it was being discussed beautiful string music lent additional charm to the occasion.

The gathering was called to order by Supl. Irvine, who stated the purpose of the reception in a brief and well worded speech. He was followed by President Young and each of his former counselors, and also by ex-Secy. Swenson and Bishop Romney.

President Young said he was most grateful for the recognition accorded himself and associates and spoke in glowing terms of both the past and the future of the Twentieth ward Sunday school. His counselors amplified upon and endorsed these sentiments, while Bishop Romney, in a little more extended talk, spoke encouragingly of what had been accomplished and believed fully that the latter-day Saints. At the conclusion of his remarks Mrs. Irvine gave a recitation in a manner and style that pleased immensely and which brought her well-merited applause.

A musical artists of the evening were: Mrs. C. B. Stewart, the Juvenile Mandolin and Guitar club, and a male quartet led by Chorister D. J. Watts, the personnel of which were Messrs. Watts, Owen, Sears and Hodge. As an inspiring termination to the affair there was "congregational singing," during which Sunday school songs, church hymns, and "My Country 'Tis of Thee" were given. After the rendition of the last number there was a general handshaking and saying of good-nights, and one of the most pleasant social functions the ward has ever witnessed had become a memory.
